

Russia Now Has Woman Lawyer.
 Dr. Katherine Fleischer has just been admitted to the bar in Russia and will practice her profession in St. Petersburg. She is the first woman lawyer in the czar's dominions, and passed the final examinations with high honors. She met with much opposition when she first announced her intention of studying law. Prejudice was strong, even from influential members of her sex. She persisted in her ambition against all obstacles, however, and came out triumphant. It is her hope to fight the legal battles of women, and she seeks them especially as clients. Dr. Fleischer is an ardent suffragette and predicts she will live to see women sitting in the duma.

The Secret of Youth

Do you ever wonder how you can remain young, or why other women older than you, look younger than you do? The secret can be put in a few words: "Preserve your health, and you will preserve your youth." By "health" we mean not alone physical health, but nerve health, as, sometimes, magnificently strong-looking women are nervous wrecks. But whether you are weak physically or nervously, you need a tonic, and the best tonic for you is Cardui. It builds strength for the physical and nervous systems. It helps put flesh on your bones and vitality into your nerves.

Take CARDUI

The Woman's Tonic

"My mother," writes Mrs. Z. L. Adcock, of Smithville, Tenn., "is 44 years old and is passing through the change of life. She was irregular and bloated and suffered terribly. My father stepped over to the store and got her a bottle of Cardui, which she took according to directions and now she is up, able to do her housework and says she feels like a new woman." Try Cardui in your own case.
