In response to the cordial and solicitous invitation by Mrs. J. H. Yount to a Hoverized luncheon at her home last Thursday, members of the Baptist Aid Society flocked from far and near. The ladies decided to give an apron and towel sale in the basement of the Baptist Church on afternoon of May 31st. X.

From the Ellington Press: The Red Cross sale last Saturday was the largest affair of its kind ever held in this part of the state. It goes without contradiction that the success of the sale was due mainly to Hon. Jesse M. Hawkins, of Ironton, Mo., who served as auctioneer. The Woman's Council of Defense and the Red Cross Chapter of Reynolds County are indebted to Mr. Hawkins and in behalf of these organizations we extend thanks to him for his trouble in coming here and conducting the sale so successfully, which will total about \$1,000. He is known to the majority of our people as a congenial gentleman, a man who makes friends easily and keeps them. Mr. Hawkins is finishing a term as Circuit Clerk and Recorder of Iron County and is a candidate for election. We voice the sentiment of our citizens in desiring to see Mr. Hawkins re-elected to the office he now holds and which he has filled with credit to himself and the people of Iron County.

The Local Board has been notified that 25 men from Iron County will be entrained for Camp Dodge, Des Moines, Iowa, May 28th. Mr. W. R. Compton, Chairman of the Liberty Loan Organization of the Eighth Federal Reserve District, St. Louis, under date of May 16th, addressed Mr. E. Edgar Fletcher, Chairman of the Third Liberty Loan Campaign in Iron County, as follows: "My Dear Mr. Fletcher—I want to congratulate you and the organization of Iron County over the success in the Third Liberty Loan Campaign. The figures that we have received may be incorrect, but we are at least sure they lean to the side of conservatism. They show 664 subscribers and an oversubscription of your quota of approximately 272 per cent. Please also congratulate for me the people also of your county who through their subscriptions and energetic work have proved their loyalty and intention to backing our boys who are sacrificing themselves for the liberty and freedom which we are to enjoy. The State of Missouri, with an oversubscription of approximately 168 per cent., shows a remarkable record. The Eighth Federal Reserve District has been advertised throughout the nation as foremost in the contest for supremacy and I felicitate you on your part in bringing about this measure of success. I realize the great amount of work which your organization has put into; perhaps the many difficulties which you have had to overcome. It has been a real fight, but the people have responded well and it is a comfortable feeling to know that a national good has come out of the effort."

Our Soldier Boys.

Chas. B. Pruitt, 413 Engineers' Truck Co., Camp A. A. Humphreys, Belvoir, Va., writes: "In the government contest held at Washington, May 14th, for all makes of trucks to see which was the best, one of our 'Macks' driven by McDowell of our company cleaned out everything. Believe me they have to go some to beat one of these Macks. They are the best trucks made."

Lawrence Aldridge, Base Hospital, Camp Grant, Rockford, Ill., Ward 17, writes: "I am getting fat. Weigh 177 lbs. They sent ten nurses to France from here to-day. That makes us short on nurses, so I am now ward master and nurse all in one. I have to give the medicines and make out the reports all by myself. We do not see any girls here but the nurses and they are not allowed to go out with privates. So you see it is rather lonesome."

Paul Keith of Co. C, 7th Regiment, Camp Perry, Great Lakes, writes of a pleasant Sunday on which Billy Sunday preached to the Sailors in the morning and Harry Lander entertained in the evening. He says Billy Sunday is wonderful and he can now understand why thousands are converted under his preaching. "Besides the Radio School the Aviation school is here. They have about a dozen aeroplanes. Bert Shy is up here at Camp Boone attending the Quartermaster's school. Had a letter from Miss Duval to-day. If I can keep on going regular to school I hope to be able to pass the Harvard test in about a month. We have to be able to take 18 words a minute before we can go to Harvard." In a letter of more recent date he says: "I am now Mess Sergeant, and am on duty from 5 A. M. to 5 P. M. I am writing this while the boys are eating chow. Am always glad to get the Iron, Reynolds and Ripley County papers to find out what the friends are doing."

Dudley Riggs writes: "Have received orders transferring me, along with the rest of the 'Officers Candidates' at Funston, to Infantry Replacement Camp, Camp Lee, Virginia. We report at Camp Lee May 24th. Will write you if we are to go through St. Louis."

Cards have been received in Ironton and Arcadia this week from Louis R. Robinson, John R. Boswell, and Verne J. Yount, each of the 138th Infantry, saying their ship had arrived safely overseas.

Mrs. James Newman tells us that they have received wire from San Francisco, that her uncle, Mr. Winn Anderson, had arrived there. Mr. Anderson has been in Y. M. C. A. work in Russia and had to escape from Moscow. So it is a relief to his friends to know that he has at last made his lengthy journey through Siberia and across the Pacific to this country. He will go at once to his family in Oberlin, Ohio.

The family of Corporal Ed Reed and his brother, Private George O. Reed, have letters from them dated April 3d, saying they are well. The boys are undoubtedly in the thick of the fray.

Everett J. Meyers, with the U. S. Marines, somewhere in France, writes that he is well, although they are living like rats in a hole.

One of our boys from Annapolis, R. O. Simpson, of the U. S. Navy, had been for four months on the other side, but writes that he is now on a transport, and is suffering with a dislocated arm.

Winston Whitworth writes from somewhere in France that he is well.

Esther McKinney, the salutatorian of the Senior Class, presented the Patrons' Gold Medal to the valedictorian of the eighth grade on Thursday night of their exercises. The names of the high school graduates were printed last week. This class is regarded as one of the best ever graduating from the Ironton High School. They rank high in scholarship and were all loyal to the school.

The Last Week.

Revival services at the courthouse will close next Sunday. So far the singing has been good, and the preaching on a plane above that of the evangelist as he is generally known. In the few days that are left, would it not be wise for those who have not heard him to avail themselves of the present opportunity to do so?

Thursday afternoon, Prof. Parker will hold a service of song and object lessons participated in by the children, but to which everybody is invited.

The cottage prayermeeting for women, and courthouse prayermeeting for men (only twenty minutes) will continue till Friday, at 9:30 A. M., as will the Fort Hill service held by Brother Tetley, which is for every one. This latter service is one at 3 P. M.

The Sunday School and League will meet as usual. Mr. Parker will meet with the League, and would be glad to have other young folks attend that service.
