FOR THE

PROMOTION OF THE FINE ARTS,

IN THE UNITED STATES,

WAS incorporated in 1840, is managed by gentlemen without compensation, and to accomplish its patriotic object, pursues the following

PLAN.

Every Subscriber of five Dollars is a member of the Art-Union for the year.

The money thus obtained, after paying necessary expenses, is applied, in the first instance, to the production, from an American Painting, of a large and costly original Engraving, in the highest style of American Art.

For every five dollars paid by him, EVERY MEMBER receives a copy of the Engraving. Every Member also receives an Annual Report, containing the proceedings and addresses at the annual distribution, a list of the members, &c., and sometimes an additional Work of Art.

The residue of the money is applied to the purchase of American Works of Art—Paintings, Sculpture, &c.—varying in price from twenty to several hundred dollars.

These Works of Art—the Paintings being richly framed—are publicly distributed by lot among all the members, on the Friday before Christmas in each year, every member having one share for every five dollars paid by him.

Each member is thus certain of receiving in return, the value of the five dollars paid, and has also a chance of drawing a Painting, or other Work of Art of great value.

DR. WOOD'S SARSAPARILLA AND WILD CHERRY BITTERS

The following voluntary testimonial was given to the Agent. Mr. *M.* Wires, at Cambridge, Vt, and speaks volumes in favor of this medicine.

Cambridge Vt., Sept. 1st., 1847.

Mr. M. Wires, Dear Sir:

Having been a great sufferer from that torture of the human race, Dyspepsia, and having at last found relief, I feel it due to those suffering, [and there are thousands] should know the means by which I was cured. Until within about a year since I had suffered much from Headache, Heartburn and Dizziness, so much so that I was confined to my house the most of the time. The food which I ate distressed me, and in fact, life became almost a burden. I was totally unable to attend to the slightest duties required of me, so great was my debility. Having tried all remedies recommended and advertised for the cure of my complaint, visited the springs which are so highly recommended, and taken the advice of *Physicians* without getting relief, I gave up all hopes of ever enjoying good health again; in fact, my Physicians frankly told me they could do nothing for me. At this time my sufferings were very great; all hopes of ever being made comfortable had fled, and I gave myself up to suffer. Accidentally, in looking over a newspaper I noticed an advertisement of Dr. Wood's Sarsaparilla and Wild Cherry Bitters, and on reading it, I thought that I might probably obtain some relief, not thinking a cure of my case was possible; & as a last hope I procured a bottle from your store and commenced taking it, and to my great joy, I at once found relief. Being encouraged by its wonderful effects, I was induced to continue its use. After taking one bottle I was able to be out and attend to the duties required of me, and feeling much better than I had for months, or even years, I was now satisfied that I had at last found a remedy for my disease, and felt assured, that by continuing its use I should be cured. And such has proved to be the case. I have now taken only two bottles, and can say to those suffering from this disease that I am entirely cured. I keep a bottle in my house, and when I feel the least unpleasant symptom, a dose of this excellent Medicine entirely removes it. I am of opinion every case of Dyspepsia and its attendants can be cured by the use of Dr. Wood's Sarsaparilla and Wild Cherry Bitters.

To those troubled with habitual Costiveness, loss of Appetite, sour Stomach or Headache, I would earnestly recommend them to try it. Its astonishing effects in my case should induce every one suffering from this disease to give it trial; I feel satisfied they will never regret it. You are at liberty to refer any one to me, and it will give me great pleasure to personally recommend the use of that excellent remedy and state the particulars of my case.

Signed MILES BENNETT.

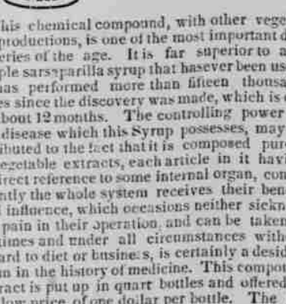
GREAT & IMPORTANT CHEMICAL DISCOVERY.

Chemical Combination from the Vegetable Kingdom to Repel Diseases.

Dr. GUYSOTT'S



This chemical compound, with other vegetable productions, is one of the most important discoveries of the age. It is far superior to any simple sarsaparilla syrup that has ever been used. It has performed more than fifteen thousand cures since the discovery was made, which is only about 12 months. The controlling power over disease which this Syrup possesses, may be attributed to the fact that it is composed purely of vegetable extracts, each article in it having a direct reference to some internal organ, consequently the whole system receives their beneficial influence, which occasions neither sickness nor pain in their operation, and can be taken at all times and under all circumstances without regard to diet or business, is certainly a desideratum in the history of medicine. This compound extract is put up in quart bottles and offered at the low price of one dollar per bottle. The object being to give the patient an opportunity, by the purchase of one bottle, to test its valuable medical properties, and the power it has over disease. It can be taken by the aged and the infant with equal efficacy. This extract of yellow dock and sarsaparilla is a cure, positive and permanent cure for consumption, scrofula, king's evil, erysipelas, salt rheum, pimples on the face, chronic, acute and inflammatory rheumatism, gout, general debility, dyspepsia, nervous headache, liver complaint, spinal affections, female complaints, ulcers, humors, syphilis in its worst form, affections of the bladder and kidneys, billious cholic and serious looseness, biles, costiveness, colds, coughs, corrupt humors, dropsy, enlargement of the bones, fever and ague, giddiness, gravel, headaches of every kind, inward fevers impure blood, jaundice, loss of appetite, leprosy, mercurial diseases, night sweats, nervous debility, nervous complaints of all kinds, neuralgia, organic affections, palpitation of the heart, painter's cholic, piles. This compound is an infallible cure for the piles, rush of blood to the head, pain in the head, side, chest, back, limbs, joints and organs, scurvy, swellings, sick headache, stiffness of the joints, exposure and imprudence of life. This newly discovered chemical compound, extracts nervous diseases from the system, cleanses the blood and invigorates the body more effectually than any article that has ever been sold. In the vegetable kingdom, an All-wise Being has deposited such plants and herbs as are congenial to our constitutions, and adapted to the cure of all curable diseases to which human nature is incident. And this compound syrup is composed of those valuable plants some of which have lately been discovered and used, and found to be certain specifics in thousands of diseases that before defied the best of medical skill.

OPINIONS OF PHYSICIANS.

This is to certify that we, the undersigned physicians of the city of New York, have in a great many cases prescribed Dr. Guysott's extract of yellow dock and sarsaparilla, and are fully assured that s no qual among the varied syrups and sarsaparilla preparations that have ever been sold.

READ THE TESTIMONY.

Opinion of a physician regarding the combination of yellow dock with sarsaparilla.

Montgomery, June 8. 1847.

Mr. Bennett—Dear sir: In this age of patent medicine excitement, it affords me great pleasure to see, among the innumerable sarsaparilla preparations, one compound that it likely to stand the test of time.—Your syrup, combining as it does the two best roots now known, will most assuredly meet with universal approbation. For thel ast 15 years I have been in the habit of using, more or less, yellow dock root in syrup and ointment preparations in my practice, and have no hesitation in saying that it is the most valuable root now known.

I have been prescribing your extract since I first saw it, and it is equal to my expectation.—Very respectfully, yours, H. T. R. SMITH.

The most remarkable Female Medicine known.

Dr. Guysott's Compound Extract of Yellow Dock and Sarsaparilla, containing other vegetable productions that act upon the slender and delicate constitution of the female, with all the mildness of an alterative, and still showing very plainly its valuable properties, in such diseases as incipient consumption, barrenness, leucorrhœa, or whites, obstructed or difficult menstruation, incontinence of urine, or involuntary discharge thereof; and for the general prostration of he system, no matter whether the result of inherent cause or causes produced by irregularity, illness or accident. It is astonishing to see what invigorating effects it has upon the human frame. Persons, all weakness and lassitude before taking it, at once become strong, robust and full of energy under its influence. It immediately counteracts the nervousness of the female, which is the great cause of barrenness,. It will not be asked of me to exhibit certificates of cure performed in cases of so delicate a nature, but I can assure the afflicted that we have received a great many certificates of wonderful cures, much beyond our own expectations. Several cases where families have been without children, and after using a bottle or two of this invaluable medicine have been blessed with healthy offspring.

More testimony in favor of the superiority of Dr. Guysott,s Extract of Yellow Dock and Sarsaparilla over all other similar remedies. [Extracts of letters received.] Read! Read!!

Watertown, Jefferson Co. Nov. 1847.

Mr S. F. Bennett—Sir, I am at a loss to express (with words) what has been said in praise of your compound Extract of Yellow Dock and Sarsaparilla. All who have had the pleasure of using it, speak of its marvelous effects in removing disease, with so much feeling and heart-felt satisfaction, I am confident now that no medicine in use can boast of its superior qualities. Many who have been complaining for years with pain in the side, burning and pain in the chest, dyspepsia, general debility, loss of appetite, chills, night sweats, salt rheum, scrofula—in fact all the diseases that we in this climate are heir to, find in the Yellow Dock and Sarsaparilla all that is requisite to make them what they were in their days of health, &c.

We find that we have had some twelve dozen bottles in three months, are nearly out. You will please send an equal number, and oblige yours,

GREAT AMERICAN REMEDY

WESTERN NEW YORK

College of Health,

207 Main street, Buffalo. N. Y.

DR. G. C. VAUGHN'S Vegetable Lithontriptic Advertisement for 1847.—"I came, I saw, I conquered;" is most emphatically the case with this article. Disease has ever yielded to its most marvellous medicinal power. Wherever it has gone, and South America, England, Canada and the United States have proved the truth of this statement, the above quotation in a strong & pithy sentence, tells the whole story. Invalids, the principle on which you are cured may not be known to you, but the result of a trial of the article is satisfactory; you are restored, and the secret of the cure remains with the proprietor. The Medicine is a compound of 22 distinct vegetable agencies; each individual root has its own particular, exclusive, medical property, conflicting with no other compound—each root makes its own cure—and as a perfect combination, when taken into the system, it does the work which NATURE, when her laws were first established, intended it should do—*purifies, strengthens* and *restores* the broken down, debilitated constitution.—DROPSY, in all its characters, will be completely eradicated from the system by its use. See pamphlets in agent's hands, for free circulation—they treat upon all *diseases*, and show testimony of cures GRAVEL, and all complaints of the *urinary organs*, from also the cause of great suffering, and VAUGHAN'S LITHONTRIPTIC has acquired no small celebrity over the country, by the cures it has made in this distressing class of afflictions. So famed, it seems, is this medicine, that it has thus attracted the notice of one of our Medical publications. In the November No., 1846, of the Buffalo Journal and Monthly Review of Medical and Surgical Science, in an article on calculous diseases, and 'solvents,' the writer, after noticing the fact that the English government once purchased a secret remedy, and also noticing the purchase in 1802 of a secret remedy, by the Legislature jo New York, thus pays tribute to the fame of the Medicine—"Why do not our Representatives in Senate and Assembly convened, enlighten and 'dissolve' the suffering thousands of this country, by the purchase of Vaughan's Lithontriptic, than which no solvent since the days of Alchemy has possessen one half the fame?" Reader, here is a periodical of high standing, acknowledged thro' out a large section of this country to be one of the best conducted journals of the kind in the United States, exchanging with the scientific works of Europe to our certain knowledge, edited by Austin Flint, M. D., and contributed to by men of the highest professional ability, thus stepping aside to notice a 'secret remedy.' You will at once understand no *unknown and worthless nostrum*, could thus extort a comment from so high a quarter—and consequently, unless it directly conflicted with the practice of the faculty, it must have been its great '*fame*' which has caused it to receive this passing nod. KIDNEY *diseases, weakness of the back and spine, irregular, painful and suppressed Menstruation, Fluor Albus*, and the entire complicated train of evils which follow a disordered system, are at once relieved by the medicine. Send for pamphlets from Agents, and you will find evidence of the value of the Lithontriptic there put forth.—As a remedy for the irregularities of the female system, it has in the compound a "root" which has been resorted to in the north of Europe for centuries—as a sure cure for this complaint, and a restorer of the health of the entire system. LIVER COMPLAINT, JAUNDICE, BILLIOUS DISEASES &c., are instantly relieved. People of the West will find it the *only* remedy in these complaints, as well as FEVER AND AGUE. There is no remedy like it, and *no calomel or quinine* forms any part of this mixture. No injury will result in its use, and its active properties are manifested in the use of a single 30 oz bottle. For FEVER AND AGUE *Bilious Disorders, take no other medicine.* RHEUMATISM, GOUT, will *find relief.* The action of this medicine upon the Blood, will change the disease—which originates in the blood—and a healthy result will follow. DYSPEPSIA, INDIGESTION &c., yield in a few days' use of this Medicine. Inflamation of the Lungs, Cough; Consumption also, has ever found relief. Scrofula, Erysipelas, Piles. Inflamed eyes—all caused by impure blood—will find this article the remedy. The system, completely acted upon by the twenty-two different properties of the mixture, is purified and restored—as a partial cure will not follow. The train of common complaints, Palpitation of the Heart, Sick Headache, Debility, &c., are all the result of some derangement of the system, and this Great Restorer will do its work. The promises set forth in the advertisement, are based upon the proof of what it has done in the past four years. The written testimony of 1000 Agents, in Canada, the United States, England and South America, in the possession of the proprietor—and can be seen by all interested—is a sufficient demonstration that it is the best Medicine ever offered to the World. Get the pamphlet, and study the principle as there laid down, of the method of cure. Put up in 30 oz bottles, at $2; 12 oz. do. at $1 each—the largest holding 6 oz. more than two small bottles. Look out and not get imposed upon. Every bottle has "Vaughan's Vegetable Lithontriptic Mixture" blown upon the glass, the *written* signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," *stamped on the cork.* None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid—orders from regularly constituted Agents accepted: post paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Dr. Townsend's Sarsaparilla.

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

This Extract is put up in quart bottles; it is 6 times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

GREAT FALL AND WINTER MEDICINE.

The great beauty and superiority of this Sarsaparilla is, where it eradicates diseases it invigorates the body. It is one of the very best Fall and Winter medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years more than 35,000 cures of severe cases of disease, at least 20,000 of these were considered incurable.

More than 3,000 cases of Chronic Rheumatism.

2,000 cases of Dyspepsia;

4,000 cases of General Debility and Want of Energy;

7,000 cases of the different Female Complaints;

2,000 cases of Scrofula;

1,500 cases of the Liver Complaint;

2,500 cases of Disease of the Kidneys and Dropsy;

8,000 cases of Consumption;

And thousands of cases of diseases of the blood viz: Ulcers, Erysipelas, Salt Rheum, pimples on the Face, &c. &c., together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from Physicians & our Agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable Druggists of Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the preventive of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON

As it removed the cause of disease, and prepared them for the Summer season. It has never been known to injure in the least the most delicate child.

RHEUMATISM.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief, this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

☞ Hear Mr. Seth Terry, one of the oldest & most respectable lawyers in Hartford, Conn The following is an extract of a letter received from him,

Dr. Townsend—I have used one bottle of your Sarsaparilla, and it is excellent in its effects upon a Chronic Rheumatic pain to which I am subject, from an injury occasioned several years ago in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal Physicians, who recommended your Sarsaparilla.

CONSUMPTION CURED.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Cough, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweat Difficult or profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Dr. Townsend—Dear Sir: Nearly 20 years ago I took a violent cold, which settled on my lungs and effected me severely, indeed finally, it became a constant hacking cough, but not so severe as to prevent me from attending to my business. Within the last two years it increased on me gradually. At last I became reduced—I breathed with difficulty and raised without cough much bad matter, and for the last nine months previous to using your Sarsaparilla had regular night sweats, indeed, my friends and myself supposed I would die with Consumption; but I have the happiness to inform you that, to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. It relieved me gradually, and I am now enjoying better health than I have before in 26 years. I had almost entirely lost my appetite which is also restored. You are at liberty to publish this with my name in the papers, if you choose.

My little girl, who is three years old, had a very bad cough the whole of last Winter. We became very much alarmed on her account. While using the medicine I gave her some of it, and it soon entirely relieved her, as well as myself, and she is well now, and hearty as any child I ever saw. She was also full of little blotches; it took them away, and her skin is smooth and fair now, and I am satisfied she recovered her health by using your excellent medicine.

GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotches on the face, rough skin, and are "out of spirits," use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits and beautiful complexion—all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign & speedy cure for insipient Consumption, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinance of Urine, or involuntary discharge thereof, and for the general Prostration of the System, no matter whether the result of inherent cause, or produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Dr. Townsend—My wife being greatly distressed by weakness and General Debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with their difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints, and restored her health. Being grateful for the benefit she received, I take pleasure in thus acknowledging it, and recommending it to the public. M. D.
