Any Corn, With "Gets-It" on It, Is an Absolute "Goner!"

Yes, it's the simplest thing in the world to get rid of a corn—when you use "Gets-It," the world's greatest corn-remover. Really, it's almost a pleasure to have corns just to see them

come off with "Gets-It." It just loosens the corn from the true flesh, easily, and then makes it come "clean off," 48 hours ends corns for keeps. It makes the use of tape, corn-squeezing bandages, irritating salves, knives, scissors, and razors really look ridiculous. Get rid of those corns quickly, surely, painlessly—just easily—with "Gets-It." For warts and bunions, too. It's the 20th century way.  
"Gets-It" is sold by all druggists, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago. Sold in St. Johnsbury, and recommended as the world's best corn remedy by C. C. Eingham, Chas. Seales & Co., and Flint Bros.

**THE CHRISTIAN AT THE GLOBE**

Hall Caine's Great Story to Be Produced Friday Evening.  
The Globe Theater announces the Vitagraph production of Hall Caine's superb love story, "The Christian," which will be produced Friday, August 27, with matinee at 2:00 p. m. "The Christian" is the best story every written by Hall Caine. As a novel, it gained international fame and as a drama, it brought fame to Miss Viola Allen, who appeared in its star part for eight consecutive years. It is a dramatic masterpiece even for a theater, where it was physically impossible to present many of the important scenes. These same scenes have been utilized in the picture, and the useless dialogue all eliminated, with the result that "The Christian" in its picture form is nothing less than the vital points of the exceptional literary masterpiece, beautifully photographed and produced by the world's foremost motion picture concern, The Vitagraph Co., which in itself, is a guarantee of the best that is possible in a photoplay. Such a story as "The Christian" in the hands of the Vitagraph company assures one of an exceptional motion picture classic. The universal commendation received by "The Christian" proves this value of the offering.  
Miss Edith Storey assumes the difficult part made famous by Miss Viola Allen. Miss Storey gives a wonderful impersonation, so much so that she easily proves the claim to her being the most talented artist now appearing on the screen. Earle Williams is at his best as John Storm, giving the part a powerful interpretation which has met with great praise. Miss Storey and Mr. Williams are supported by an All Star Cast of Vitagraph Players.  
Never before has the Vitagraph Co., or any other company used so many picture stars in one production. As a novel and later as a play, "The Christian" became such a tremendous vogue that a recital of its superb story is superfluous.—Adv.
