Make Punctuality a Habit.  
Somebody said that the man who was always on time spent half his life waiting for the other man. Perhaps that is so; yet the fact is no excuse for those who are habitually late. And really it is quite as easy to be on time as it is to be late, if we only make punctuality a habit.

It is possible he will be called for duty in Mexico before the activities cease there. He was graduated from the Medford high school in 1904 and went to Annapolis Naval Academy on the recommendation of Governor McCall who was then congressman. A few years ago he received a medal of honor from the governor for saving several lives in New York Harbor when the Revenue Cutter Hudson capsized. During the past winter he has been with the aviation corps in Florida. His father was the late C. N. ## Old Home Week and Chautauqua.

About thirty of the citizens and business men of Island Pond who signed the contract for a guarantee fund for a Chautauqua to be held here next summer, presumably about the first of August, met in the Y. M. C. A. building for the purpose of organizing and electing officers and committees. It was also decided to have Old Home Week in connection with the Chautauqua in view of the fact that this year Vermont celebrates its one hundred and twenty-fifth anniversary of being admitted to the Union. The Greater Vermont Association is doing all in its power to bring back to Vermont old time residents, and it is hoped in this way that former residents of Island Pond will be interested and visit us during this time. It was also voted that Island Pond have a clean up and paint up campaign early this spring in order to be ready for these two coming events. This work being in charge of a committee of five and it is hoped that as soon as the snow goes Island Pond will show forth with a smiling countenance. The Chautauqua and Old Home Week are two big items for Island Pond to take upon its hands, but we are sure that if enthusiasm and ginger continues to prevail as in this meeting it will be a great success, in view of the fact that there are seventy-three signers already. Those who have not already signed can do so by making application to A. E. Parlin or L. A. Cobb. It is hoped that there will be at least a hundred signers before the time set for this Chautauqua, this is not an affair for only a few individuals but for all the townspeople—men, women and children, and those in the surrounding countries. Everyone can do his or her little part to put Island Pond back on the map. Following are the officers and committee chairmen: Pres., Dr. A. E. Parlin; vice pres., A. J. Parent; vice pres., Daniel Stern; sec., W. F. Morong; treas., L. A. Cobb; chairman ticket com., A. W. Bosworth; chairman advertising com., L. J. Charland; chairman grounds com., C. S. Foster; playground ass't., W. F. Morong.

Final, All Right.  
Married Niece—"Harry wired me last night." Final Aunt—"What an absurd expression! As if you were a champagne bottle or a cheap bouquet."
