To the Democrats of the 26th Judicial Circuit.

I served the people once as their Circuit Judge—I trust not unacceptably. For twenty years, since retiring, I have served you unofficially, without asking or accepting any office. If it please you to elect me your Judge, which office I offer myself as a candidate, I will devote to the discharge of the duties thereby imposed the best qualities of my heart and head. Who killed the Hungarian?

A taste of summer is upon us.

Bonanza is in its new quarters.

Who was the Hungarian killed?

The street lamps will be lighted.

The K. of L. held a special meeting Monday night.

Attend the public examinations at our school next week.

Indications are that the coming campaign will be a lively one.

Let the patrons of the Ironton Public School attend the examinations next week.

Go to the public school Tuesday, Wednesday and Thursday of next week to witness the public examinations.

We learn through our Hogan correspondent that Geo. Blomeyer has been transferred to the Summit. Lucky Summit!

The warm rains of the past week are making the grass and vegetation get up and git. And verdant grows the land apace.

Mrs. Lopez has gone to the city, and will return in a few days with a large and well-selected lot of Spring Millinery, Notions, etc.

O, the days of the garden-maker,

O, the pick, the spade and the hoe,

O, the reign of the rubbish-raker,

And smouldering brush-heaps' glow!

The K. of L. held a special meeting Monday evening, in consequence, it is rumored, of a dispatch from one of the headquarters of the order.

J. S. Jordan, Esq., of Annapolis, was in the Valley Saturday and Sunday. We presume it wasn't the first time he was mistaken for "one of the cloth."

97 per cent. of the State and County revenue was collected for 1885, while only \$128 of personal taxes were returned delinquent. Bill has made one of the best officials Iron county ever had.

The Knights of Honor give a public initiation to-morrow (Friday) evening, and invitations have been issued to their friends.

The proceeding will be interesting, of that all may rest assured.

The Florida Glide Waltz, by Will L. Thompson, is one of the most beautiful pieces of music for piano or organ, ever published. Any music dealer will mail it to you on receipt of price, 50 cts.

Attention is directed to the increase in valuation and additional assessments made by the Board of Equalization at its session last week. Said Board will listen to any appeals therefrom on Monday, April 26th.

At the Pilot Knob Town election last week, F. A. Ebrecht, Wm. McFarland, Chas. Arnold, F. Selbert, and Henry Peetz were elected Trustees. At the School election for that district, Louis Schwamer and F. A. Ebrecht were elected directors for three years, and Theo. Rudy to fill vacancy.

Arcadia Items.

Ed. Register—As I haven't written for some time I think I ought to let you know how Arcadia is getting along.

The great strike is over, I think, and ought to teach the Knights of Labor a lesson which they will not soon forget. The most of the Knights are intelligent men and ought to know that they can always find work on their own merits, and need no boycotting combination to boost them into place. It is the incapable man, the botch, whom no employer wants any terms, who is always decanting on the "rights of labor." In this free country, where journeymen mechanics get from two to three dollars a day, the upward path is free and unobstructed to every industrious and steady man who wishes to rise. But it does not lead through the stormy camps of trade unions and Knights of Labor. Let every such man simply mind his own business, steadily aim to do each day's work better than before, seize upon all opportunities for reading, study and self-improvement, avoid saloons and other doubtful resorts, and carefully save up his earnings, week by week, and he will find his road to advancement as easy as most other men's, and with as few wrongs as complain of.

Who should any of you Knights of Labor become contractors and have occasion to hire labor you will quickly become enlightened on the wrongs which employers experience from their workmen and others. There is no use to talk, my brother, you cannot go to heaven on flowery beds of ease. You will have to give value received for what you get. Trickery will only last for a time. An honest day's work for an honest day's wages is my rule.

Mr. Bud Miller, of Dexter, Stoddard county, has rented Father Wernert's house and will move his family up this week, for the summer.

Mr. Wm. A. Fletcher will commence building his new house soon. I hope you will build something neat and artistic which will be an ornament to Arcadia, Ill.

I see some of the good people are removing some of those long-talked-of fences. It is better to move them now than wait until the Court makes you do it, for it will have to be done.

Mr. J. C. Medley is home from Wolf Island, and he tells me he will have the old landmark, usually called "long-house," taken down, for which he will have the thanks of all the people of Arcadia.

Mrs. Lyman Welch moved into her new house last week. I hope she will find the Valley a pleasant place to live in.

Charley Allison and S. J. Tual have finished painting Ironton. Selly will finish his contract between Ironton and Arcadia Charley will visit Ironton as often as he finds time to do so.

Mr. Thompson is contemplating building a three-story tower and an additional room to his already commodious dwelling.

Dr. Berryman, I think, has about made up his mind to remain in the Valley, and will probably build a ten-room dwelling house.

I see Mr. DeMire has been beautifying his property by planting out shade trees. Let the good work go on.

Mrs. Minnie Frazier is going to open a subscription school in the public school house Monday. I think there are some grown up boys who would like to go.

The Knights of Honor will have a fundango next Friday night. All ought to go and see it as Uncle Pete will ride the goat.

UNCLE PETE.

Hogan's "dudes" were up Sunday.

Mrs. Corine Cooney left for St. Louis, Monday, where she will make her future home.

Miss Mattie Allison has returned home from an extended visit to St. Louis.

Spring has surely come, for Col. McGhee has commenced his fishing season.

Capt. Peck, John Holloman and Will Hindeley spent several days in St. Louis last week.

Miss Emma Peck, Piedmont, was in town Sunday visiting friends.

Mr. D. W. Gilman has moved his family from this place to Des Arc.

Chas. Collins, Des Arc, was visiting friends and relatives in this place last week.

The wedding bells will soon ring out in Arcadia.

James Evans is making big improvements on G. W. Seoggin's store house at Hogan.

John Whitworth's store is giving good satisfaction to all his customers.

Will Prince and Toss. Hogue are busily engaged trying to invent a gate hinge that will not screech or break under two hundred pounds pressure from 10:30 to 12 P. M.

SISTER.

"As proper men as ever trod upon neat's leather here gone upon my hind-quarters!"

JULIUS CESAR.

I sell only proper Boots and Shoes: I. e., Boots and Shoes that FIT AND WEAR WELL.

My long practical experience makes it impossible for designing drummers to sell me anything for leather that is not. When you buy of me you run no risk of paying leather prices for paper goods.

FRED KINDELL, Proper manufacturer and Dealer in Boots and Shoes, Main Street, Ironton.

From Goodwater.

Mrs. Lafayette Midgett, of Indian Creek, has been quite ill with pneumonia fever, but is now convalescent.

D. S. Love has gone on another cattle expedition.

Farmers are "rolling the soil" preparatory to planting corn.

On the 23rd inst. the writer went on business to Sunlight, Washington county. Mr. Ramsey, of above named place, is preparing to build a new dwelling house.

Mr. C. W. Welbon, of Huzza, was here on the 3th ult., for the purpose of engaging to teach our public school.

Mr. R. J. Alcorn anticipates teaching school at Davisville in Crawford county.

Rev. W. T. Crocker preached at our schoolhouse last Sunday.

G. W. Williams had a "log-rolling" at his farm Wednesday, 17th inst.

D. S. Love observed a Lunar Rainbow at five o'clock Saturday morning, March 20th, inst. Mr. L. has seen three L. R.'s in his time.

To-day, 9th ult., D. S. Love, returned home bringing with him eleven head of cattle.

Perhaps some readers of the REGISTER have never seen a hazel blossom, common as they are. Many wrongly suppose the tassel to be the bloom. The bloom is purple and emerges from those little protuberances found along the branches of the hazel. From 15 to 20 spriglets compose each bloom, March being the blooming season.

April 10th. L. W. G.

Increase In Valuation

And Additional Assessments made by the County Board of Equalization of IRON COUNTY, Missouri, for the year 1886:

Table with columns: TO WHOM ASSESSED, AMOUNT, and VALUATION. Lists various individuals and their property valuations across different towns like Arcadia, Pilot Knob, and Ironton.

STATE OF MISSOURI

I, G. B. NALL, Clerk of the County Court, and Ex-Officio Secretary of the Board of Equalization for Iron County, Missouri, hereby certify that the above is a true, full and complete copy of the increase in valuation and additional assessments made by the County Board of Equalization during its session commencing April 5th and ending April 15th, 1886, as the same appears of record in my office, and that said Board will meet at my office in the City of Ironton, Iron county, Missouri,

ON MONDAY, APRIL 26TH, 1886,

to hear and determine any and all appeals that may be taken from the foregoing valuation.

Witness my hand and the seal of said Court, at office in Ironton, [SEAL], this 9th day of April, 1886.

G. B. NALL, Co. Clerk & Ex-Officio Sec'y of Board.

From Hogan.

Ed. Register—As the "Striker" and Hogan "Pusher" are gone from this place, it falls upon us to call upon ye Editor with our little squib.

Farmers are busy farming.

Mr. Mat. Gibson is still on foot.

The track-walker, Mr. David Gibson, has got his full force of men out again.

Mr. Maurice Fenelon, I understand, has taken up telegraphy. Success to you, Maurice; you will make a good one.

A. D. Blomeyer, of De Lassus, Mo., made a flying trip to Hogan last week. He did not show off to a very great extent, as he was on a laborer's errand.

Holloman Bros. are doing work up in a brown rag, I tell you, with their saw-mill. They are employing all the teams they can get, and Hogan is beginning to have the appearance of a business town once more.

Mr. Ed. Conley has got the confidence of all the folks in Hogan as being "chief-cook and bottle-washer"—when it comes to telling first-class yarns.

Mr. Jno. Ellis has partially closed his chair factory on account of the sap coming up, and causing the timber to work very bad.

The night operator has been put on duty again.

Mr. G. W. Seoggin is having some carpenter work done on his store; it shows up well. He is also having his stock of goods overhauled and replaced.

Mr. P. Blomeyer has been removed to the Summit, and a gentleman by the name of Andrews has taken his place. We hope the latter will remain, as he has the appearance of a very nice man, and hope that our future acquaintance may substantiate the impression. The former is you, Selah.

Awful is the world,

And its every awful minute;

For 'tis an awful world,

With awful people in it.

Some are awful fat,

And some are lean;

Some are awful good,

And some are awful mean. J. H. B.

From Des Arc.

DES ARC, Mo., April 11th, 1886.

Ed. Register—Not hearing any news from our town, lately, thought I would write a few lines.

Everything quiet here. Trains running almost regular again. Business looking up. The section men have been put on again.

Two more new quarries, near Annapolis, have started up.

Mr. Joseph Knish paid off yesterday to the amount of \$1700. Miller & Fitz also paid off the other day.

Not much sickness, as Doc. Clarkson may be seen around town cracking jokes among the boys.

J. M. Morris took a business trip to the city and returned with a large bill of goods. He reports business dull in the city.

Mr. Joseph Omohundro, of De Soto, is in town visiting his parents.

Mr. Editor, boycotting must be a contagious disease as it has got among our young ladies. They court and exercise it at church and Sunday School in such a manner that it is entirely disrespectful to the members of the congregation as well as to the Sunday School authorities. Hoping not to see any more such silly conduct among ladies of their standing, I am,

Yours respectfully, SISTER SALLY.

From Belgrade.

Ed. Register—I see, from the REGISTER of March 18th, that your correspondent from Graniteville is not dead yet but married. For I see he has changed his name, and that accounts for him being overjoyed and we wish him much happiness and a long life.

There is considerable sickness in this vicinity.

Miss Lulu, daughter of James Woods, died of consumption, near Belgrade, on March 14th. Aged 15 years.

Robert Weast, of Ironton, paid his parents
