Wit Always Welcome.

Wit makes its own welcome and levels all distinction. No dignity, no learning no force of character can make any stand against good wit. It is like ice, on which no beauty of form, no majesty of carriage, can plead any immunity; they must walk gingerly, according to the laws of ice, or down they must go, dignity and all.—Emerson.

The Congregational Sunday school started Tuesday morning on their annual picnic under cloudy and threatening skies and many foretold rain while others, more optimistic, prophesied a fair day. The picnic was held at Warner's grove and the usual large number were in attendance, over one hundred finding their way to the grove by automobiles, boats and teams. The day turned out to be ideal, fair, warm, with a little breeze to temper the heat, and as usual when the day was over it was decided to have been the best ever. A number of fancy races were indulged in by both girls and boys and the various prizes awarded were choice and unique and no doubt will be handed down with rare pride to posterity. The baseball games, two being played, were of much interest to the spectators and umpires on account of the many star plays and ragged decisions. The afternoon ball game resulted in a victory for the White Tops with a score of 14 runs more or less to the Red Tops 12. Much interest and perspiration was created by the Volley ball teams. In the excitement of the game the score was forgotten. It was a great time and unspoiled by any accident. We are all planning to be there next year from the babies to the octogenarians. Much credit is due to Mr. Morong for the success of the sports. The prize winners were as follows:—Coat and hat
