

LOCAL GATHERINGS

The bar and jury outing that was to have taken place Wednesday at Judge Dole's farm in Danville has been postponed. A large number were planning to attend but have up hope with only one at the weather Wednesday morning. An auto trip to the White Mountains by the members of the bar was then planned, but that too had to be given up because of the continued rain. The banquet that was to take the place of the other outings was also postponed, and it is planned to hold it some time in the first part of September.

Among outings that were spoiled because of the rain Wednesday was the picnic of the Women's Relief Corps to have been held at St. Johnsbury Center. A large number of members of the corps from this and other towns were planning for an enjoyable day. Members of the G. A. R. posts of surrounding towns intended to join with the local orders in making the affair a success and many were disappointed. The picnic has been postponed.

The inauguration of Pres. Hopkins of Dartmouth is of interest to St. Johnsbury people from the fact that the committee of arrangements consists of Gen. Frank G. Streeter of Concord, N. H., a native of St. Johnsbury, Dr. John M. Gile of Hanover, the famous surgeon whose frequent visits to St. Johnsbury have given him quite an acquaintance here, and E. K. Hall of Boston, a graduate of St. Johnsbury Academy and one of the best athletes St. J. A. has ever sent to college. The inauguration is to be simple on account of the 150th anniversary of the founding of the college which is to be observed with much ceremony in 1919.

The open air meeting which was to have been held on Courthouse square was held in the South Congregational church. Rev. A. W. Hewitt pastor of the Methodist Episcopal church at Plainfield and member of the State Board of Education was the speaker.
