Woman Suffragists.

The Vermont Woman's Suffrage association held its 22nd annual meeting in the First Baptist Church at Brattleboro, Wednesday and Thursday. The address of welcome was made by Rev. George B. Lawson, pastor of the church. Greetings were extended by Rev. Frank L. Massek, pastor of the Universalist church, and a response was made by Mrs. G. E. Davidson, of Newfane. Mrs. Julia A. Pierce, of Rochester, gave her annual address, and the evening session closed with a brief address by Henry B. Blackwell of Boston. Mr. Blackwell has attended every annual meeting of the Vermont association. The officers elected were: President, James Hutchins Moore of Barre; secretary, Mrs. Mary E. Tucker of Brattleboro; auditor, Mrs. A. C. Ware of Brattleboro. A special committee consisting of the president, secretary, and the Rev. Verdi M. Mack of Gaysville, was appointed to secure, if possible, the right to vote at the next presidential election. The report of the secretary showed a membership of 108, a gain of 19 during the year. Thursday afternoon, "Woman's Right Under the Law" was discussed by Miss Eliza S. Eaton. There was an address by Rev. E. M. H. Abbott. Memorial services for Miss Susan B. Anthony were held and addresses were delivered by H. B. Blackwell, Rev. T. E. Adams, Rev. Verdi M. Mack and others. Thursday evening "Municipal Suffrage in Vermont Legislation," was presented by George W. Pierce, Dr. Henry O. Holton and an address was made by Henry B. Blackwell.

**Electric Medical Society.**  
At the annual meeting of the Vermont Electric Medical society at Montpelier last week the following officers were elected: President, J. W. Marsh, M. D., Manchester; center vice presidents, Geo. W. Fish, M. D., Cuttingsville, A. E. Parlin, M. D., Barton Landing, H. M. Waite, M. D., Johnson; secretary, P. L. Templeton, M. D., Montpelier; treasurer and librarian, H. E. Templeton, M. D., Montpelier; J. B. H. Cushing, M. D., East Charleston, A. E. Parlin, M. D., Barton Landing. It was voted to omit the dues and interest on money in the treasury. The president appointed the following delegates: Dr. H. W. Waite to Electric Medical college and society of New York; Dr. G. C. Washburne to Rhode Island society; Dr. A. E. Parlin to Connecticut society; J. B. Cushman to Massachusetts society; Dr. P. L. Templeton New Hampshire meeting.

**Eighty-Seven Dollar Fine.**  
Daniel Phelps, a young desperado who attempted to run a locomotive out of the railroad yard at Bennington, one night last winter, who tried to escape from Bennington county jail by digging a hole in the wall while awaiting trial, and who was sent to the house of correction at Rutland, where he made another attempt to escape, is now at liberty. After serving a term for intoxication in the house of correction Phelps was taken to Bennington, and tried and convicted of attempted theft and jail breaking, and was fined \$87 for the two offenses. Last week his father came from North Adams, Mass., paid the amount of the fine and Phelps was released. Officers at North Adams are on the lookout for Phelps for stealing a load of hay.

**Dr. Read's Case.**  
The case against Dr. H. H. Read of Selburne, for cruelty to a horse, which has aroused national interest because of the prominence of the defendant's wife, Mrs. Ida B. Read, state president for Vermont of the Woman's Christian Temperance union, and which, for a like reason, has caused widespread discussion and controversy throughout this state, came to a hearing in city court at Burlington, last week Monday morning, when Dr. Read was convicted of the alleged crime and fined \$20 and costs. An appeal was taken to county court. Bail was fixed at \$200. No credit was put in by the defendant. The costs in the case amount to \$30.77, thus being \$10.77 larger than the fine. The alternate sentence in case the fine and costs were not paid would be 186 days in the House of Correction.

**Vermont at Sea Girt.**  
The war department has been advised that the facilities at the target range at Sea Girt have been improved by the addition of 40 Aiken targets, an invention of an Illinois militia marksman. This adds much to the advantages of Sea Girt, where the big national rifle match will be held in September, and for which the rifle team of the state troops, the army, navy and marine corps, are now in training. There are indications that the coming match will be the largest ever held in this country. More teams will be represented than ever before. The army will send at least two teams and the navy marine corps will each be represented by one team. Neither the Military nor the Naval academy will be represented. The executive officer of the match will be Col. Peter S. Bombs of the 6th cavalry.

**Diocesan Convention.**  
The 116th annual convention of the Episcopal diocese of Vermont is to be held at the Church of the Good Shepherd in Barre, Thursday and Friday, June 21 and 22. The convention will organize at 8:30 Thursday morning and the opening service, the celebration of the holy communion will be held at 9 o'clock. The offerings at this service will be for the needs of the church in San Francisco. The annual address of the Rt. Rev. A. C. A. Hall, bishop of the diocese, will be given in the church at eleven o'clock. The evening service on Thursday will be chiefly devoted to the consideration of the missionary work of the diocese. On Wednesday evening, June 20, there will be a service at eight o'clock with a sermon by Rev. W. Stanley Emory of Tilton, N. H.

**Boston Vermonters.**  
The Vermont Association of Boston has planned an excursion to the home state on Aug. 14, to participate in Old Home week exercises. The party will go to Northfield first to assist in the dedication of the library given by George W. Brown, a member of the association. Then the members will proceed to Burlington and will enjoy a day on the lake. On the 16th they will go to their respective old home celebrations and family reunions. The committee in charge is composed of the following: President, Nelson L. Sheldon, Charles H. Bradley, Dr. Giles W. Bryant, Henry O. Houghton, Arthur L. Robinson, Addison O. Denny and William Craig.

Star at Ensbury Falls, last week. The report of the treasurer showed a balance of \$3400 in the treasury and \$1700 in the Home fund. There are 59 chapters in Vermont, a gain of five during the year. The total membership is 5005, a gain of 371 for the year. The first chapter of Eastern Star in Vermont was organized December 22, 1868, in Bennington.

A reception was held in Masonic hall, Tuesday evening, in honor of the grand officers, and other guests. This was followed by the exemplification of ritualistic work in opera hall by Missisquoi Chapter, No. 51, of Richford, followed by the "Addenda of the Pilgrims." Another general reception was then held, Wednesday morning, the address of welcome was given by Mrs. J. M. Jeffords, worthy matron of Martha Washington chapter. That chapter also took charge of the work and addresses were given by Grand Patron Dr. F. G. Pettre, of Brattleboro, and Grand Matron, Mrs. Willis E. Griswold of Springfield. Visiting delegates then gave brief descriptions of Eastern Star work in each state of the United States in which it is represented. All but four of the officers of the grand chapter were present at the meeting.

consisted of four or five boxes of crackers and a six pound box of dried beef.  
Nelson B. Tewksbury, postmaster and the only merchant of Newbury Centre, died on Wednesday as the result of an overdose of laudanum. He was a 63 year old of the Civil War and was about 63 years of age. He was a native of Newbury and commenced trade in the Centre about 1868. He had been postmaster ever since. In politics he was a Democrat. Some five years ago he received \$15,000 from the estate of a sister who died in Waterloo, P. Q.  
The store and residence of James F. Smith in Woodford was entered by burglars at an early hour Friday morning. Mr. Smith was awakened by what he thought was a door slamming, and going down stairs found the front door open, the store open, the money drawer opened, and about \$4 gone, some cigars, food, etc. Entrance was gained by cutting out a large pane of glass from a front window and reaching through, opening the door, a screwdriver and a gauge taken from a nearby shop being left behind. The burglars cut the telephone wire leading to the house.

**Protect Your Vitality.**  
W. B. Eastman's Sensible Advice to Take Care of the Digestion.  
Did you ever stop to think of the duty that you owe to yourself and to your family to protect your vitality, so that your powers may be always at their best?  
Just consider yourself a wonderful and complicated machine, perpetually working and wearing out.  
The vital part of the human machine is the stomach. When it is strong and acts naturally, so that digestion is perfect and the food that furnishes our steam-power is stimulated, and the waste properly removed, then we can do our best work and get the most enjoyment out of life.  
On the other hand, if the stomach gives out, all the vital organs will soon become weakened and diseased. There will be headaches, back aches, pains in the sides and limbs, specks before the eyes, loss of appetite, sleeplessness, weakness and debility.  
W. B. Eastman very sensibly advises people to take care of the digestion by strengthening the stomach with Mifona tablets, a remedy which absolutely guarantees a positive cure for all stomach troubles, except cancer of the stomach, and sells it with the understanding that it costs nothing unless it cures.

**World's Champion Cow**  
The Guernsey cow here illustrated has proven herself the biggest butter producer in the world. This letter tells the story.  
"Milwaukee, Wis., Feb. 12, 1906. My Guernsey cow, Yeksa Sunbeam, No. 13439, holds the World's record for a yearly butter-fat production, having made in a year 857.15 pounds of butter-fat. She also made 14920.8 pounds of milk testing 5.75 per cent fat; this is the largest amount of milk produced in a year by any Guernsey cow.  
The butter exhibited from my farm was awarded FIRST PRIZE over all at the State Dairywomen's Convention at Waukesha, Wis., scoring 97 1/4 points.  
I use the United States Cream Separator, of which I have three on as many farms. FRED RIETBROEK."
