HEW TO THE LINE; LET THE CHIPS FALL WHERE THEY MAY

Vol. XXI.

CHICAGO, APRIL 8, 1916

No. 29

HON. CHARLES S. DENEEN

One of the most astute and shrewdest political generals in Illinois, whose bright star of hope is rising higher and higher each day above the horizon, who feels sure that he will be re-elected Ward Committeeman of the Thirty-first Ward, Tuesday, April 11; at the same time he will be selected as one of the delegates to the Republican National Convention from the Third Congressional District of Illinois.

**STATE SENATOR GEORGE F. HARDING**

In 1905, after a very bitter and rough and tumble fight Hon. George F. Harding, candidate for delegate to the Republican National Convention from the First Congressional District of Illinois, was for the first time elected to the city council from the old Second Ward. The Broad Ax being the only newspaper on the south side which warmly and loyally supported him at that time from start to finish and from that time to the present he has been one of its greatest admirers and for the past eleven years this paper has always stood by him in all of his political fights or contests. The ten years that he honorably served the people residing in the Second Ward in the City Council, he was one of its hardest working members, voting and working for the very best measures which would be to the benefit of all people throughout this great city. Senator Harding is a true blue Chicagoan for he was born in this city and still resides in his beautiful home where he first saw the light of day at 2536 Indiana Ave., and the doors on his lovely home always swings both ways for his army of friends. Senator Harding never conducts himself in a swaggering manner for at all times he will bestow the proper amount of consideration upon all those who approach him and it makes not the slightest difference to him whether they are of high or low degree, rich or poor, Black or White and that is one reason why he is so extremely popular with all classes of his fellow citizens. He is a graduate of Harvard College, also of the Phillips Exter of New Hampshire and that fact alone largely accounts for his splendid intellectual attainments. In conclusion it goes without saying that on Tuesday, April 11, that Senator Harding will be elected one of the delegates to the Republican National Convention from the First Congressional District of Illinois.

**HON. JOHN WILLIAM ECKHART**

Hon. John William Eckhart, the more than prosperous flour merchant and miller, head of John W. Eckhart and Co., whose extensive flour mills are located at 311 North Carpenter street, who is one of the candidates for Delegates-at-large to the Democratic National Convention, to be voted for at the state wide presidential primaries, Tuesday, April 11th, was born in West Bend, Wis., November 20, 1855, his sturdy and highly respected parents being Jacob and Eva (Root) Eckhart. As he approached manhood he graduated from the high school of Vioqua, Wis. He has been one of the honored and most prominent business men of this great city since April 3, 1873, for that was the time that he landed in Chicago. From that time to the present he has been actively interested in all public

HON. JOHN WILLIAM ECKHART

The prosperous flour merchant and miller, head of John W. Eckhart and Co., whose extensive flour mills are located at 311 N. **NEGRO BOY SENTENCED FOR INSULT TO THE FLAG.**

Des Moines, Iowa. Special—Because of refusal to salute the flag, Hubert Eaves, the Colored boy, eleven years old, of the "Sanctified Cult" was ousted from the public schools of the city and sentenced to nine years in the reformatory by District Judge C. A. Dudley.

The Court suspended sentence and paroled the boy to his parents on their promise that he would be placed in a private school.

It seems that under the Laws of Iowa, Chapter 144, Laws of the 35th General Assembly of that state a certain drill requires that all school children must salute the American flag, Mr. and Mrs. Eaves, the shortsighted parents of Hubert Eaves should feel by this time that they have fastened a great crime or wrong upon their son by instilling or pumping into his undeveloped mind a hatred and a contempt for the flag of this mighty nation, for the next nine years except at stated times they will greatly miss their son from around their fireside.—Editor.

**SUPREME COURT DISBARS TWO CHICAGO LAWYERS.**

Names of Miles S. Macon and Mason Bamborough Ordered Stricken from Roll of Attorneys.

Miles S. Macon and Mason Bamborough, two Chicago attorneys, were disbarred by the Supreme Court of Illinois and their names ordered stricken from the roll of attorneys yesterday. The decision ended an unsuccessful fight of three years on the part of both attorneys to retain their professional standing.

Both lawyers were charged by the Chicago Bar Association with unprofessional conduct. There were five counts against Macon, two of which were those of withholding money belonging to a client. A similar charge was preferred against Bamborough.

It will be recalled that Miles S. Macon, who hails from somewhere behind the sun away down in the rotten state of Georgia, presided at the Ben Tillman meeting the last time he spoke at Orchestra Hall in this city, the latter part of November, in 1906, and it is an old saying that chickens will come home to roost.

Mr. and Mrs. George T. Kersey, have removed from their lovely home, 6908 Cornell avenue to 2966 Vernon avenue so that Mr. Kersey will be much closer to his place of business, the Emanuel Jackson undertaking establishment, 2959 S. State street.

A mass meeting was held in the interest of Y. W. C. A. last Sunday afternoon at Bethel Church. Dr. A. Corwin, Prof. E. B. Johnson, Miss Maude Roberts, Mr. Hugh Buchanan, Mrs. Eva Jenifer, Rev. W. D. Cook and Mr. Chas. Elgar, participated in the program. Mrs. Hattie Arrant was manager of the affair and E. E. Moore master of ceremonies.

Mr. and Mrs. William H. Clark and their family have removed from 319 East 29th Place to 3143 Forest Ave.
