Phonograph Business

The best in a year.

VICTROLAS AND BRUNSWICKS—It's a toss up as to choice and we carry out about as many of one as of the other. Six sold last week.

Car Necessities

CHAINS—A man takes the life of the party riding in his hands when he drives on these roads without chains. Don't take the chance. You can have either Weed or Rid-O-Skid, but though they cost more we advise the genuine Weed as they are lowest priced in the long run.

THERMITE—to save freezing. Thermite is a preparation especially prepared for use in the Radiator and something of the kind should be used in every car. We have some bought at a price within reach and will sell 1 Gallon Can \$1.00. Why take a chance of a big damage by freezing when \$1.00 to \$2.00 will make you safe.

TIRES—Tires have dropped and our prices were changed the minute we had our notice. If needing a tire, buy it. You are safe on price.

BATTERIES—Have your Battery examined often as it is likely to run low in cold weather. Drive around and have it tested.

Basement News

Already there is almost a HOLIDAY RUSH in our Basement Store. The goods are ready. At the present rate some of the lines will soon be broken; of others we have a plenty, but the early shoppers are the fortunate ones.

SNOWSHOES, SKIS, MOCCASINS, SKATES, SLEDS, TOBOGGANS—One of the finest lines ever.

factory, which has been running with a small force of late, closed down Saturday noon. Just what the future has in store for the factory is not known.

Mrs. Fred Reed will have charge of the Salvation Army work during the absence of Capt. and Mrs. Day, who are attending special meetings in New York. For any information or help call 247-2.

Miss Dorothy Drew entertained seven young ladies at a five o'clock tea at her home Thursday. The guests were Miss Jennie Curtis, Winsom Jones, Gertrude Harris, Bessie Lothrop, Eleanor Sheldon, Helen Savage and Ruth Buck.

Cheney-Copp of Worcester, Mass., is in town for a few days removing his household goods to the new bungalow recently built in that city. Mrs. Copp and daughter, Pauline, have been visiting her brother, Victor Whitney, for the past summer.

Donald and Bradley Davis were at home to spend Thanksgiving with their parents, Mr. and Mrs. C. C. Davis. Donald came on from Sioux City, Iowa, where he has been employed with a furniture company. Bradley returned Monday to New Haven, Conn., where he has a fine position with the Winchester Arms people.

Among the boys from Dartmouth who spent the Thanksgiving holidays with their parents, were: George Hamilton, Burton Prouty, David Camp, Raymond Colodny, and Olney Morrill. Burton Prouty was accompanied home by a college friend, Henry Bourne and George Hamilton entertained Victor Cannon, both boys are students of Dartmouth and their homes are in Cleveland, Ohio.

The Scott Toy Corporation has purchased of the Newport Chamber of Commerce a lot of land on Union street, consisting of two building lots. This land has a frontage of 132 feet upon which operations are to begin at once to erect a modern up-to-date factory. When completed it will be equipped with machinery for the manufacturing of toys, such as the company are planning to make. The new building will be 36 by 60 feet, two stories high. The contract for the building has been let to Joseph Lahar, and it is expected that the factory will be completed and ready for operation by Christmas.

The pupils of the Evening Study class have completed 24 of the first series of lessons. They have shown much interest and enthusiasm and fully appreciate what Mrs. Sadie McCaffey and Mrs. Orrin Whitehead, have tried to do for them. The Bluebird club under whose auspices the class has been held, wish to thank Mr. C. H. Davis for the use of the rooms in the Foster block, he very kindly donated the rent. Also Frank Burns for the loan of chairs; George Burbank for the loan of the organ; Mr. Bowen of the Newport House for the tables and Mrs. Frank Flint for the gift of many dress patterns.

The people of Newport city should bear in mind that one of the most interesting entertainments of the season is due to appear at the Lane Opera House, Thursday evening, December 9th, when Crawford Adams company under the auspices of the Newport Post of American Legion will delight the audience with music and readings. Crawford Adams is truly called "The Wizard of the Violin." He has a marvelous musical repertoire; in six years of requests he has never failed to play the number suggested. With Adams are Miss Ethel Hinton, one of the best liked readers on the platform, and Miss Nan Synott, solo pianist and accompanist. They are all real artists.

The E. Y. P. U. of the church conducted another good time at the First Baptist church on Friday evening. This was in charge of the "World Wide Guild and Children's World Crusade" assisted by the Missionary and Industrial Circles together with Miss Bean and Rev. and Mrs. Rankin. These socials are proving a great success, holding the young people of the community as nothing else can. The admission fee was ten cents which paid for the following entertainment: Reading, Claire Coburn; piano duet, Barbara Brown, Adelaide Humphrey, singing by six girls; play, by the Youngsters; singing, Girls' Chorus; song by Little Ones; piano duet, Barbara Brown, Adelaide Humphrey. The price of admission included refreshments of cocoa, cookies and cake. Besides these homemade candy and taffy sticks were for sale.

The Graylawn Farms incorporated manufacturers, who recently located in our city, are conducting a big drive for the jobbers of their goods this week through the states of Vermont and Maine. H. E. Gray and B. C. Gray are covering the state of Maine, and E. E. Hill and Samuel Clark are working the state of Vermont. They are in company with their salesmen and all goods sold are handled through their jobbers. The drive that is being conducted through these two states is one of the unique and profitable means that the Graylawn Farm employs in getting their goods before the public. It not only brings good results in getting orders but brings the consumer and jobbers into personal touch with the men in the factory and office who are thoroughly familiar with their products and know the superiority of the goods.

A very sociable and profitable evening was spent at the First Congregational church Sunday evening and was in the form of a reception to newcomers to our city. Changes in business and new industries has brought many new faces to our city in the past few months, many of whom are strangers, and pastor Edwards arranged for this special service in order that the people of the church and community might extend the glad hand to the newcomers. The first part of the evening was devoted to a song service which was made more enjoyable by the presence of the orchestra. Following this a reception was held in the church parlors at which many new faces were present and received a most cordial welcome. During the social hour light refreshments were served. This was only one more way of demonstrating the cordial spirit that prevails among the people of the city.
