The program was then left in the charge of Mrs. John W. Titcomb, chairman of the Art Committee. Gage, now of Georgetown, Mass. and occupied by Henry Blodgett's people down stairs, and by Mr. and Mrs. Eddie Phillips up stairs. The fire started in the up-stairs tenement, Mr. and Mrs. Phillips having been gone for a week. It gained great headway before the alarm was given, but as soon as the firemen arrived they went to work and in a short time had it under control. Mr. Blodgett's furniture was nearly all burned but Mr. Blodgett's people removed most of theirs. The barn is practically intact but most of the interior of the house was destroyed. The origin of the fire is a mystery, unless it started from a defect in the wiring. Mr. Phillips, Mr. Blodgett and Mrs. Gage were all fairly well insured.

Why Us?

THE SECRET OF OUR BIG SALES

We are often asked how we get so many people into our store, and how we keep them coming. Here's the how:

There are all kinds of ICE CREAM sold in this country. Some are excellent, some good, fair, indifferent, and poor—the Cheap John kind. The first-class article will cost the merchant many times the price of the "cheap" goods, and yet as a rule there is no great difference in the price charged to the Consumer, certainly not as much as there should be.

We Purchase and Sell the First Class Article.

"Gets-It" for Corns Sure as Sunrise

New Plan. Corns Shriveled, Vanish.

Until "GETS-IT" was born nobody was ever sure of getting rid of a corn. Corn treatments nearly all contained the same ingredients, only some were liquid, some plas-

ters, some "wrappers" and some in salve form. Now comes "GETS-IT" with a new principle and a simple plan that never fails. This is why "GETS-IT" has grown in three years to be the biggest-selling corn cure the world has ever known.

There's no more need of fussing with corns, no more digging or cutting. There's nothing to press down on the corn, nothing to inflame the flesh, to "pull" the corn or cause pain. Put two drops of "GETS-IT" on in two seconds. That's all. For any corn, callus, wart or bunion.

"GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by R. Lawrence & Co., Chicago.

"GETS-IT" is sold in St. Johnsbury by C. C. BINGHAM, CHAS. SEARLES & CO., FLINT BROS.
