**MAKES BACKACHE QUICKLY DISAPPEAR**  
**A Few Doses Relieves All Such Miseries. Bladder Weakness, Kidney Trouble and Rheumatism Promptly Vanish**  
 It is no longer necessary for any one to suffer with backaching, kidney trouble, have disagreeable bladder and urinary disorders to contend with, or be tortured with rheumatism, stiff joints, and its heart-wrenching pains, for the new discovery, Croxone, quickly and surely relieves all such troubles.  
 Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.  
 It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys sift out and filter away, all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy and well.  
 It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.  
 If you suffer with pains in your back and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired, and run down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.

**Colonial Prepared Paint**  
**A PAINT FOR EVERY USE**  
 When introduced more than a score of years ago, Colonial Paints immediately inaugurated a new era in the paint industry and their influence in uplifting paint standards has been constantly increasing.  
 Colonial Paints are strictly honest paints down to the smallest particular. No adulterants of any kind are used.  
 The ingredients are Pure Linseed Oil, Pure White Lead and Pure Oxide of Zinc.  
 These are ground and amalgamated by modern machinery in the most scientific manner—everything in the way of perfected equipment is utilized in the manufacture of Colonial Paints. By means of a succession of grindings in special mills of our own design, we bring the different ingredients together in the most intimate relations and develop the richest coloring tone.  
 Colonial House Paint comes in upwards of forty different shades and colors. There are Colonial Paints for every use—inside and outside. Ask the Colonial dealer for Color Card.  
 Here let us say incidentally that we carry the largest line of paints and varnishes between Burlington and Portland or between Boston and Montreal. We ought to be able to supply your wants in that line.  
 Now is the time to buy Pittsburg Perfect Fence, most people don't need to be told of this, maybe you do. All kinds here, Field, Hog and Poultry.  
**TIME TELLS**
