A little care and study now may save twenty-five years to your life.

If you know that your liver and kidneys are out of order, stop work, permiting and buy a bottle of **Dr. J. H. McLean's Liver and Kidney Balm** today—it will cure you.

At Your Druggist's If he doesn't sell it, send us \$1.00 and his name, and we will express you a bottle, charges prepaid.

The *Daily Mail* of London publishes the first of a series of letters from Percival Landon, its special correspondent at Manila. The following item from the press dispatches shows that he agrees with Miles rather than with the administration in regard to present conditions there: "Landon declares that the American campaign has made no impression in the islands; that the firing line is co-extensive with the coast line and that a feeling of utter insecurity prevails at headquarters. The correspondent asserts that in a country depending entirely on agriculture for its prosperity the islands are being largely abandoned. He says it is time for the United States to decide whether there might be a reconsideration of its policy of the past few years."
