### THINK DOCTOR IS MISTREATING BOY

Physician, on Errand of Mercy, Is Beaten by Angry Italian Women.

### MOTHER GRABS CLUB

Beats Doctor Who is Trying to Give Sick Lad Pills—Neighbors Take Hand in the Proceedings—Rescued by Autoist.

Chicago—While on an errand of mercy in the Italian district, Dr. James E. Smedley, a well-known north side physician and volunteer Red Cross worker, was clubbed into unconsciousness by a crowd of excited women, who believed he was mistreating his patient, a little boy.

The physician is recovering from scalp wounds at his residence, under the care of his wife, a graduate nurse. He is 60 years old, but of powerful physique.

After being rejected for the army Dr. Smedley offered his services to the local Red Cross organization. For months he has given his time to charity cases, often being called from his bed late at night.

#### Gets Emergency Call.

One day recently he received an emergency call to 1212 Vine street, where Tony, the little son of Mrs. Mary Cantinno, was ill. It looked like diphtheria.

The doctor took the boy on his knee and pinched his cheek. Then he tried to slip some pills into the lad's mouth, but his patient became rebellious.

"Come, now, be a good boy," urged the doctor. "They'll make you feel better."

Tony still refused. Then the physician resorted to the customary expedient of holding the boy's nose, thus forcing him to open his mouth and swallow the pellets.

#### Mother Clubs Doctor.

The mother, who had been friendly, suddenly became infuriated. She

### PHYSICALLY FIT AT ANY AGE

It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit.

The kidneys are the most over-worked organs in the human body. When they break down under the strain and the deadly uric acid accumulates and crystallizes look out! These sharp crystals tear and scratch the delicate urinary channels causing excruciating pain and set up irritations which may cause premature degeneration and often do turn into steady Bright's Disease.

One of the first warnings of sluggish kidney action is pain or stiffness in the small of the back, loss of appetite, indigestion or rheumatism.

Do not wait until the danger is upon you. At the first indication of trouble go after the cause at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any cause they should not, your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine. In sealed boxes, three sizes.—Adv.

#### A Liberal Helping.

The Wyn-Jenkins were giving a little dinner party. Pa Wyn-Jenkins was carving a fowl. It was older than it looked, and the knife refusing to do its bit, the bird shot into the silken lap of the principal guest.

Mrs. Wyn-Jenkins went pale, but her husband never lost his sang-froid.

"I believe," he said to the guest, recapturing the bird, "that I've helped you to too much. Allow me to take back a little."

#### One or the Other.

Needst—Why don't you pay your debts? You've got the money.

Owem—Yes, but I wouldn't have it if I was to pay my debts.

### Western Canada's "Horn of Plenty" Offers You Health & Wealth

Western Canada's years has helped to feed the world—the same responsibility of production still rests upon her. While high prices for Grains, Cattle and Horses are sure to remain, price of land is much below its value. Land capable of yielding 20 to 45 bushels of wheat to the acre can be had on easy terms at from \$15 to \$30 per acre—good grazing land at much less. Many farms paid for from a single year's crop. Raising cattle, sheep and hogs brings equal success. The Government encourages farming and stock raising. Railway and Land Companies offer unusual inducements to Home Seekers. Farms may be stocked by loans at moderate interest. Western Canada offers low taxation, good schools and shipping; free schools, churches and beautiful climate. For particulars as to reduced railway rates, location of land, illustrated literature, etc., apply to Dept. of Lands, Ottawa, Can., or F. H. Hewitt, 2012 Main St., Kansas City, Mo., J. E. ### MARINES SURELY MADE HIT

But Not Altogether to the Extent That One Doughboy "Over There" Imagined.

He was a United States marine, just arrived in France as a relief for one of the men who had been discharged—upon condition of relief. He did not know French, and he wasn't aware of the fact that everything in a sea-coast town like Brest is named after the sea, which, of course, is "la marine."

Therefore, when he walked along the streets reading the signs his eyes began to open wider and wider. Here was the Brasserie de la Marine, here the Patisserie de la Marine, the Cafe de la Marine and everything else that possibly could carry the affix "de la marine." Long the "devil dog" looked. Then he scratched his head.

"Gosh!" he murmured. "I always knew the marines were good, but I never had any idea they'd make such a hit as this. By golly, they've named the whole darned town after 'em!"

**The Situation.** "Your husband is hitting up a fast pace at the punch bowl."

"Well?" "If I were you I'd call him down immediately."

"That will have to wait until tomorrow. If I quarrel with him now, he won't unhook my dress for me and I can't sleep in a ball gown."

**Too Bad.** Mrs. Quiz—Did your parents leave you anything? Mr. Nottin—Yes, they left me in debt.

### Struck Doctor Smedley on the Head.

screamed, seized a club and struck Dr. Smedley on the head. He fell to the floor stunned.

Again and again the heavy club descended. Her screams brought several women to the house. They took a hand at the clubbing. Then they locked him in the house and left, presumably to seek some of the male neighbors to wreak further vengeance.

The physician, bleeding profusely from the nose and from deep scalp lacerations, finally broke a window and hailed a passing autoist, who helped him out and took him home.

"The woman simply didn't understand, that was all," said Dr. Smedley. "She thought I was trying to hurt the boy."

### BUY DOGS TO CHASE CONVICTS

Police Hounds Are to Be Used on Sing Sing Farm to Run Down Escaping Prisoners.

New York.—For the purpose of chasing convicts who escape from Sing Sing's farm at Wingdale, Capt. J. A. Warner of the state constabulary has installed two mammoth police dogs in the Brewster mobilization station.

Sergt. Charles Broadfield, in charge of the state troopers there, believes the dogs will be able to scent the trail of escaping prisoners who flee from the farm, overtake and capture them. Warden Moyer has lost seven prisoners from Wingdale in the last two years. William Thomas, one of the fugitives, was trailed as far as Brooklyn several weeks ago and is still hiding there.

The police dogs were given to the constabulary by Mrs. L. F. Warner, who had them on her country place near Hempstead, L. I. On one occasion when two convicts fled the farm they stole the prisoner's watchdog by bribing it with meat and also stole a horse and rig.

**Court Relieves Him.** Boston.—Arthur M. Loomie nearly went crazy because his friends rubbed in the fact that he was "loonie." The courts decided he may use the name Loomie.
