When a boy undertakes to learn the grocery business in Prague, Bohemia, his employer demands from \$20 to \$50 a year from him and in return furnishes board and clothes. The lad must attend an advanced business school at least twice a week and on Sundays study an additional language.

**He Didn't Mind.**  
"I suppose, Jerry," said the eminent statesman, looking through his pocketbook for a new dollar bill, "like a lot of other people nowadays, you would rather have clean money?"  
"Oh, that's all right, Senator," said the cabman. "I don't care how you made your money."

**His Only Chance for Peace.**  
"A malcontent," mused the man at the head of the table, "is a man who is never satisfied with his lot. The only one that could bring peace to his rebellious spirit is the family lot."

**Are You Nervous?**

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength.

**TAKE The CARDUI Woman's Tonic**

Mrs. Grace Fortner, of Man, W. Va., took Cardui. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardui helped me. Now, I am entirely cured of the fainting spells, and I cannot say enough for Cardui, for I know it saved my life." It is the best tonic for women.  
Do you suffer from any of the pains peculiar to women? Take Cardui. It will help you. Ask your druggist.
