GOSSARD FRONT LACE CORSET

Style 250 at \$2.00 a pair

Only two numbers have been advanced at all in price. This makes Gossard Front Lace even better values than ever before. Prices: \$2.00, 2.50, 3.50, 5.00, 6.50 in stock.

Nemo Corsets for stout figures priced \$2.00, 3.00, 3.50, 4.00, 4.50, 5.00.

That would be impossible to buy to sell at that price now. Bought just before all corsets were advanced in price.

Just as important as the corset is a correct Brassiere. We have Gossard, Warner's Brassieres, priced 25c to \$2.00

You can have your corsets fitted by an expert fitter at the same price.

Chamoisette Gloves at 50c, 75c a pair

Exactly the old prices and values. One lady bought 8 pairs; said she had not been able to get Chamoisette Gloves for the past year and would buy them when she could find them.

Lot of Short Ends Curtain Material

We find that we have too many remnants and have marked at prices that will close them out very fast. One to 15 yards in a piece and marked at just 1-2 actual values.

New Fall Coats and Suits

Are selling very readily because so many ladies feel that every week they can wear a new garment in the season is just one more week that it is actually right-up-to-date, and it costs about the same to lead with an advanced style as to follow along after every one else has their new coat or suit. While there has been quite an advance in the cost of all materials and the making costs extra there is not very much advance in the price of a coat or suit. Don't wait until you are ready to buy before asking to see the new styles.

New High Cut Battleship Grey Boots at \$4.50

High and medium heels, pointed and wider toes. Extra values at the price. Pumps at \$2.95, that have been \$3.50 to 4.50 a pair. Patent, dull leather, bronze, grey, champagne colors and all the very best styles now at this very low price.

Genuine Linen Guest Toweling

At a slight advance from "before the war prices" but all linen and beautiful patterns and it will be hard to find at any price before long.

Handkerchief, Butcher and Art Linens

A very much larger stock than we would carry under ordinary conditions but all bought at less than present prices.
