WOOD AND TIMBER FARMS! The "back to the soil" movement is creating an increasing demand for farm properties, but when selecting a farm home you not secure one with a wood and timber crop that will more than pay for it? I have several of this most desirable kind, where you can cut off wood and timber and pay for the place and have a good farm left. However, you can have anything in the farm line you want, acreage, location, price or terms, and a continually increasing assortment to select from. Cottage and general work with boys of course, village residences, tenement blocks and building lots. Farms to exchange for village properties, and vice versa. Don't make a move until you see what I can do to help you! HARRIS, over post office, St. Johnsbury.
