## American Hotel,

**BURLINGTON, VT.**

**THE** subscriber would inform the public, that he has leased this Establishment (recently kept by Messrs. Cady and Doolittle) for a term of years, and has fitted it up in a style which he trusts will both please and accommodate those who call on him.

The pleasantness of its situation; the spaciousness and number of its apartments; and the accommodation it is calculated to afford to a large or small number of guests, are rarely exceeded by any Establishment of the kind in the country; and the Proprietor flatters himself that, by strict attention to the wants of the travelling public, he shall be able to render its internal conduct not less inviting than its external appearance and local situation.

## A VALUABLE

## SALVE

**FOR** Wounds, Bruises, or Sores of any kind, even those which have long been troublesome; an immediate cure for Burns or Scalds, Salt Rheum, Chapped Hands, and the best thing that I have ever known used for Sore Eyes. It is also good for the St. Anth. nias' Fire or Irrepeals. I had a child very much afflicted with it; I applied many things, but to no effect until I made use of my Salve, which cured her in one day by rubbing it on the parts affected. In fact it may be used for every thing of a sore nature to good effect and with perfect safety, and no family ought to be without it. It would be found very useful on board of Steam Boats, or vessels of any kind, where accidents may happen; especially such as Scalds or Burns, for where applied, draws out the pain immediately and heals the wound quicker than any thing else I ever knew used. In case of sickness, where persons are under the necessity to have blisters drawn, this Salve is the best application which can be made after the fire is removed. If you wish to have it draw much deeper the plaster thick; if to heal immediately, spread it very thin on linen; you need no other application. Prepared and sold by A. RUTHERFORD, Burlington, Vt. Price 12 1-2 cents per cake.

This may certify to all that it may concern, that I have for about two years past, made use of A. Rutherford's heal all Salve, in my family, and I consider it preferable to any salve I have ever known manufactured; its utility will apply to fresh wounds, old sores, sore eyes, scalds and burns. ELWOOD INST.

I do hereby certify that I have made use of A. Rutherford's Salve for nearly two years, and I never found anything ever equalled it for a burn or scald, or a fresh wound; and for sore eyes there is nothing that ever I tried which will restore the eyes to their natural state in so short a time as this Salve. I do therefore recommend it for the benefit of mankind.

Burlington, May, 1836.

The subscriber hereby certifies that for more than a year past, in cases of wounds and bruises, he has frequently made use of and experienced the salutary effects of A. Rutherford's salve, and has also witnessed the same in others, and most cheerfully recommends it as a valuable salve.

E. W. SPEAR, Shelburn, May, 1836.

We the undersigned have used A. Rutherford's salve for more than a year, and have known others to use it, and can recommend it to be the best thing we ever knew for burns, scalds, fresh wounds, bruises, or old sores of any kind; and we further recommend it to be superior to any thing else, for sore eyes; and we do think A. Rutherford's salve ought to be more publicly known for the benefit of mankind at large.
