COUNTY OF IRON.
In the Circuit Court of Iron County, in the State of Missouri—To the October Term, 1907.
Lois M. Speer, W. D. Isenberg and H. G. Speer, plaintiffs,

vs.
Hugh A. Crawford, defendant.
Now at this day come the plaintiffs, by their attorney, Warren D. Isenberg, before the undersigned clerk of the circuit court of Iron County, Missouri, and file herein their petition and affidavit, stating, among other things, that they are the owners of the fee simple title in and to the hereinafter described property, situated in the County of Iron, and State of Missouri, and which is described as follows, to wit:

Lots one and two of the southwest quarter of section seven, township thirty-four, north, range one west.
Plaintiff further shows the Court that the defendant is asserting some right, title, or claim in and to said property, adverse to the right, title and interest of plaintiffs, and the exact nature of which, and how derived, is unknown to plaintiffs.

Plaintiffs further show the Court that the defendant, Hugh A. Crawford, is a non-resident of the State of Missouri, and that the ordinary process of this Court cannot be served upon the defendant, Hugh A. Crawford, in the State of Missouri.

Wherefore, plaintiffs pray the court to try, ascertain, and determine the title of the plaintiffs and defendant to the said property, and by its decree to adjudicate, settle and define whatever right, title and interest the plaintiffs and defendant, respectively, may have in and to said property, for their costs, and for such other relief as they may be entitled to.

It is, therefore, ordered by the Clerk aforesaid that publication be made notifying said defendant, Hugh A. Crawford, that an action has been commenced against him by petition in the Circuit Court of Iron County, in the State of Missouri, the object and general nature of which is to try, ascertain and determine the title, estate and interest of the plaintiffs and defendant, respectively, in and to the real estate described in the plaintiffs' petition, as follows, to wit:

Lots one and two of the southwest quarter of section seven, township thirty-four, north, range one west, in Iron County Missouri.

That unless said defendant be and appear at the next regular term of said Court to be begun and holden at the court house in the City of Ironton, County of Iron, and State of Missouri, on the fourth Monday in October next, (1907), and on the first day of said term of Court, answer or plead to plaintiffs' petition, the same will be taken as confessed, and judgment shall be rendered accordingly.

And it is further ordered that a copy hereof be published in the IRON COUNTY REGISTER, a weekly newspaper printed and published in Ironton, Iron County, Missouri, for four weeks successively, published once a week, the last insertion to be at least thirty days before the first day of the next regular term of this Court.

Now at this day come the plaintiffs, by their attorney, Warren D. Plaintiffs further state that the defendants are asserting and claiming some right, title and interest in and to all said lands, adverse to the estate of plaintiffs therein, the exact nature of which claim is to the plaintiffs unknown.

That the defendant, Hugh A. Crawford, is a non-resident of the State of Missouri, and that the ordinary process of this Court cannot be served upon him in the State of Missouri.

[Action to Enforce Lien for Taxes]
Now at this day comes the plaintiff, J. N. Lewis, Collector of the Revenue of Iron county Missouri, and files his petition and affidavit, setting forth, among other things, that the defendants are Edwin A. Hawks, Edwin A. Haroks, Eaton P. WATERPROOF
The roofing that is absolutely waterproof is the only one that you should consider for your building. Tin and galvanized iron roofs rust and corrode, causing leaks; and shingles are also unsatisfactory because of their inflammability.

REX FLINTKOTE ROOFING
is treated with our own compounds that make it waterproof and fire-resisting. It is used on thousands of factories, farms and dwellings in the United States and Canada. Anyone can lay it.

Our book, which we will send free, together with samples, will give you valuable points on roofing.
