"A Wild Goose Chase."

County Warden A. D. Beede was recently informed that parties at Charleston had captured a half dozen wild geese near Salem pond and that the best interests of the state demanded that the state authorities take the geese. To that end Mr. Beede drove to Charleston and returned with two old geese and three young ones. It now appears that several parties in Charleston feel aggrieved about the matter and each in turn demanded the return of the geese to their native haunts. Several parties claim to own them and are certain that the geese in question are of the domestic variety. Mr. Beede was thus placed in a very peculiar position and for several days has been meditating just what is best to do. We are now informed that his troubles in the matter are over. Somebody stole all five of the geese from the hotel barn Saturday night.

B. O. SMITH, Proprietor ORLEANS, VERMONT

The ladies' night given by the Orleans club Thursday evening was well attended and a fine time was enjoyed by all present. The rooms were prettily decorated for the occasion, games were played, punch, ice cream and cake were served and the Victrola furnished music. Fred Wilkie was also present with one of the Whipple & French Sonoras. The success of the event is due in large measure to L. M. Kinsley, C. V. Willey, C. S. Skinner and C. D. French.
