## PURE WOOL FABRICS

There are over 400 of 'em—and nary a one has a single cotton trace.

This is a return to pre-war times with a vengeance—but we're sorry to say, we can't give you the old "before the war" prices.

Not yet—but we do give you the highest value for what you pay—and comparison will show that good ready-mades are even higher than those we make-to-measure.
