BULLETIN NO. 2

WHY GO TO CHURCH?
5 REASONS 5

I. For the Church's Sake. The very establishment of our country is due to the Church. The Mayflower sailed in search of religious liberty. In patriotism you owe it to the Church to support it, and it is not enough to give money.

II. For the community's Sake. The town without a church would not be one where you would buy a home. Would there be one here if every one supported it the way you do?

III. For the Children's Sake. He is a poor stick who wants his boy to be a better man than he is but who is not as good as his own father. Example weighs more than precept. You can say "go" but if you do not yourself—what are you?

IV. For your Own Soul's Sake. The man who neglects the spiritual side of his nature makes the greatest of errors. He may have money in the bank, but he himself will always be poor in all that counts most.

V. For God's Sake. Leaving out of consideration what God has done for you, who ever you may be, you can always be of use to God. He carries on His work through men—poor things though they are. And you can be of use to Him. In fact He needs you more than the Church needs your help or your money.

Ask Yourself
What sort of a church would my church be if every body was just like me?

Watch this space. It is reserved in the interests of no one church, but of the great Church Universal of which all are a part.
