Mrs. Lopez asks an inspection of her Fall stock of clothing, and guarantees St. Louis prices, and even less.

We can save you money in the purchase of your winter Boots and Shoes. An immense stock at low prices at Lopez's.

WANTED.—Five cords of hickory wood, to be delivered by the 15th of October. Cash will be paid. Apply at this office.

To Rent.—A piano, by the month. For terms and conditions apply to L. Lybecker, Professor of Music, Ironton House.

Our stock of clothing, for style, finish, and low prices, can not be surpassed. Call and see us.

The city marshal last Monday received his official cap, and a noble affair it is. It announces unmistakably the official position of its wearer.

J. C. Peck, Esq., is up in the city seeing the sights. We trust amid the blandishments of St. Louis society, he may not forget the "girl he left behind him."

CITY TAXES—Have been due for some time, and it now becomes the duty of the collector to see that they are paid. Look out for him, and prepare for him, for he will surely give you a call within the next few days.

The reason why we can undersell any body in shoes: we buy large quantities and get the lowest prices. We buy for cash and get the best discounts.

Mrs. S. Lopez, Ironton, Mo.

At the Fair at the courthouse Monday night, Mrs. Thomas Moore drew a quilt; Miss Alice Gresson, a cake; Miss Nettie Schultz, a landscape; and Miss Dora Ake, a doll's pavilion.

H. E. Charlton, Esq., railway agent at this place, is now off on furlough, visiting his parents in the city. That he may have a good time, and then come back to his post, refreshed, and prepared for another year's work, "we shall ever pray."

Our young friend, Bernard H. Zwart, Esq., left for the city last week, to begin his concluding year in the study of medicine at school. He will return to us a few months hence with the well-earned "M. D." adjoined to his name. We wish him success.

WANTED—For Walnut Ridge, Ark., First Class Butter, and Good Cooking Butter, and Eggs. Will pay for Butter, 1st class, 25 cents per lb; for 2d class butter, 20 cents; for eggs, 15 cents per dozen. To be well packed and delivered at Arcadia House for payment.

Jas. M. Logan, Esq., of Bellevue yesterday sent us specimens of his apples, as follows: 6 Ismaelites; 6 Golden Pippins; 6 Lady Fingers; and 4 Northern Spies. They will decorate our banquet table, and if any of our friends desire to see something nice let them call at this office.

Two Fine Pups.—While at Farmington last week, two of the band boys—Frank Scoville and C. W. Tetwiler—bought two Irish Setter pups from Mr. Dalton, and brought them home in the band-wagon. When the band played, they—the pups—"joined in the chorus" and made some fine music. They are now safely kennel'd, and in a few months will make fine hunters.

A few days since the Baldwin Bros. purchased a new set of "bits" for their turning-lathe, and upon trial congratulated themselves upon their bargain. Monday, however, one of the bits got loose and flew out, knocking things around lively for a short time. Luckily no one was hurt. The damage will amount—considering loss of time and repairs—to near fifty dollars.

Usually, when a party is in the minority, it chooses its best men for candidates. The Republicans of this county have seen fit to take the contrary course—with, perhaps a couple of exceptions. Their candidate for sheriff and collector is a good man, and we have nothing particular to say against some of the others, except that they are Republicans. But, as the campaign goes along we shall show how very unwholesome are some of the more important nominations.

Mrs. Lopez has gone to the city again—this time, to lay in a fall stock of Millinery, Ladies' Dress Goods, Notions, etc. She will return the latter part of this week, and by Saturday will be able to show her lady customers the new things she has purchased for their consideration and benefit. As Mrs. Lopez has an experience gained by many years in the business, no one can doubt the excellence of her judgment, and any of our fair readers who may need something to wear can be assured that at this establishment she will be sure to find it of the best quality and at the lowest price.

DIED.—A. Williams, Mo., on Wednesday, Sept. 15th, of congestive chills. Mr. FRANK M. HELM, of Pilot Knob, aged 43 years and 10 days. The body was brought to Pilot Knob and buried on the 16th inst. He leaves a wife and seven children.

At Edge Hill, Reynolds county, on Friday, Sept. 17th, at nine o'clock A. M., NANCY, wife of Frank Gallagher, aged 24 years. She leaves a husband and four children.

Near Ironton, on Wednesday, Sep. 15th, LARNA, youngest daughter of Nancy and Daniel Mead, aged 4 years. The body was taken to Perry county for interment.

In looking over the poll-books of the late Democratic primary election, we discover the name of J. N. Semands as one of the voters at Des Arc, and A. H. Eaton at Henderson precinct. The Republican county ticket, nominated at the courthouse a couple of weeks since, contains the same names—the former as representing the gentleman running on

that ticket for County Judge for the Southern District, and the latter for Judge of the Western District. This is a singular coincidence, and shows how confusion may arise from sticking too closely to family names; for, of course, these latter are not the same gentleman who voted at our primary election. That would, in honor, have bound them to support the nominees they helped to make, and rendered their running upon the Republican ticket impossible.

Our Weather Report for 1880. Table with columns: DATE, THERMOMETER, WIND, WEATHER, RAINFALL. Includes data for Sept 13-22.

We put in five solid days at the Farmington Fair last week, and if we ever got more enjoyment out of the same space of time, it does not now recur to us.

The exhibit in the Art Hall was good, but we were not much of a connoisseur in those things which generally interest most people—especially the ladies. We don't know a "log-cabin" quilt from the "Star of Texas" or the "Moon of Araby," and so can't be expected to give an intelligible or just account of the same.

The exhibit in the Art Hall was good, but we were not much of a connoisseur in those things which generally interest most people—especially the ladies. We don't know a "log-cabin" quilt from the "Star of Texas" or the "Moon of Araby," and so can't be expected to give an intelligible or just account of the same.

Now, we have so many friends over there, who showed us so many acts of good-will and kindness, that we despair of doing them justice in this hastily scribbled "local," and shall try to name them. We lodged at the Dalton House, and a week's experience more than confirmed the opinion expressed of that hostelry in these columns a few weeks since.

At the fair grounds, one of our best friends was Mr. Swank, proprietor of Booth No. 11, and on behalf of the Band boys we beg to tender him public acknowledgment of the debt of gratitude due him for numerous acts of kindness toward us. May he prosper, marry early, live long, and finally leave many other Swanks to minister to the wants of future tired, thirsty brass-bands.

Mr. Westcott, gate-keeper, Hons. Barr, Walker and Jasper N. Burks, and Jas. W. Coffman, Esq., and others, were at their posts and made things pleasant for all with whom they came in contact. May their tributes ever increase!

Saturday evening, after an excellent supper, we got into the band-wagon and left for home. Half-past nine o'clock saw us all—including the setter-pups—safe at our destination, and the next morning, after a good night's rest, we arose, put on our Sunday apparel, and soon knew again our favorite loafing place.

A Good Watch for \$5. For FIVE DOLLARS we will send by mail, postage pre-paid and registered to any address, a full-sized handsome and excellent watch, a stem-winder of American manufacture, warranted to give satisfaction as to wear, appearance and time. School Fund Mortgage Sale. WHEREAS, C. O. Jones and Ella D. Jones, his wife, and W. H. Winfield and Lillian Winfield, his wife, by a certain School Fund Mortgage deed, dated the 3d day of June, 1879, which said mortgage deed was duly recorded in the office of the Recorder of Deeds for Iron county, Missouri, on the 31 day of June, 1879, in Book "V," pages 419 to 421, conveyed to Iron county, Missouri, for the use and benefit of the Capital School Fund of said county (therein more particularly described and set forth), the following described real estate, estate, lying and being in said Iron county, State of Missouri, described as follows, to wit:

Lots 1, 4, 5, 6, 7, 8 and 10, in block 21; also, lots 3 and 4, in block 41—all in the city of Ironton, Iron county, Mo. Which conveyance was made to secure the payment of three hundred and fifty dollars belonging to the Capital School Fund of said county, as follows, to wit: To the Capital School Fund of township 33, range 3 east, \$350.00; for which said amount the said C. O. Jones et al., as principals, with Mrs. M. A. Tong and N. H. Hutchins, as securities, executed their bond for the sum of \$350.00 of even date with said mortgage, bearing ten per cent. interest per annum from date, bearing date the 31 day of June, 1879, and payable on the 3d day of June, 1880—which said bond has become due and remains unpaid; and, whereas, among other things, it is provided in said deed of mortgage, that if default should be made in the payment of the principal or interest, or any part thereof, at the time when the same should severally become due and payable, according to the tenor and effect of said bond, that the then acting sheriff of Iron county, Missouri, should have power, without suit on said deed of mortgage, to proceed and sell said property conveyed and mortgaged in said deed;

And, whereas, default has been made in the payment of said bond in said deed of mortgage described, by both principal and sureties;

Now, therefore, in accordance with the provisions of said deed of mortgage, and in obedience to an order of the Honorable County Court of Iron county, Missouri, made at its September term, 1880, I, James Buford, sheriff of said county of Iron, State of Missouri, will, on

Saturday, October 9th, 1880, at the east front door of the courthouse in the city of Ironton, and county aforesaid, between the hours of 9 o'clock A. M. and 5 o'clock P. M. of that day, sell, at public vendue, to the highest bidder, for cash in hand, the above described real estate, to satisfy said bond and mortgage and the cost hereon.

JAMES BUFORD, Sheriff - sept16n of Iron county, Mo. [The above sale is ordered at request of C. O. Jones, that a perfect title may be attained.]
