ARCADIA HIGH SCHOOL.—Concluded. him to Arcadia Valley. He had lived here about twenty-five years, and although not a student of Arcadia High School, he had no doubt it would have been as well for him, and perhaps better, had he been one of the number. He paid a beautiful tribute to the school. Spoke in high commendation of its founder, and in terms of high regard of the old students with whom he occasionally meets in different parts of the country, many of whom now occupy places of honor and trust, not only in this but other states as well.

The list of old students present was then read:

(Mrs. G. B. Nall), Ironton, Mo. White Lottie (Mrs. Emory), Hematite, Mo.

On motion, all who were present were requested to furnish the Secretary, as soon as possible, with any names of students with their present address and vocation, in order that we may get as nearly as possible a roll of all who may have attended school here at any time. Motion carried. J. H. Moore, of Commerce, arose and asked to say a few words, as he had not prepared anything for the occasion, but he could not allow the meeting to close without at least expressing the great pleasure it has given him to be here; and, most of all, how happy he was to see so many of his old associates; he considered it time well spent. Said he would have gone twice the distance to have seen just one person who was present—the venerable Walter B. Trumbull, whose name is so intimately linked with that of A. C. Farnham. Also, spoke of Father Berryman, "Uncle J. C., and Aunt Margaret," as we used to call them—paying sweet tributes to her memory. Mr. Moore intimated that we meet again next year, or on about the same time of the year, also using influence with others to have them come. A motion to meet next year was passed unanimously, by standing vote.

On motion, a committee shall be appointed, with J. L. Thomas as chairman, to attend to making arrangements for future action. Motion carried. Among the souvenirs attending the occasion there was one of special notice: An oil painting made by Prof. Hinchey in the year of 1856. The oil relic is the property of Mrs. Emily Russell, who was a pupil in drawing about that time. Mr. H. H. Thomas, of Hillsboro, passed judgment upon it by saying it was the best representation of Arcadia as it was in days of yore, that he had ever seen. He loved to look on that picture, for it brought back fond reminiscences of days gone never to return again.

On motion, adjourned to meet on or about the 28th of July, 1885. G. Q. BERRYMAN, J. L. THOMAS, Sec'y. Chairman.
