Mrs. L. L. Shackford and Mrs. Jethro Lillierap and children were at Lyndon, Saturday, to attend a birthday anniversary of Mrs. Shackford's brother, Wallace Houghton.

Miss Edith Howard entertained Miss Bertha Daniels of Waterford at her home over Sunday.

KEEP A SPECIALIST ALWAYS IN YOUR HOME.

It can be done at a small cost if you happen to need the services of a specialist in diseases for which the following remedies are prescribed. With the exception of Elliott's Emulsified Oil Liniment, every one of them is compounded from Prescriptions of some of the best Specialists in the United States.

Rydale's Stomach Tablets

For indigestion and dyspepsia, are compounded from the prescription of a man who has made a life-long study of the digestive organs. They are not a purely artificial digestant that relieves only temporarily, but are a combination of the best drugs known for their tonic effect upon the stomach and digestive organs.

Rydale's Liver Tablets

are made from the prescription of a professor in an Ohio medical college and are especially recommended where there is a catarrhal condition of the stomach, bile, ducts or bowels. They are the pleasantest liver medicine on earth to be as effective and powerful as they are.

Rydale's TONIC

is the acme of perfection in medicine as a nerve and blood tonic. In combination with other very valuable medicinal agents it contains iron, quinine and strychnine, and nothing has ever been discovered yet that would tone and build up a run-down system quicker or better than this combination of remedies.

Rydale's Cough Elixir

The prescription for Rydale's Cough Elixir was secured in western North Carolina near Asheville, where so many persons with lung trouble go. It will not and can not cure consumption, but for coughs, colds and bronchial troubles it never fails to benefit or cure. If it does not you get your money back.

Elliott's Emulsified Oil Liniment

is not a prescription of a specialist, but an emulsion of kerosene oil, spirits turpentine, origanum, ether and ammonia. By a machinery process the oil globules are broken up into minute particles and rendered very penetrating, being quickly absorbed. It is as fine a formula for man or beast as medicine can produce.

Barney's COMPOUND

is another preparation for stomach troubles. It is impossible for one remedy to cure all forms of dyspepsia, for the reason that some people have too much acid in their stomachs, while others do not have enough. It is a physical impossibility for the same remedy to relieve both of those conditions.

EVERY ONE OF THE ABOVE REMEDIES CONFORM TO THE REQUIREMENTS OF THE PURE FOOD AND DRUG LAW

If you are sick and do not know what your trouble is go to a good doctor at once. If, however, you know your trouble to be one for which the above remedies are recommended give the remedy a trial. You will get the best that medicine can produce, and your money back in case you receive no benefit from it's use.

REMEMBER: These Remedies Are Not For Incurable Diseases; but that all Dealers are Authorized to Refund Your Money if You Receive No Benefit after taking any of them according to directions for troubles for which they are recommended.

SOLD AND GUARANTEED BY CHARLES A. SEARLES & CO., Prop'rs, St. Johnsbury, Vermont.
