

OFFICIAL PLANS FOR THE SUNDAY SCHOOL CONGRESS.

Meeting of National Religious Body Will Be Largely Attended.

Nashville, Tenn.—At a special meeting of the Sunday school congress official board and the National Baptist Publishing board recently held it was decided that the Nashville delegation to the ninth annual meeting of the Sunday school congress to be held in Beaumont, Tex., would leave Nashville on Monday night, June 8, or early Tuesday morning, June 9.

It was decided to go by way of the New Orleans gateway. The secretary of the Sunday school congress stated that an effort would be made to have a special train this year as heretofore and that in view of the fact that selections of delegations were coming in so fast the prospects were that a special train would be necessary. He also stated that he did not know how many of the northern and eastern delegates would come through Nashville, but that he had received several letters from points north and east asking if it were possible to go by way of Nashville. He has replied to each, saying that this information would have to be given to them by the various railroad representatives.

The committee of arrangements for the entertainment of the visitors are the members of the executive committee, which is composed of Drs. Gibson, Bendy and Williamson and Professor J. P. Eugene. The chairmen of the various committees are: Arrangements, Dr. M. E. Robinson; reception, Dr. C. H. McDade; entertainment, Dr. M. Hurd; decoration, Dr. W. H. Holland; music, Professor L. L. Prater and Joseph D. Turner; homes, J. R. Jacobs; assignment, Professor Thomas T. Polard and J. P. Eugene; solicitation, John H. Rhone. With these active workers already in line the work of the congress is in safe hands.

WELL MANAGED SCHOOL.

Progress of the Utica Institute Under Professor W. H. Holtzclaw.

Utica, Miss.—The Utica institute, located four miles south of here, is recognized as one of the leading institutions in the south for the education and advancement of Afro-American boys and girls. Under the wise management of the president, Professor William H. Holtzclaw, the school is meeting the needs of its large student body in a most satisfactory way.

Seeing the great need of industrial education in the south, Mr. Holtzclaw struggled strenuously under difficulties to plant a school to give the young people, especially of Mississippi, a chance to acquire such an education as would fit them for making their way through life.

During its eleven years of existence the school has done a wonderful and commendable work. Graduates of the school since its establishment are filling nearly every position in the walk of life with honor to themselves and credit to their alma mater.

The enrollment this year was over 500, coming from Alabama, Louisiana, Arkansas, Tennessee, Cuba and Mississippi. The high class work done by the institution places it in the front rank. Perhaps nowhere in this country can be found an institution that is more alive to the needs and best interests of its students.

The character of its work was clearly shown in the fact that at the state fair held in Jackson, Miss., in October, 1913, the school won first prizes for nearly every department exhibit, notwithstanding every school in the state was represented, and the Utica Normal and Industrial Institute was the younger of them all.

The faculty of the school consists of thirty-two well trained young men and women, some of whom are graduates of some of the leading institutions of learning in this country.

Professor Holtzclaw was born of humble parentage on a farm in Randolph county, Ala. Starting with such education as was offered him in his home county he made his way to Tuskegee institute, where he worked during the day and went to school at night for four years, when he graduated from that institution with honors.

The school held its commencement exercises recently. Ten young people received diplomas and certificates. This is the largest number of graduates ever sent out from the school at one time.

Annual Meeting of Good Samaritans.

The forty-third annual meeting of the New Jersey state grand lodge of the Independent Order of Good Samaritans will be held at Long Branch, beginning on Wednesday morning, June 3, at 10 o'clock. Large delegations from the various subordinate lodges will be in attendance. The address of welcome will be delivered by Dr. William B. Scott, deputy for the fifth district. Miss Estelle Doucey and Mrs. Grace Hall, head workers in the juvenile department, will render their annual reports at the evening session on Wednesday, June 3.

Good Work For Jenkins Orphanage.

The closing exercises of the Jenkins Orphanage institute in Charleston, S. C., will be held on Monday evening, June 1, in the orphanage building on Franklin street. The institution has had a very successful year in all of its work, notwithstanding the increase in the number of pupils and the heavy financial responsibility under which the managers have had to labor in order to maintain its dignity and the good will of the public.

THE BROAD AX CAN BE FOUND ON SALE AT THE FOLLOWING NEWS STANDS.

No Further Need For "Watchful Waiting"

There's no watchful waiting in the thousands of homes where we have installed

Little Gas Water Heaters

To watchfully wait for water to heat means that the laundry work, the dishwashing and the scrubbing takes double time and father, mother and the kids must frequently go without the cheapest of all luxuries—the daily bath.

Little Gas Water Heaters

are of many sizes to fit many requirements—the cheapest for small families cost but \$16.00. We install them free. You can inspect them and order yours at any of our branch stores, or our big salesroom downtown.
