SEEVER'S JOINT & NERVE LINIMENT.
An invaluable family medicine. Recommended by the Medical Faculty. For Rheumatism, Gout, Sprains, Bruises, Cramp, Lumbago, Pain in the side, back, and Loins, Coughs, Felons, fresh wounds, Burns, Scalds, Freezes, Ague, Nervous Headache, and all cases.

External Injury.
It strengthens and invigorates the nerves, gives elasticity to the joints, promotes a healthy circulation of the blood, and imparts strength to every part of the system, which has been weakened by sedentary habits or disease.

It is impossible to present to the public all the evidence which the proprietors possess of the virtues of this Liniment. Many families keep it constantly by them, believing it to be the best remedy in use for diseases requiring external treatment. The good effects of it are truly wonderful. It is altogether superior to anything else ever discovered.

IMPORTANT TO HORSEMEN!
This Liniment is not only beneficial to the human system, but is the best article that can be used for horses that have been galled, strained or bruised, and for stiffness or swelling of the joints, scratches, wind-galls, fresh wounds &c. The original and genuine is prepared only by T. SEEVER & SON, Druggists, 40 N. H. STREET, New York. Every bottle of the genuine will have the signature of the proprietors on the side wrapper. CONSUMPTION AND Liver Complaint.

DR. TAYLOR'S BALM OF LIVER FOR THE TREATMENT OF COUGHS, CATARRH, ASTHMA, SPASMS OF THE CHEST, PAIN IN THE SIDE AND BREAST, RAISING OF BLOOD SPOTS, BRONCHITIS, ALL AFFECTIONS OF THE THROAT AND LUNGS, WHICH ARE A SOURCE OF SO MUCH SUFFERING AND UNREST, SO OFTEN TERMINATE IN CONSUMPTION—This remedy is highly and justly distinguished. It is purely vegetable, mild and gentle in its effects upon the system, and can be taken in the most delicate cases, with safety as well as utility. Physicians, aware of its medicinal properties, and witnessing its effects even in extreme and in some instances, apparently almost hopeless cases, often prescribe it in practice, both as a palliative and a remedy, and with the Medical Faculty generally, it has met with great approbation.

Cautions from the highest and most respectable sources, of persons who have either been greatly relieved by it, or entirely recovered from affections of the Lungs and Liver, could be furnished in abundance, but they will be found on file in the wrapper, which is around each bottle.

The public are cautioned against the counterfeit and imitations which are offered for sale at any price, on the reputation of this really valuable remedy. Be careful to see that the new label is on each bottle to prevent counterfeits with the name of GRASSON J. LUTHER, sole wholesale agent without which none is genuine.

N. B. There is a spurious and counterfeit article sold, and lately introduced into this place. Therefore be careful to get the genuine, which is from 475 Broadway, New York, and is for sale in Middlebury by Sidney Moody, sole agent for the genuine article in this place.

All business connected with the office entrusted to him will be faithfully and punctually transacted. JONATHAN DAGAR. Middlebury, Feb. 26, 1842 42v Agent.

To Wool Growers.

The Subscriber being a Yankee, and wishing to excel in the improvements of the day, has used every exertion, and consulted in his opinion, the most experienced practical wool growers in North America, viz. Effingham Lawrence of Flushing Long Island, Henry Swift of Poughkeepsie Dutchess Co., Jeannion and Grant of Wall-pole, N. H., and several on Nantucket Island, likewise with H. D. Grove of Hoosick N. Y., and finally decided and purchased of Henry Swift, from his choice flock a few choice ewes, and one stock sheep, and would offer to the public a few select stock sheep, for the superiority of which reference may be had to Silas H. Jennison of Shoreham, of Asa Chapman of Middlebury, Rockwood of Bristol, Azel Chipman of Shoreham, S. H. Walker and P. Ellithorpe of Bridport, Hollet Thurn Addison, all of whom have improved from my flock. I would say that in my humble opinion, in weight and clean fine wool combined together, they cannot be surpassed in this northern section. Gentleman do not be so blind that you will not call at my residence in Shoreham and judge for yourselves.

Likewise have succeeded in procuring a few Prime Pauler Merino Stock sheep with which I should be pleased to accommodate any who should wish to improve that kind. HORATIO BIRCHARD. Nov. 1, 1843. 27.

A last token of respect to departed friends.

The subscriber has made a contract with Mr. Wilson of the firm of Way, Wilson & Collins, who own the well known quarry of marble in East Dorset, Vt., by which he is enabled to furnish

GRAVE STONES for all who may want them in this region. These stones are superior to any in the United States, and are of a fine quality, and are in Boston, New York, and Philadelphia, to which cities large quantities have been sent. They are pure white marble, and so translucent that an inscription may be read in the night by placing a candle on the side of the stone opposite to it. They are also remarkable for durability. The slabs may be of any suitable size required, and free from flaws and blemishes. I have contracted with Mr. Nelson I. Sanford, of Dorset, a skilful artist, to finish and letter them according to directions. These stones may be seen at the Graveyard near my residence in Shoreham, and reference is given to Hon. Silas H. Jennison, and John Simonds, in Shoreham, L. D. Gregory, Weybridge, Mr. Hines, Brandon, and Ira Allen, and Asa Chapman Middlebury.

The subscriber will likewise furnish stone from any quarry in this neighborhood. His prices will be low as can any where be obtained. HORATIO BIRCHARD. Shoreham, Oct. 16, 1843. 24f

ONLY GIVE IT A FAIR TRIAL.—We ask no more of any one than to give Dr. Jayne's Expectant a fair trial, and if it does not cure the various diseases for which it is recommended sooner or more effectually than any other medicine that has ever been offered to the public, the proprietor is willing to undergo any penalty, however severe, the public may see proper to impose upon him. It has, in fact, cured coughs, colds, asthma, bronchitis, bleeding from the lungs or throat, whooping cough, croup, and a very large majority of the most hopeless cases of consumption, when physicians and their prescriptions fail to do any good. Agents we say, try it. It will not harm you, but must and will do you good. It is prepared only by Dr. D. Jayne, No. 20 South Third Street, Philadelphia, and No. 305 Broadway, New York. Price \$1 per bottle.

IS THERE BALM IN GILEAD?—Was the pathetic exclamation of the prophet of Israel as he beheld the degradation and misery of his people—and does not the heart of the philanthropist move with emotions of commiseration when he sees the hopeless and helpless children of our race, who are afflicted with Consumption, and other pulmonary affections, and to ask, "Is there no balm that can heal them?" no physician to rescue them from death? Yes, there is a balm that will heal them, and once arrest those fatal diseases and restore them to health. It is found in JAYNE'S EXPECTANT, which never fails to relieve.

It is prepared by Dr. D. Jayne, 305 Broadway, New York, and 20 South Third Street, Philadelphia. Price, \$1 per bottle.

MY HEAD WILL SPLIT
It often said by those who are subject to a headache, that they have been cured by picking at the nose, gnawing at the stomach, paleness about the lips and flushed cheeks, starting in sleep, grinding of the teeth, pain in the stomach, belly, and joints, flashes of heat, chills, drowsiness, headache, fits, bad bad taste in the mouth, dry cough, feverishness, voracious appetite, leanness, itching of the arms &c. The multitude of cases these Lozenges have cured is almost incredible & a failure has never been known.

BALDNESS AND LOSS OF HAIR.
Is caused by a want of healthy secretion on the vessels which throw off perspiration from the hair. When these vessels are weak or diseased, the perspiration is thick and clammy and adheres to the mouths of the pores and clogs them up, and dries and forms scurf or dandruff. Less blood is then carried to the roots of the hair, and the hair falls out, and is not sufficient nourishment, and consequently becomes dry and harsh, and begins insensibly to all off which continuing to increase, eventually produces baldness. Restore the capillary vessels of the head to their former healthy circulation, and the hair will grow again, and its appearance which will increase in quantity and volume until the hair becomes thick and healthy. Jayne's Hair Tonic is the only preparation that has ever been known to produce new Hair on Bald Heads, which it has done in innumerable instances, and will seldom fail, if properly and perseveringly used. Prepared only by Dr. D. Jayne.

BALD HEADS AND HARD HEADS
Frequently unite in the same individual; that is, persons predisposed to early Baldness are apt to get firm and too often well filled and stubborn. JAYNE'S HAIR TONIC, is the very thing for removing the first, but what influence it may have on the latter remains to be tested by experience. It is not, however, worthy of a trial Ladies who have husbands possessing either
