FRIDAY, SEPTEMBER 3 1909

The itch for office is epidemic in Jeffersonville, the "News" of that town says there is seven candidates for office in one block. They failed to take a census of Clark County.

After having six murders in Henderson, Ky., in 30 days the people have determined to clean that wide open town up. The Henderson Gleaner, one of the most influential papers in western Kentucky says: "Since no words about it. Let it be understood at the start that the lawless saloon element must submit to regulation or accept the alternative—Prohibition."

Dubois County Saloon men who insist in running gambling devices should get wise.

R. M. MILBURN.

Has written some Evansville friends, so the Courier says that he will again be a candidate for Attorney General before the next Democratic Convention. The Courier says that he has many friends there who will help him to secure the nomination. But the durned trouble is that Vanderburg County mostly goes Republican and what Dick wants is Democratic Counties. We believe that the Democratic counties of the state should dictate the nominations and that Democratic states should do the same, and let the Republican section do the same. If the Democrats of Vanderburg want to get into the Democratic band wagon let them get a move on themselves and make good. The man who is to proud to beg and two honest to steal has no business being a candidate for any office. The chances are that Dick won't like this and Ben don't give a darn whether he does or not.

Died In Navy.

Mr. and Mrs. Jos. Gutzell were sady shocked Monday morning when they received a telegram from Chelsea, Mass., telling them of the death of their son Herman in the U. S. Naval Hospital there on Sunday evening. The young man enlisted in the Navy several months ago and enjoyed the life until a few weeks ago, when he took sick, and since then underwent three operations for appendicitis and the removal of an abscess, from which he never recovered.

His age was eighteen years. The remains arrived here Wednesday an the funeral services were held in St. Joseph's church Friday morning.

Herman was a very kind and sociable boy who was well liked by his many friends and associates here, who sympathize with the bereaved parents and other relatives.

Omer Jahn came home Wednesday on a furlough from Uncle Sam's Navy.

BORN: To Andrew Burger and wife a baby boy.

Miss Katie Renner came home Sunday from Louisville for a visit.

Jos Schneider came home Monday from Louisville, where he was operated upon a few weeks ago, and is much improved in health.

The County Commissioners will hold their regular monthly session next Tuesday, Monday being Labor Day, and will let the contract for the construction of the new Court House at that time. There will probably be a quite a number of bids as about a dozen or more more firms have signified their intention of bidding.

Jos. Klein and Geo. Mehlinger exchanged their properties on the corner of Seventh and Mill Sts., and Fifteenth and Jackson Sts., respectively last week and Mr. Klein and family will move into their newly acquired property soon, and Mr. Mehlinger expects to remove the Klein homestead and erect a modern residence on the lot to be occupied by him and his family.

Base Ball.

On account of the picnic at Calumet Lake Sunday the Reds had no game but the Jasper White Sox met a Martin County bunch at the local park Sunday morning and defeated them in a game which was devoid of much excitement as may be surmised by the score which was 16 to 2.

On next Sunday afternoon the French Lick Plutos the strong colored team of that place will be here to play the Reds, game called at 3 P. M.

Lake Pic-nic.

On last Sunday the excursion given by the Knights of St. John of Louisville, to Jasper came off and ten coaches containing about 800 people from that city to spend the day here with relatives and friends. The most of them went to Calumet Lake to enjoy the day, where the young people danced to the good music of the Star Orchestra. The Otwell band was also on hand to furnish the brass music.

Soft drinks, ice-cream, etc were sold, dinner and supper were served on the grounds and the crowd took their departure at 7 P. M. well pleased with the days enjoyment.

BACK GIVES OUT.

Plenty of Jasper Readers Have This Experience

You tax the kidneys-overwork them. They can't keep up the continual strain. The back gives out-it aches and pains; Urinary troubles set in. Don't wait longer-take Doan's Kidney Pills.

Jasper people tell you how they act. William J. Lampert, Fourth St., Jasper, Ind., says: "I suffered for a long time from a depressing backache and often it became so intense that I could hardly work. I was also subject to spells of dizziness and the kidney secretions were irregular in passage. The trouble robbed me of energy and I felt miserable. I tried several remedies but was not helped until I procured Doan's Kidney Pills at Flick & Pfann's drug store. I had not taken the contents of one box before I felt better and now I am quite free from the lameness in my back and kidney difficulty."

Said About Advertising: The humorist in ad writing is but momentary success. "Every path has a puddle."

Judicious, intelligent advertising is the safest bridge over the puddles in the path of business.

"The fellow who tries to attract business without advertising is like the fellow who throws his sweetheart a silent kiss in the dark. He knows what he is doing-but nobody else does."-William J. Bryan.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonials received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
