AYER'S Ague Cure,

FOR THE SPEEDY CURE OF
Intermittent Fever, or Fever and Ague,
Remittent Fever, Chill Fever, Dumb
Ague, Periodical Headache, or Bilious
Headache, and Bilious Fevers, indeed
for the whole class of diseases origi-
nating in bilious derangement, caused
by the Malaria of miasmatic countries.

No one remedy is louder called for by the
necessities of the American people than a sure
and safe cure for Fever and Ague. Such
we are now enabled to offer, with a perfect
certainty that it will eradicate the disease,
and with assurance, founded on proof, that
no harm can arise from its use in any quan-
tity.

That which protects from or prevents this
disorder must be of immense service in the
communities where it prevails. Prevention is
better than cure, for the patient escapes the
risk which he must run in violent attacks of
this baleful distemper. This "Cure" expels
the miasmatic poison of FEVER AND AGUE
from the system and prevents the develop-
ment of the disease, if taken on the first ap-
proach of its premonitory symptoms. It is
not only the best remedy ever yet discovered
for this class of complaints, but also the
cheapest. The large quantity we supply for
a dollar brings it within the reach of every
body; and in bilious districts, where FEVER
AND AGUE prevails, every body should have it
and use it freely both for cure and protection.
It is hoped this price will place it within the
reach of all—the poor as well as the rich. A
great superiority of this remedy over any
other ever discovered for the speedy and cer-
tain cure of Intermittents is, that it contains
no Quinine or mineral, consequently it pro-
duces no quinine or other injurious effects
whatever upon the constitution. Those cured
by it are left as healthy as if they had never
had the disease.

Fever and Ague is not alone the consequence
of the miasmatic poison. A great variety of
disorders arise from its irritation, among which
are Neuralgia, Rheumatism, Gout, Headache,
Blindness, Toothache, Earache, Catarrh, Asthma,
Palpitation, Painful Affection of the
Spleen, Hysterics, Pain in the Bowels, Colic,
Paralysis, and Derangement of the Stomach,
all of which, when originating in this cause,
put on the intermittent type, or become period-
ical. This "Cure" expels the poison from the
blood, and consequently cures them all
alike. It is an invaluable protection to immi-
grants and persons travelling or temporarily
residing in the malarious districts. If taken
occasionally or daily while exposed to the in-
fection, that will be exerted from the system,
and cannot accumulate in sufficient quantity
to ripen into disease. Hence it is even more
valuable for protection than cure, and few will
ever suffer from Intermittents, if they avail
themselves of the protection this remedy af-
fords.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC,
are so composed that disease within the range of
their action can rarely withstand or evade them.
Their penetrating properties search, and cleanse,
and invigorate every portion of the human organ-
ism, correcting its diseased action, and restoring
its healthy vitalities. As a consequence of these
properties, the invalid who is bowed down with
pain or physical debility is astonished to find his
health or energy restored by a remedy at once so
simple and inviting.

Not only do they cure the every-day complaints
of every body, but also many formidable and
dangerous diseases. The agent below named is
pleased to furnish gratis my American Almanac,
containing certificates of their cures and directions
for their use in the following complaints: *Catarrh-
ness, Heartburn, Headache arising from disordered
Stomach, Nausea, Indigestion, Pain in and Murky
Inaction of the Bowels, Flatulency, Loss of Appete,
Jaundice, and other kindred complaints,*
arising from a low state of the body or obstruction
of its functions. They are an excellent alternative
for the removal of the blood and the restora-
tion of tone and strength to the system debilitated
by disease.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness,
Croup, Bronchitis, Incipient Consumption,
and for the relief of Consumptive
Patients in advanced stages of the
disease.

So wide is the field of its usefulness, and so nu-
merous are the cases of its cures, that almost
every section of country abounds in persons pub-
licly known, who have been restored from alarming
and even desperate diseases of the lungs by its
use. When once tried, its superiority over every
other medicine of its kind is too apparent to escape
observation, and where its virtues are known, the
public no longer hesitate what antidote to employ
for the distressing and dangerous affections of the
pulmonary organs that are incident to our climate.
While many inferior remedies thrust upon the
community have failed and been discarded, this
has gained friends by every trial, conferred benefits
on the afflicted they can never forget, and pro-
duced cures too numerous and too remarkable to
be forgotten.

"The Constitution as it is and the Union
as it Was."

MASS CONVENTION OF THE UNION DEMOCRACY

And Conservative citizens of Indiana,
To consider the crisis of the Country.

In compliance with the generally
expressed wish of the Democracy of
Indiana, the true friends of Constitu-
tional Liberty, the Democratic State
Central Committee invite the people
of the State, without regard to past
party affiliations, who desire to "pre-
serve the Constitution as it is, and the
Union as it was," to meet in MASS
CONVENTION, at Indianapolis, on Wed-
nesday, the 30th day of July.

The object in assembling the people
at this time is to take into considera-
tion the new issues which have re-
cently been forced upon the country
by the party in power—measures
which have no warrant in the Consti-
tution, and which are opposed to the
spirit and purposes of our institutions;
while, in the language of President
Polk, "war exists," to insist that its
prosecution shall be confined to the
policy solemnly set forth by Congress
in July, 1861, that it is "not waged in
the spirit of conquest or subjugation,
nor for the purpose of overthrowing
or interfering with the rights or insti-
tutions of the States, but to defend
and maintain the supremacy of the
Constitution, and to preserve the Union,
with all the dignity, equality and
rights of the several states unimpair-
ed," and to assure the Administration
that a generous support will be given
it, as the representative of the Gov-
ernment, in all necessary, prompt and
vigorous measures to overthrow armed
rebellion against the Union, to sustain
its legitimate authority, and crush out
Abolitionism, which is equally hostile
to the constitution as Secessionism.

The committee are impressed with
the necessity of the People assembling
en masse at the time proposed, for the
following reasons:

1. The administration, congress and
a recently so-called "Union" con-
vention held in this state, have failed to
announce what are the legitimate and
appropriate means to put down the
rebellion, and one and all have refused
to even censure, much less condemn,
the disunion schemes of the Abolition-
ists;

2. The so called Republican Union
convention failed to repudiate the gross
frauds and corruptions proven upon
the party in power by congressional
investigating committees of its own
appointment;

3. Congress has adopted measures,
such as the abolition of slavery in the
District of Columbia, which, if con-
stitutional, are ill-timed and unneces-
sary, and calculated to create distrust
in the minds of the loyal citizens of
the border slave states, and the coun-
try generally, as to the designs of the
Administration.

4. It has proposed to tax the people
of the whole Union to pay for the
slaves that States may see proper to
emancipate, thus throwing additional
burdens upon the productive industry
of the non-slaveholding States, at a
time, too, when every interest is called
upon to contribute all its power the
means necessary for the prosecution of
the war;

5. It has encouraged wild schemes
of negro philanthropy; establishing
free schools for the education of the
blacks, supporting runaway negroes
in idleness, and in agricultural experi-
ments with negro labor, all at the
expense of the People;

6. And in proposing and adopting
general schemes of emancipation and
confiscation, in clear violation and de-
rogation of the constitution, inconsis-
tent with the declared policy of the
Government solemnly set forth by con-
gress in July, 1861, against the dic-
tates of humanity and sound political
economy, thereby "impairing the dig-
nity, equality and rights of the sev-
eral States."

In order that the People, the sources
of power in all constitutional govern-
ments, who sincerely desire to perpet-
uate the Union, as founded and ad-
ministered by our patriotic fathers,
may have the opportunity to condemn
these unconstitutional measures; to
express their sympathy and their de-
termination to support the Adminis-
tration in every legitimate effort to
crush out treason, "where'er it may
rear its head;" to "defend and main-
tain the supremacy of the constitu-
tion," and to uphold the rights and in-
stitutions of all the states unimpaired;
to say to those in authority, the ser-
vants of the people, what are the le-
gitimate and appropriate means to put
down this rebellion; to condemn fraud
and corruption, and all unconstitutional,
illegitimate and unnecessary meas-
ures, calculated to weaken instead of
strengthen a love and respect for the
Union; to restore a wise, just, pure,
equal and beneficent administration of
the Government, such as the people
desire; and to renew the pledge made
by the last democratic state conven-
tion in behalf of the democracy of
Indiana, "That we will sustain, with
all our energies, a war for the main-
tenance of the constitution, and of the
integrity of the Union under the con-
stitution; but we are opposed to a war
for the emancipation of the negroes,
or the subjugation of the southern
states;" the democratic state central
committee now ask them to assemble
in mass convention.

All who desire to see the stars and
stripes float over every inch of Amer-
ican soil in liberty, fraternity and
equality; all who insist that the Gov-
ernment shall have a fixed policy in
the prosecution of the war, known to
the whole country; all who sympathize
with the sixty thousand sons of Indi-
ana who have volunteered and are in
the field to defend and maintain the
Constitution and the Union, and who
wish to see them relieved from their
arduous duties and exposure of health
and life in defense thereof, by a prompt
suppression of the rebellion and the
restoration of the Union, not only in
name but in essence; all who wish to
preserve constitutional liberty, and the
integrity of the Government under the
Constitution, are invited to attend the
proposed convention, and co-operate
in the attainment of these objects.

While the gallant and patriotic Un-
ion men of Kentucky, and other bor-
der slave States, have devoted their
efforts to preserve the Government as
our fathers made it, will not the citi-
zens of Indiana aid, by their counsel
and their votes, these patriotic citizens
in repelling and rolling back the tide
of southern and northern treason to
the constitution and the Union? For
such a purpose we should assemble,
and for such a purpose we should, as
we do, invite the co-operation of all
good citizens.

Eminent speakers, true and tried
patriots from adjoining States, have
been invited and may be expected to
address the Convention upon the mo-
mentous issues of the day.

By order of the central committee.
GEORGE McQUAY, Chairman.
