Correspondents should remember that unsigned communications have a sure and rapid way of landing in the "waste basket" in this office. We must know who writes. Save postage by not mailing anonymous articles as we will not print them.

### THE "GERM CATCHER."

The court house janitor this week took the County "Germ" catcher out to give it an airing and the Health officer is supposed to know about how many "Germs" the said janitor murdered. Somewhere between forty and one-hundred and eighty million we suppose. Some people are objecting to placing the said "germ catcher" back in place and think the county should buy a new "germ catcher" at a cost of \$400 to \$500. What's the use? Surely since the janitor has renovated it, it will be able to give any new "germ catcher" points in the game. It is an old story we must not desert the old for the new, besides the county needs the five hundred dollars for a new court house. Then again most of the high muck-e-mucks at the Court house who use the "Germ Catcher" couldn't be lucky enough to catch sufficient "germs" to do them any injury. If the janitor can stand it they ought to. Place the old carpet back in the old hall and let it stay there as long as the court house stands, when the old court house is a thing of the past, let the "germ catcher" go with it. \$75000 for a new court house not a darn cent for a new rope carpet or "Germ catcher." Selah!

### A Narrow Escape.

Sebastian Anderson narrowly escaped serious injury last Friday when a moving freight train collided with his buggy while he was crossing the track on Jackson St., but luckily he escaped unhurt and no more serious damage was done than that his buggy was partly demolished. "Bas" seems to be unlucky but yet lucky here of late, as this buggy was recently hit by an automobile, but on that occasion also, he escaped serious injury.

### As To Neighbors.

A good neighbor is always the most desirable of possessions, although in some cases their social value is underestimated, says an exchange. What constitutes a good neighbor is also frequently misconstrued, although the sensible acceptance of the term is the neighbor who is friendly without being officious, helpful without being superfluously so and finally, one who respects the privacy of others, household affairs by a certain degree of formality of manner.

The social neighbor is not always the useful neighbor, yet each in her place has special influences to exert of equally beneficial consequences. The sympathetic neighbor is also a popular one, but she has to exercise continuous tact, lest her solacing influence may occasionally be overdone or utilized at untimely periods. The inquisitive neighbor is always a dread to every body within the reach of her inquisitive curiosity, as she does not seem to have any intuitive respect for others' feelings as regards their divulgence of personal affairs to an outsider.

The truest and most respected of all neighbors, however, is the one who always speaks well of everybody who devotes the largest share of her sympathies to her own affairs, is chary of administering unsolicited advice, and who always waits until her social and useful capacities are requested, and never renders her self officious even in her most sanguine efforts at proving to be a good neighbor.

T. K. Dougherty was in Petersburg Tuesday on business.

### BASE BALL.

Reds Defeated High Arts.

The Reds defeated the High Arts, of Evansville, on the local diamond Sunday by a score of 6 to 2. Bell was in the box for the Reds and his pitching was a feature of the game. The Evansville lads very rarely being able to connect with his big curves; the boys gave him first class support, playing ball in their old time style. Some of them also had on their batting clothes and procured several nice hits off the High Arts tosser. J. H. Huther umpired the game. There was a good sized attendance.

### The Score

Innings 1 2 3 4 5 6 7 8 9 R H E  
Evansville 0 0 0 1 0 0 0 1 2-2-4  
Reds 1 0 0 0 3 2 0 x 6-9-2

Evansville, Batteries, Schelosky and Budke; Jasper, Bell and Wuchner. Three-base-hit-Hoffman; Two-base-hits-Wuchner, Fisher. Bases on balls off Bell 3, off Schelosky 4. Struck out by Bell 8, by Schelosky 4.

The Reds will play the heavy hitting Tell City Grays on next Sunday. This will no doubt be a hotly contested game and one worth seeing. Everybody come out and help the boys along.

### They Never Fail.

That is What They Say About Them in Jasper, and It Is Therefore Reliable.

Another proof, more evidence, Jasper testimony to swell the long list of local people who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of that remarkable preparation:

Mrs. Philip Schwenk, Mill St., Jasper, Ind., says: "I can vouch for the merit of Doan's Kidney Pills, not only from my own experience but also from the benefit they have given my acquaintances. One of my neighbors recently told me that she had received more relief from their use than from any other medicine she had ever taken. I took Doan's Kidney Pills, I procured them at Flick & Phil's drug store for backache and a pain and stiffness in the back of my neck. They gave me a prompt relief. I do not have any headaches now and I am entirely cured."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
