BLAKE, Assistant. Miss E. J. NORRIS, Teacher of Primary Department. WILBUR F. WHITPLE, Teacher of Music. ABEL T. WAY, Teacher of Penmanship.

The school is situated in the pleasant and thriving village of South Hardwick, easy of access, and surrounded by an intelligent community.

Particular attention will be given to those who wish to pursue a Classical Course, preparatory to entering College. It will be the aim of the teachers to teach, not isolate facts, but principles and their relations to each other; to teach practical knowledge, that the student may not go out into life like the hooded messenger of the Savaun, but with his knowledge classified and arranged, so that he may know how, when and where it is to be called into use.

The best manner of teaching the different branches will be discussed in a class formed for the benefit of those intending to teach.

The Piano, Harmony and Thorough Bass will be thoroughly taught, and vocal music will be a daily exercise in school.

The debating society will give a good opportunity for speaking and acting, both to Ladies and Gentlemen. Lectures will be given by the Principal upon the different branches pursued during the term.

Rooms for self-boarders one dollar per week. For Rooms or Board apply to the Principal. South Hardwick, July 29, 1861. E. B. GUYER, Sec.

"USE THE BEST!"

MRS. WILSON'S HAIR REGENERATOR.

The Regenerator is put up in two sizes, and retails for 50 cents for pint bottles, and \$1 for quart bottles. The quart bottles are much the cheapest.

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliable and well known people. MESSRS. HENRY P. WILSON & Co.—My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied, does not soil in the least, has no disagreeable odor, increases the growth of the hair, prevents it falling off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. Respectfully, &c. Rev. JACOB STEVENS, Newburyport, Ms.

"I like the Hair Regenerator and Dressing very much." Rev. Geo. W. WOODS, Hartford, Ct.

"I unhesitatingly pronounce it an invaluable article from the effect on my own head." S. A. HILL, wife of Rev. Henry Hill, Manchester, N. H.

"It rendered my hair soft and glossy." MISSY PARBAR, Saratoga Springs, N. Y.

"I feel confident that it operates so as to dye, but to restore the roots to their natural healthy state." REV. E. M. KELLOGG, Nashua, N. H.

"I most cheerfully recommend it to all persons." REV. C. RUSSELL, Littleton, N. H.

November 1. MESSRS. HENRY P. WILSON & Co.: I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dressing are the best hair preparations now in use. I shall continue to use them with pleasure. Rev. H. H. HARTWELL, Lawrence, Mass.

November. MESSRS. HENRY P. WILSON & Co.: I have used your Hair Regenerator and Hair Dressing and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable itching of the head, or humors, or to those whose hair is falling from the head. Rev. G. W. H. CLARK, Great Falls, N. H.

MESSRS. HENRY P. WILSON & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, cure entirely the most painful headache—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits. Rev. HENRY HILL, Manchester, N. H.

MRS. WILSON'S COCOA-NUT OIL HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts. per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lustrous in color and healthy. Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

Manufactured and sold at wholesale by Henry P. Wilson & Co., Manchester, N. H., to whom all letters should be addressed.

THE ONLY DISCOVERY WORTHY OF ANY CONFIDENCE FOR THE BALD AND GRAY!

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to his restorative. Read the following: Bath, Maine, April 18th 1859.

Prof. O. J. Wood & Co. Gentl: The letter I wrote you in 1859, concerning your Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous inquiries touching the facts in the case. The inquiries are, first, is it a fact of my habitation and name, as stated in your communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and will answer invariably yes. My hair is clean, better than in any stage of my life for forty years past, more soft, thicker and better colored; the same is true of my whiskers, and the only cause why it is not generally true is that the substance is washed off by frequent ablution of the face when it were used by wiping the face, in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has no doubt been largely imitated and used, not only without any good result, but with a bad one, and yet my hair is as good as ever, and hundreds have exclaimed with surprise, as I am now 61 years old and not a gray hair in my head, or on my neck, and to prove the fact I send you a lock of my hair, taken off the past week. I received your favor of two quart bottles last summer for which I am very grateful; I gave it to my friends and they were induced to buy it, and many were sceptical until after trial, and then purchased and used it with universal success. I will ask as a favor, that you send me a test by which I can discover fraud in the Restorative sold by many. I fear with any good result, after using every kind of Restorative except, but without success, and finding my head nearly bald, I was finally induced to try a bottle of your Hair Restorative. Now candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will then for the sake of recommending this valuable remedy to all who may feel the necessity of it, respectfully yours, REV. S. ALLEN BROCK. P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited—but if you think it will place another in the rest, insert it if you wish; I do not destroy, and say nothing.

Yours, &c. Rev. S. A. B. The Restorative is put up in bottles of three sizes, viz. large medium, and small; the small holds a pint and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion to the small retail for two dollars per bottle; the large holds a quart, 10 per cent. more in proportion and retails for a dollar. J. W. OGDEN & Co. Proprietors, 411 Broadway, New York, and 114 Market Street, St. Louis, Mo. And sold by all good Druggists and Fancy Goods Dealers.

Prof. O. J. Wood: Dear Sir:—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using a bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my head nearly bald, I was finally induced to try a bottle of your Hair Restorative. Now candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will then for the sake of recommending this valuable remedy to all who may feel the necessity of it, respectfully yours, REV. S. ALLEN BROCK. P. Yours, &c. Rev. S. A. B. The Restorative is put up in bottles of three sizes, viz. large medium, and small; the small holds a pint and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion to the small retail for two dollars per bottle; the large holds a quart, 10 per cent. more in proportion and retails for a dollar. WHITE PINE COMPOUND.

THE following testimonials will tell something about this medicine, that is now becoming popular faster than any other article sold by druggists. Rev. J. K. Chase, of Rumney, N. H., under date of April 14th, 1860 says—"When your favor, two bottles of White Pine Compound, was received, I was suffering from a most severe cold, and the cough accompanying it was able to prevent me from preaching in two days. I believe the compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become acquainted with it. It may be given to children with perfect safety." At Westfield, Vt. Mr. J. W. Poland, writes—"I have been afflicted with Rheumatism for twenty years, and was entirely cured by the use of two bottles of Gardiner's Rheumatic and Neuralgia Compound. Some of my friends have been cured by the use of this compound. The Rheumatic and Neuralgia Compound has been taken by hundreds of people for the cure of Rheumatism with great benefit. It may be given to children with perfect safety." At Westfield, Vt. Mr. J. W. Fire back protected by soap-stone, so it cannot burn out. In addition to the above improvements, it has all that is combined in other first class stoves, viz.—Hot water Register, Warming Closet, Roaster in front, Baker on top, Doors lined with best Russia Iron, &c. &c. Further, this stove is warranted to do the work with as little fuel as any other stove in the market, and in a superior manner. All who want a first class stove, should never buy until they can see the GOOD SAMARITAN, as they have in every instance given satisfaction. I am the exclusive agent for the sale of this Stove in Montpelier, and sell it on trial for any reasonable length of time; so all are safe in buying. I have also an assortment of Common Stoves on hand as any other dealer in Washington County, and sell as low as any one in the State. D. DEWEY. Montpelier, Dec. 10, 1860.

An important improvement in the application
