

AT THE 'VILLE.

Probably never in the history of Lyndon has political enthusiasm run higher than during the present campaign. Of course the chief interest centers in the town representative contest between Dr. L. W. Hubbard, republican, and J. Mcigs Weeks, democrat. The former, it will be remembered, defeated the high-license local option candidate in the republican caucus. Mr. Weeks is the present town representative and has practically the unanimous support of this party, and will have the votes of many extreme high-license advocates in the republican party. Dr. Hubbard and Mr. Weeks are both residents of Lyndon Center and both are highly regarded by their fellow townsmen. Dr. Hubbard has represented the town, has served as county senator, and has never been beaten in a political fight. He stands on the republican platform. The bulk of the supporters on both sides are claiming a victory for their candidate, but among the shrewder politicians of both parties there is a strong element of doubt as to whom the winner shall be. There is also great doubt about the outcome of the state and county campaigns. There is a strong element of feeling here in Lyndonville and the better also has supporters in other parts of the town. Lyndonville is the only town in the Lyndon county to send a delegate to the state convention, but at the Lyndon men failed to carry the town representative caucus must be taken into consideration. The county tickets will probably share the fate of the state tickets whatever that may be. All in all the outcome all around is at this writing a matter of great doubt and will probably remain so until next Tuesday.

Another Rally. The republicans have arranged for a grand closing rally to be held in Music Hall, Thursday evening, at which Congressman Kittredge Haskins, of Brattleboro, and Hon. Roger W. Hubbard of Hyde Park will speak. Mr. Haskins is well known in all Vermont as a man who has something to say and says it, and Mr. Hubbard is the young lawyer who became famous throughout the state two years ago through his eloquent nomination of Carroll S. Page for congressman in the first district convention. Before the rally the Lyndonville Band will give one of their delightful concerts the moonlight excursion down Lake Memphremagog having been postponed because of the rally.

It is understood that a Clement rally will be held next Monday night.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free. Address, F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c. Hall's Family Pills are the best.

Only a Bunk.

Many are not being benefited by the summer vacation as they should be. Now, notwithstanding much outdoor life, they are little if any stronger than they were. The tan on their faces is darker and makes them look healthier, but it is not a mask. They are still nervous, easily tired, upset by trifles, and they do not eat nor sleep well. What they need is what tones the nerves, perfects digestion, creates appetite, and makes sleep refreshing, and that is Hood's Sarsaparilla. Pupils and teachers generally will find the chief purpose of the vacation best subserved by this great medicine which, as we know, "builds up the whole system."
