"The Shepherd of the Hills" at the Colonial Saturday Night. "The Shepherd of the Hills" which comes to the Colonial on Saturday night, September 19, and matinee, is a dramatization of Harold Bell Wright's novel, the dramatization having been made by Mr. Wright and Elshery W. Reynolds.

"The Shepherd of the Hills" is an intensely spellbinding story of love, mystery and heroic daring; it gets a grip on life and brings peace to the soul of any man or woman who reads it. You will ask of this story, "Are the characters in this play real people? Does the old shepherd live only in the pages of the book or on the stage? Is there a Sammy Lane and Young Matt? You will say they are all very familiar, and you seem somehow to have known them a long time.

That inspiration of the old shepherd and his friends will come to you; also as you follow the old trail that is, nobody knows how old.
