TOWN MEETING

Much Business Put Over To Adjourned Meeting—Repairing School Houses Favored.

The annual March meeting yesterday was one of unusual interest but some of the important business was left over to a adjourned meeting to be held at two o'clock in the afternoon of June 28 when the matter of fixing tax rates will be voted on. This was deemed wise as it could not be determined under the new tax law how great the grand list will be. The question that aroused the greatest interest, that of additional school facilities, was finally decided at a special town meeting to be held at two o'clock on Thursday, March 20. This was made necessary because the school directors believed the voters favored the repairing and enlargement of the Summer street school buildings rather than the construction of a new building on the Howe lot and the warning did not provide for the appropriation of money for this purpose.

The school directors were right in their judgment of public opinion because after a long and heated debate the meeting voted that it was the sense of the meeting that the repairing and enlargement of the Summer street school buildings should be substituted for the proposal to build a new school building on the Howe lot. The special meeting to be held on March 20 will be to see if the town will vote to make these changes at a cost not to exceed \$30,000 and purchase the lot north of the Maple street school at a cost not to exceed \$100.

The sum of \$150 was voted for the observance of Memorial Day, \$200 for the support of the district nurse and it was voted that it was the sense of the voters that the school directors should provide vacation schools where the delinquent pupils might make up their work and be promoted to an advanced grade for the coming school year.

On the license question the town voted yes, 413; no, 510; on the question of fifth class license the vote was yes, 247, no 450.

All the proposed amendments to the state constitution were adopted the largest vote on a proposal being 629 yes and 16 no.

All the town officers were elected by votes ranging from 729 to 774. They are: Moderator, John Rickaby town clerk, treasurer and trustee of public money, Charles G. Bralley; constable and collector of delinquent taxes, Preston E. May; selectman, W. F. Welch; lister, E. G. Asselin; overseer of the poor, W. H. H. Robie; auditors, H. H. Carr, J. F. Puffer and Roy N. Howard; school commissioner, A. J. Higgins; road commissioner, Fred Hawkins; town grand jurors, J. B. Campbell and H. H. Carr; county grand jurors, Charles Ranney, U. G. Goss, S. D. Atwood and Henry Boynton; petit jurors, Edwin A. Gray, Alben Underwood, Seth L. Grant, R. A. Cramer, George Wheeler, D. P. Coveny, W. A. Dow, D. A. Houghton, C. B. Weeks, Charles Salmon, W. I. Sawyer, M. H. Coleman, W. J. Crofton, A. R. Aiken and F. N. Brown.

21ST ANNIVERSARY

Woman's Club Celebrated Birthday By Luncheon Yesterday—Speeches by Ex-Officials.

When it was decided that the St. Johnsbury Woman's club observe its 21st birthday in fitting manner and the details were left to the ex-presidents of the club it was felt that something out of the ordinary must be found for the program of the day. The delightful luncheon to which 150 ladies, some members of the club and some guests, sat down at half past one yesterday was surely "out of the ordinary" and an event which will go down in the annals of the club as a red letter day. The tables and hall were decorated for the occasion with evergreen sprays and tiny evergreen trees in green pots. At every place were cards bearing the Vermont flower, the clover, while the favors were tiny candle sticks with red candles. After grace had been said by Mrs. Rebecca P. Fairbanks a simple luncheon of grape fruit, chicken patties, potato croquettes, peas, orange sherbet, fancy cakes and coffee was served by the social committee under the direction of Mrs. Mary Somerville.

Following the luncheon all gathered in the main hall for the post prandial. First all watched with interest the lighting of a birthday cake by Mrs. P. F. Hazen. This was a three layer cake which was placed on a small table and gracefully decorated with smilax. The cake was the inspiration of a member of the club and one of the prettiest things of the day. A piece of the cake and a pink rose were presented to each ex-president while the toastmistress, the present president, Mrs. George M. Gray, received a bunch of violets.

The club was given a wish for each year of its life by the following members: Mrs. M. G. Benedict, Mrs. Edward Peterson, Mrs. C. C. Flint, Mrs. L. P. Slack, Mrs. Frank Miner, Mrs. L. V. Hastings, Mrs. Z. S. Waterman, Mrs. Bernard Johnson, Mrs. W. V. Orcutt, Mrs. H. F. Balch, Miss Sarah Carrick, Mrs. E. H. Gaskill, Mrs. Fred Beck, Mrs. W. G. Ricker, Mrs. F. H. Taylor, Mrs. W. L. Heath, Mrs. C. V. Perry, Mrs. A. F. Stone, Miss Mary E. Ide.

The Toasts

The first toast "Our First Birthday" responded to by Mrs. Elisha May who was the club's second president and is the oldest living president. She paid loving tribute to the first president of the club, Mrs. Helen D. Ross and also told how much the club owed to H. N. Turner, who as president of the board of trade suggested the club and all through his life was of great help to the club both financially and by his interest. She spoke of the fund given by A. H. McLeod in memory of his wife and of other gifts the club has received.

In response to the toast "In Memoriam" a paper by Miss Lucy M. Sinclair was read by Mrs. C. H. Merrill. She spoke of the 53 members 20 of them charter members, whose loss the club mourns and spoke particularly of Mrs. Ross, Mrs. Lucy Bailey, Mrs. L. M. Cushman, Miss Carrie Underwood, Mrs. Mira Fairbanks Blodgett, Mrs. Edith Hovey Moore, Mrs. Elizabeth Jewett, Mrs. Anna Trainor, Mrs. Charlotte A. H. Thompson, Mrs. Orinda Hazen, Mrs. Olive Howard, Mrs. Ellen Pike, Mrs. Abi Chaffee, Mrs. Sarah F. Stone and Mrs. Mary Fairbanks.

While the club showed its respect for the dead by standing Miss Helen Boynton played "O Paradise" on the violin and the roll was read by Mrs. Merrill.

NEW PIANO FOR MASONS

Valuable Instrument Presented by A. L. Bailey to Passumpsic Lodge

A large number of masons and members of the Eastern Star gathered at the Masonic Temple Monday evening at the invitation of C. A. Calderwood, who in giving the invitations had promised some good news. At Mr. Calderwood's invitation the party went to the lodge room and the secret was in evidence although covered with a very fine leather covering. Mr. Calderwood made a few opening remarks and introduced A. L. Bailey.

Mr. Bailey expressed his pleasure at being able to visit the lodge room and to inspect the interior of the magnificent home of the masons of St. Johnsbury and after thanking the masons for their courtesy said it was a pleasure to him to present the beautiful new piano placed in the room which could speak for itself.

The piano is an Ivers and Pond piano in a fine hand carved mahogany case and was purchased by Mr. Bailey especially for the lodge. B. Frank Harris played two selections to show the fine quality of the instrument.

Then Mr. Calderwood thanked Mr. Bailey in behalf of the lodge and introduced Mrs. George Story, who in a few remarks presented as a memorial to her late husband the magnificent Saxony rug and pedestal in the reading room of the temple. In expressing the thanks of the lodge to Mrs. Story, Mr. Calderwood paid a high tribute to her late husband.

Harold O. French then sang two bass solos and Mrs. B. E. Doyle read two selections. The party then repaired to the dining room where light refreshments were served.

WONDER WHY IT IS?

For the last four weeks I have had an advertisement in the Caledonian, offering Forty dollars for four weeks work while learning a clean legitimate trade and Fifteen Dollars a week thereafter.

I doubt if there is a person in the state that pays his bills any prompter than I do and I have never made a contract in my life that was not lived up to the dot. The Industrial Companies seem to be able to hire all the help they desire at a less figure than I offer and if I am informed correctly, they have to work night and day to hold the job.

I have had just one application or inquiry in regard to my offer by mail and the general appearance and wording of this letter, did not appeal to me favorably. I want men in all the principal places in Vermont and northern N. H. and would say that for such men that can furnish a satisfactory Bond for the faithful discharge of the financial end of such a contract, the offer still holds open. After eight weeks work under such a contract, I will give anyone that makes good, another contract on the commission basis if desired, where they ought to be able to make double or treble the amount promised. Let me hear from you.

The Last Call!

For orders for FORD CARS. The tide has changed. We have sold 37 this winter and can only get 23 more. If your order is among the 37 you are on the safe side; if not you would be wise in getting in in the last 23 as when they are sold our Ford business will be over for this year.

We have a large territory and 23 Fords will not go very far. Follow the advice of the wise bird if you expect to drive a Ford this year.

We will be at the Boston Show next week.
