Newspapers!

INDICATE PUBLIC OPINION. Usually cautious, there is great confidence to be placed in A RELIABLE NEW-PAPER.

FROM THE New Orleans True Delta. "There seems to be no excuse for thin or gray Hair, now that the celebrated Heintz's Inimitable Hair Restorative can be had."

FROM THE Cleveland Plaindealer. "When people can protect their Hair from the ell-tide marks of age; when they can luxuriate in glossy black locks at an advanced period of their lives; when white and gray Hair can be made to grow upon bald heads; when all this can be done, it cannot do any harm to tell what will do it. HEINTZ'S HAIR RESTORATIVE will do it. This Hair Restorative is, beyond peradventure, the best thing of the kind ever invented. The fact of its possession, in regard to this wonderful preparation, warrants us in unqualifiedly recommending it."

FROM THE St. Louis Republican. "Many of our first citizens of Louis are speaking in glowing terms of this article."

FROM THE Cairo City Gazette. "This incomparable excellent preparation for the Restoration of Gray Hair to its original color, to preserve Hair from falling out, and to cure baldness, is now sold at Humphrey & Brown's in this city. The evidence that this Restorative is no humbug is conclusive. Testimonies to that effect may be found in almost every paper in the country."

FROM THE South Western Baptist. "Leave dyes alone, and use only some reliable Restorative, like Heintz's Inimitable. Sold every where—Price 50c and \$1 per bottle. W. E. HIGAN & Co., Proprietors, Troy N. Y."

THE PERFECT MELODEON. In every desirable quality necessary for a superior instrument, the Perfect Melodeon is unsurpassed.

At all the principal Fairs in the State during the last two years, the Perfect Melodeon has been awarded the HIGHEST PRIZE.

For power, purity and evenness of tone and promptness of touch. The Base Damper for which we have recently obtained Letters Patent, is meeting with universal approbation and is considered indispensable by all who have used it, and become familiar with its beautiful effect.

We have also just patented another valuable improvement called the Harmonic Attachment, by which the power of the instrument is doubled, without increasing its size, or the number of reeds. The value of this invention for church instruments can hardly be estimated; and for parlor use, instruments with this attachment have no equal, as the softest passages of music may be performed upon them with the utmost delicacy.
