

Pat's in His Death.
A strange death recently befell a member of the Royal Irish Constabulary. He was cutting a bough off a large tree at his house in Drumadd, Armagh, when the bough, weighing over a ton, broke, and, the end pinning him against the trunk, killed him. The first news of the accident was brought by his little child running to her mother saying: "Daddy is asleep up in the tree."

His Tribute.
"When Brodder Maulin's wife died," feelingly stated Sister Maudie Wadley, "right dar at the graveside he took and ripped off all de buttons fum his grahamants dat he could possibly spar' and he's done left 'em off ever since to show his grief. Lard, how he must-uh-loved her!"—Kansas City Star.

"Try Cherry Chio. It's fas—Aiv."

Liver Trouble Signs

Headache, dizziness, bad taste in the mouth, bad breath, bad complexion, coated tongue, etc., are all signs of liver trouble—of clogging up of the natural health channels, by overflow of bile, indigestion, etc. If you suffer from any of these disagreeable symptoms; if your meals don't taste right; if your appetite is poor; if the food you eat doesn't digest, the first thing to do is to purify your system with a general, cathartic, liver medicine. For more than 75 years

THEDFORD'S

Black-Draught

the vegetable liver medicine, has been in successful use for just such troubles.

Mrs. John Simonson, of McLeansboro, Ill., says: "Theford's Black-Draught is surely a fine medicine. I have taken it for liver and kidney troubles, also headache and it beats any medicine I know of. It cured me of these troubles. I would not be without it in the house."

Try this remedy for yourself. At all dealers. Costs only 25c a package, one cent a dose.
