

ANNOUNCEMENTS.

We are authorized to announce FRANK H. FARRIS as a candidate for the Democratic nomination for State Senator for the 24th Senatorial District of Missouri, subject to the action of the voters at the Primary Election, August 1st.

Des Arc Items.

We have had some fine rains. Mrs. J. W. Cooper has returned from a visit to her children in St. Louis.

Dr. Chas. H. Jones drove over from Brunot Sunday to see Mrs. Reed, who is quite sick; also called on Thos. P. Fitz, who is under the weather. Dr. says he has a fine prospect for corn and hay. He expects to have 2,000 bales of hay. His wheat crop is also good.

Miss Jessie Huff took charge of the post-office Saturday.

Attorney Holland has returned from Des Moines.

Ed Schmidt and family from Black river are visiting in Des Arc.

Mrs. Marshal Stevenson returned home Saturday from a visit to her sick sister in Brunot.

Glen Stevenson spent the 4th here. Gilbert Wallis has bought the Mc-Fall restaurant.

Wm. Keathley and family spent the 4th visiting their parents in Des Arc.

I am surprised, as well as sorry, at Senator Buford, of Ellington, announcing in favor of Reed for U. S. Senator. I don't see how any good Democrat can follow Jim Reed. I see that the women all over the State are for Long, and they will elect him.

Well, the big Confederate re-union has come and gone, and I will always regret that I did not go, Richmond being my home town. I have a sister living there who would have welcomed me; also a brother who lives at Charlottesville. He fought in Co. H, 1st Virginia Artillery, and lost an eye in the battles around Richmond. There were but 5,000 soldiers at the re-union and 15,000 visitors.

The last roll call is not far ahead, We all shall camp beyond life's battle lines,

With comrades true who marched in front,

And rest beneath the pines.

The reveille, the call to arms, For us no more shall sound, Nor thundering arms disturb our sleep,

Who bivouac under ground.

Let silent stars stand sentinel, No foe invades our graves, The captain of salvation comes To furlough home the brave.

T. P. FITZ, Co. I, 5th, Va., Cav.

Have you bought your season ticket for the Chautauqua, July 15-20?

From Wendell Bros.

We have sold our garage in Ironton to Mr. C. P. Jewett who is now in charge thereof. In severing our business relations in Ironton we wish to assure the public of our sincere appreciation of the liberal patronage extended to us.

Annapolis News.

Had two good rains the past week. There will be a picnic at Annapolis July 4th and I predict that more than one man will be kicked by a white or colored mule during the day. The "white mule" riders are becoming very brave these days.

Clyde Lucy of Brunot visited Squire Kitchell and family the past week.

Quite a lot of sickness among the children hereabouts occasioned by being in the creek, too much these hot days.

Our doctor here is kept very busy. The gravel train is unloading ties and gravel here every day to be used on the road between here and Sabula.

A. Reese and Ed Thurman are still buying all kinds of stock and putting it on the E. H. Sawyer farm which they have leased.

Mrs. Ida Benson of St. Louis is visiting her daughter, Mrs. Mathina Bolch, and family in Annapolis. Mrs. Benson is holding her own and looks fine.

W. C. Gunter & Co. need a much larger store house than the one they now have.

Seals & Jimerson have built a new store house on the road to the mines and have it well stocked.

Roy Simpson has completed an ice house and has a car of ice stored.

D. A. Worley's blacksmith and wagon shop came near being destroyed by fire the past week. A spark got in some gasoline, but fortunately a number of men were near and put out the flames before any damage was done.

Robert Miller will close his handle factory and go out in the country and teach school this summer.

Some unknown person exchanged roosters a week or so ago with Mrs. Dicey Kitchell, and instead of a domestic rooster she now has a large red rooster.

Sam Moss & Son have moved an old mill, which they had previously discarded, out on Black river and gone to cutting hickory for Mr. Brooks at Des Arc. It works fine and they are making from \$25 to \$50 a day with it.

Wm. Moss bought a cow and calf from Mr. Phillips, the stable boss for the highway, paying \$30 for them.

Houses and rooms are not to be had in this town at any price.

Automobiles are getting numerous.
