It is true that women more frequently suffer from kidney trouble than men. It is also true they suffer more intensely, owing to their more sensitive organism. Katherine L. Norton, New Bedford, Mass., says: "I had a terrible pain across my back, with a burning and scalding feeling. I took Foley Kidney Pills as advised, with results certain and sure. The pain and burning feeling left me, I felt toned up and invigorated. I am glad to recommend Foley Kidney Pills." They are gentle in action, quick in results. C. C. Bingham. Adv.

**As a Shampoo**

**CARBONOL**

THE scalp gives off a certain amount of oil to which the dirt clings. Carbonol when used as a shampoo (a teaspoonful to a basin of water) dissolves this oil without any injury to the scalp or hair, loosens the dirt and makes possible a thorough and satisfactory cleaning.

The hair instead of being unruly after the shampoo will comb easily and smoothly and be improved in appearance.

Carbonol is the easiest kind of shampoo to use because you simply put a dash of it into the water and then wash with it.

Carbonol has a thousand other personal and household uses. It is a disinfectant and as such will kill germs anywhere. When mixed with the water used in housecleaning, it dissolves grease and makes all sorts of cleaning operations easier and more effective. You can buy it from your druggist in 10, 25 and 50 cent bottles. Free sample will be sent on request.
