

RECENT DEATHS

Carrihan.
Mrs. Honora Carrihan died Saturday at the St. Johnsbury hospital where she had lived since the fire at St. Johnsbury East. At that time she fell and broke her hip and had been crippled since then. She was born in Ireland and must have been 96 or 97 years old. She came to Quebec when a young woman and was there married, her husband dying many years ago. When the children of Mr. and Mrs. W. F. Welch were young Mrs. Carrihan came to care for them and had lived at the Welch home much of the time since. She is survived by one brother, Frank Brown of St. Johnsbury East. Two nieces from Worcester, Mass., Mrs. Fred Johnson and Miss Annie Brown, were here to attend the funeral which was on Monday morning from St. Aloysius church. Interment was at Mount Calvary cemetery.

Nolin.
Mary Liberty, wife of Frank Nolin, died Monday evening at her home on Hastings street. She had not been feeling well for ten days, but a week before her death was with her brother, Theodore Liberty, who has been very seriously ill, and five days before the end it was decided that she had the same disease as he, pneumonia. She was born in Pleasantville, Conn., Mar. 14, 1852 and was married to Frank Nolin about 35 years ago. All her married life was spent in St. Johnsbury where she had been a loyal member of Notre Dame church. She was a member of the Ladies of St. Anne, the Altar society, and the St. John the

Baptist society. She is survived by her husband, three sons, Alexander of Montreal, Alphonse and Joseph of St. Johnsbury, one sister, Mrs. Philip Dupont of Manchester, N. H., four brothers, Theodore, Gideon, John and Jeff, and also Mr. Nolin's aged mother who makes her home with him and will feel the loss deeply. The funeral will be held on Thursday morning at nine o'clock at Notre Dame church.

Elliott.
Mary Thomas, daughter of Newton and Eliza Smith Thomas, was born at Lunenburg Oct. 10, 1840, and died at Brightbrook hospital, Mar. 20, 1916. In 1858 she was married to Hibbard C. Smith at Lisbon, N. H., and Nov. 30, 1868 she was again married at St. Johnsbury East to Uriah Elliott of Whitefield, N. H. She united with the Free Baptist church of South Wheelock in 1866 and by letter with the South church of this place in 1882. These church relationships were much prized by her. She leaves a son, Fred N. Elliott of St. Johnsbury. The funeral will be on Thursday at two o'clock at the South church.

Hunter.
Mrs. Ann Belknap Hunter was found dead on the kitchen floor in her home last Wednesday morning by Mrs. Moore who lived with her, she having died sometime during the night from apoplexy. The funeral was held Friday, the Rev. F. S. Tolman officiating. The burial was in Passumpsic in the family lot. The bearers were George Farr, David Mackey, Herbert and Claude Wolford. Ann Eliza Belknap was born in St. Johnsbury, Sept. 10, 1844, in the house she occupied till

Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Royal Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Other baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

the day of her death. She was the youngest of five children born to Amos Kimball Belknap and Sarah Barker, his wife. On the 27th of October, 1892 she married Samuel Hunter of St. Johnsbury with whom she lived until he passed away May 26, 1898. She is survived by one brother, Franklin Belknap of Sherbrooke; one sister, Mrs. Sarah J. Shoemaker of Sherbrooke; one niece, Mrs. C. G. Thompson of Sherbrooke; three nephews, Fred, Walter and Morris Belknap of Sherbrooke; two step-sons, Therna Hunbrook; two step-sons, Theror Hun-South Kirby; one step-daughter, Rose, Mrs. Walter Harvey of Concord.

Knapp.
Mrs. Jane B. Knapp, widow of Nathan F. Knapp, passed away at the home of her daughter in Providence, R. I., on Monday, Mar. 13. Mrs. Knapp was the daughter of Randall and Harriet Stevens Magoon and was born in Danville, Feb. 19, 1829. She was the oldest of a large family, only one of which, Mrs. Newell Barker, of Passumpsic survives her. Most of her life was spent in St. Johnsbury, leaving here in 1894 to make her home in Providence. One daughter, Mrs. Gordon Ellsworth Haslam of Providence survives her. The body was brought here for interment in Mt. Pleasant cemetery.

HAS EIGHT CHILDREN

Mrs. F. Rehkamp, 2404 Herman St., Covington, Ky., writes: "I have been using Foley's Honey and Tar for nearly two years and can find no better cough syrup. I have eight children and give it to all of them. They all were subject to croup from babies on." It is a safe and reliable medicine for men and women as well as children. Don't let the cough that follows grippe hang on and weaken you. It is easier to get rid of a cough or cold than of its consequences. C. BINGHAM.

NEW ENGLAND ANIMAL FERTILIZERS

FACTS Animal matter is the most natural, the most lasting and the best of all fertilizers. Organic animal fertilizers, consisting of BONE, BLOOD, MEAT and high grade chemicals are the nearest approach to this best of plant foods found in farmyard manure.

New England Animal Fertilizers feed the soil in a natural way, returning its fertility and keeping it rich and productive. They furnish the right food that makes the right kind of crops. An increase in high-grade animal matter and chemicals has taken the place of potash this year at no increase in price. This is due to the war, but scientific experiments have proven that crops in 1915 with animal fertilizers did not suffer from the lack of potash.

Your samples without potash were received late this Spring and I had planted my corn, but I used your no-potash fertilizer and the yield was 16 1/2 bushels more than a plot of the same size under the same conditions with 45 bushels fertilizer. The sample containing 55 ammonia and 10% available phosphoric acid gave 1500 more yield than on the land planted without fertilizer. On field now I had a most satisfactory yield from using your fertilizer containing 55 ammonia and 10% available phosphoric acid.

My strong opinion is that all three grades you sent me will prove satisfactory without any potash for perhaps two or three seasons. (Signed) CHAS. H. RICH, Hadley, Conn.
