

Des Arc Items.

We had fine weather for farming last week.
Ties and lumber are coming in very slowly.
John Phips, our big farmer on the St. Francis river, adjoining A. Costner's farm, shipped two cars of cattle and hogs last week. He is a good stock man.
Rev. McBride closed a very successful ten days' meeting on College Hill Sunday. He is an able preacher. It has been seventeen years since he preached his first sermon here. He had a fine singer with him and I enjoyed the services very much. Sorry he had to leave us.
Thos. P. Fittz received a car of hay and a car of corn the past week. Prices are out of sight.
Mrs. Lee Dunn and Mr. and Mrs. Dent White of Annapolis attended the McBride meetings here.
Thos. P. Fittz got a ducking last week and if he had not been a Baptist it would have made him sick. Baptists can stand lots of water. He and a driver drove into a hole of water while the creek was up. We had 500 lbs. of flour and it all got wet. The bed washed off the wagon and one sack floated a half mile down the creek. We got all the flour out, and, to my surprise, it did not get much wet.
Mrs. Marvin Keathley of Lester-ville visited Des Arc this week.
C. S. Fittz called on us this week.
We are expecting a big crowd here Decoration Day.
R. I. Stamp came home Wednesday. He has been excused from jury service in St. Louis. ISAAC.

Neal's Creek Items.

Rain, rain and still it rains. More rain, more green grass, but the farmers are awfully behind with their work. Not much corn planted yet.
Mr. W. Field and family of Bixby visited in the home of Mr. H. Parks Saturday and Sunday.
Mrs. C. Miner and son, Ivy, of near Buick, visited Mr. and Mrs. A. J. Stricklin.
Misses Rebecca and Gertrude Stricklin and Lawrence Stricklin visited at the home of Mr. W. A. White Sunday. Decoration Day exercises at G. W. Stricklin's cemetery, May 30th. All come and bring well-filled baskets.
Miss Rosie Parks, near Bixby, visited Miss Luella Jones Sunday.
Mrs. Isaac Clements has been ill the past week.
Mrs. S. P. Stricklin is able to be out after an attack of influenza.
It is reported that G. C. Clay of Doyle has purchased 900 acres of land from the Sligo Furnace Company, which he will fence for a pasture.
Some of the boys from here have been attending the Holiness meeting at Oates, and watching them dance the Holy Dance. They say they are sure good dancers.
Called from this world to the great beyond, April 9th, 1920, at 12:30 A. M., after a prolonged illness, James W. Stricklin, aged 76 years and 5 months. He was a kind husband, loving father and good neighbor. He leaves to mourn him a widow, two sons, Ed and Walter, two daughters, Mrs. W. H. Copeland and Mrs. M. E. Henderson, and a host of other relatives and friends. May their loss be his eternal gain! And may they so live as to meet him on high, where there is no pain or death, and no farewell tears are shed! Pompey's Pillar.

This is the name of a celebrated column on a slight elevation in the southwest section of ancient Alexandria. It is a monolith of red granite upon a pedestal. Its total height is 98 feet 9 inches. The inscription shows it was erected by Publius Eparch of Egypt in honor of the Emperor Diocletian, A. D. 302.

Ford
THE UNIVERSAL CAR

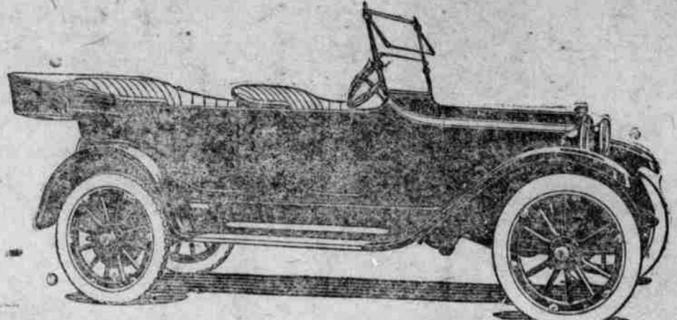

The Ford car can well be called the "people's car," because there are more than 3,000,000 of them in daily operation. That is about four to one of the nearest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that anybody and everybody can safely drive it. Let us have your order for one now to avoid delay in delivery.
