The "Single Damper" in Crawford Ranges

is the greatest improvement ever made in stoves. By one motion it regulates fire and oven—push the knob to "Kindle", "Bake", or "Check"—the range does the rest. Better than two or more dampers. Have you seen it? This Single Damper is patented—no other range has it.

The deep Ash Hod—instead of the old clumsy ash pan—with Coal Hod beside it (patented) is easy to remove—doesn't spill ashes.

Gas ovens if desired; end [single] or elevated [double].
