

Modern Education.
A prominent school principal lately told us some of the answers found in pupils' examination papers. Here are two of them: "What is a volcano?" "A volcano is a mountain that sometimes blows the equator off." "What is the difference between a mountain and a hill?" "A hill is like a mountain, only a mountain is a little more hillier."

Use for Old Records.
Old talking machine records make very nice table mats for hot dishes. The mats can be made by gluing acetate on both sides of records and covering with linen or cretonne and binding it with a brass strip with same material sewed into place.

6 Beautiful Teaspoons Free.

"Cardui Cured Me"
For nearly ten years, at different times, Mrs. Mary Jinks of Treadway, Tenn., suffered with womanly troubles. She says: "At last, I took down and thought I would die. I could not sleep. I couldn't eat. I had pains all over. The doctors gave me up. I read that Cardui had helped so many, and I began to take it, and it cured me. Cardui saved my life! Now, I can do anything."
TAKE The CARDUI Woman's Tonic
If you are weak, tired, worn-out, or suffer from any of the pains peculiar to weak women, such as headache, backache, dragging-down feelings, pains in arm, side, hip or limbs, and other symptoms of womanly trouble, you should try Cardui, the woman's-tonic. Prepared from perfectly harmless, vegetable ingredients, Cardui is the best remedy for you to use, as it can do you nothing but good. It contains no dangerous drugs. It has no bad after-effects. Ask your druggist. He sells and recommends Cardui.
