DON'T WASH

heavy clothes and cause serious injury to your back and catch cold from the steam. It's a mistaken idea of economy to do your own washing after you know about OUR LAUNDRY.

Figure your kitchen costs on wash day, your soap, your fuel, your labor and the late dinner, etc. Think of the steam in your house, your wall paper coming off, your piano and furniture getting dull, and look at the paltry 50 cents that you would give us for collecting, washing, and delivering your wash.

And Listen—During Bargain Week to further introduce our DAMP WASH we are again going to iron one dozen pieces FREE in every basket. Take advantage of this offer as it only lasts one week.

Telephone any day, every day. It's a continuous performance with us.

PROUTY AND LABOR

MR. PROUTY'S PREACHING

"It is to the condition of the toiling masses, whether working with hand or head, that our thought should turn; how to make the condition under which they work better; how to secure for them a fairer wage; how to bring it about that the worker may be better fed, better housed, better clothed, better educated, that he may live a more wholesome and self-respecting life—that is the problem."

(C. A. Prouty in speech at St. Johnsbury.

August 25, 1914.)

"Tuxedo is mild, cool and soothing—just the sort of tobacco I need. Tuxedo goes with me wherever I go."

V. Stefanesson.

GEO. RANDOLPH CHESTER
famous author

"Why shouldn't a man be willing to recommend a tobacco which gives as cool, sweet and satisfying a smoke as Tuxedo?"

Geo. Randolph Chester

J. N. MARCHAND
famous illustrator

"Fill my pipe with Tuxedo and I'm content. You can't beat Tuxedo for mildness and purity."

J. N. Marchand

There is a Great Difference in Tobaccos

Tuxedo is the Mildest, Sweetest, Most Pleasant Smoke in the World, Because—

First—No one but the makers of Tuxedo is willing to spend the money necessary to buy the mildest, choicest, most thoroughly aged, selected Burley tobacco.

Second—No one but the makers of Tuxedo knows how to treat this Burley tobacco so that every bit of pleasantness and goodness remains in the tobacco and every bit of unpleasantness and harshness is taken out.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo was born in 1904. Its first imitator appeared two years later. Since then a host of imitations have been born, and are clamoring for your patronage.

No imitation is ever as good as the original. No amount of advertising, no amount of bluster and bluff, can ever make an imitation tobacco as good as Tuxedo.

If you are not a pipe smoker, you are denying yourself the greatest smoking pleasure known to man. One week of Tuxedo will give you more enjoyment than you have ever had—and at the end of the week your nerves will be better and your general health will have improved. Try Tuxedo this week!

YOU CAN BUY TUXEDO EVERYWHERE.
