TUTT'S PILLS

TORPID BOWELS,
DISORDERED LIVER,
and MALARIA.

From these sources arise three-fourths of
the diseases of the human race. These
symptoms indicate their existence: Loss of
Appetite, Bowels costive, Sick Head-
ache, Fatigue after eating, aversion to
exertion of body or mind, Eructation
of food, Irritability of temper, Low
spirits, A feeling of having neglected
some duty, Dizziness, Fluttering at the
Heart, Dots before the eyes, highly col-
ored Urine, CONSTIPATION, and de-
mand the use of a remedy that acts directly
on the Liver. As a Liver medicine TUTT'S
PILLS have no equal. Their action on the
Kidneys and Skin is also prompt; removing
all impurities through these three "scav-
engers of the system," producing stop-
ple and digestion, regular stools, a clear
skin and vigorous body. TUTT'S PILLS
cause no nausea or griping nor interfere
with daily work and are a perfect
ANTIDOTE TO MALARIA.
