### A SAFE AND SURE OPPORTUNITY FOR INVESTMENT.

An unparalleled offer for a sound investment with a certainty of speedy and handsome enhancement in value is now being placed on the market by the **MERCANTILE TRUST COMPANY** of St. Louis, Mo. This property, which is in Southwest St. Louis, is on a high and perfectly drained land, and is situated in one of the city's choicest residence sections. All improvements, such as paving, sewers, gas, water, electric, gas, etc., are in or being placed. Restrictions imposed by the vendors, guarantee the high character of the neighborhood in perpetuity. The lots are offered at an extremely low price, and on easy terms—no more than 5% down, the balance in \$100 monthly payments, in the event of the death of a purchaser, after having made one payment, title to the property vests at once in his heirs. **FREE OF ALL ENCUMBRANCE.** By this unequalled plan of the Mercantile Trust Company, the purchaser and his family are insured against loss. The Company also offers to the first ten purchasers of lots who build homes, a cash bonus of \$25 each. A building line of 20 feet and a minimum value of \$200 for the street front are among the restrictions imposed by the Company. The property adjoins the beautiful King's Highway Boulevard, which is contemplated, and this thoroughfare now gives the Mercantile Trust Company's Car Lines a route through the center of the city, bringing it within 40 minutes of the heart of the city, with a five cent fare. Now is the time to get in on the ground floor. These lots are destined to increase in value rapidly. At present they are selling at from \$10 to \$25 a lot, including all improvements. The natural growth of St. Louis is in this direction. For further information concerning this offer, address

## THE DRAUGHT'S BLACK-DRAUGHT THE ORIGINAL LIVER MEDICINE

A sallow complexion, dizziness, biliousness and a coated tongue are common indications of liver and kidney diseases. Stomach and bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. The Draught's Black-Draught never fails to benefit diseased liver and weakened kidneys. It stirs up the torpid liver to throw off the germs of fever and ague. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinforced by The Draught's Black-Draught thousands of persons have dwelt immune in the midst of yellow fever. Many families live in perfect health and have no other doctor than The Draught's Black-Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Mullins, S. C., March 10, 1901.  
I have used The Draught's Black-Draught for three years and have not had to go to a doctor since I have been taking it. It is the best medicine for me that is on the market for liver and kidney troubles and dyspepsia and other complaints. Rev. A. G. LEWIS.
