We had a fine rain today (Sunday), which was appreciated very much. It was a great help to the late crops.

We were very sorry to get the news Saturday of the death of Mrs. Annie O'Neal, wife of W. T. O'Neal, of St. Louis. She was a daughter of the late Lowry Lovelace and was reared here. She is a sister of Jas. Lovelace of Poplar Bluff and George Lovelace of Des Arc. The remains were taken to Piedmont Sunday for interment. Deceased is survived by a husband, a son and two daughters. May God bless and protect them!

We are having a great revival in Des Arc. Revs. Crowe and Hobbs, the evangelists, are men of God and stirring the people with their great sermons. Rev. Hobbs is a great leader and fine singer and is training our young people to sing and work for God. The meeting is being conducted in the open air on the church lawn, well lighted; a large platform is used for the choir, with two at the piano making fine music. We are expecting to see many souls brought to God during this great revival.

A letter from Miss Ruby Walcott to her parents states that she is nicely located at Aurora, Mo., with her sister, Miss Opal. She will take a business course and fit herself as a stenographer. Miss Opal has a fine position there. They are both intelligent young ladies and will make a success in the business world.

We are sorry to lose a couple of our best citizens, A. Z. Kinder and wife, who will remove to New Mexico for the benefit of Mrs. Kinder's health. He has been a great help to our town and the bank will lose a fine man—one whose place will be hard to fill. We wish them success in their new home and trust Mrs. Kinder will be completely restored to health. ISAAC.

"HELIOTROPE."

Only a faint whiff of heliotrope That stole through a tight-bolted door,

Bringing a message of fear—and of hope;

A grim, pungent menace—and more. Scenting it, romance was stirred into life

And smiled on a happy young pair. Prison gates opened; a blackmashing wife

Turned pale at the perfume d "Beware!"

Lured by its fragrance, a "lifer" gave all

Protecting his daughter from harm. "Heliotrope's" calling; it's sure to enthrall

Each movie fan's heart with its charm.

She professed faith in the Lord in early life and lived a consistent Christian, was a faithful member of the M. E. Church of this place. "An' Misses Johnson, you be sure to get Kellogg's Corn Flakes, because the children won't eat any other kind. Kellogg's has the good flavor and they are never tough and hard to eat!"

Children are quick to know Kellogg's superior goodness

Little folks instantly recognize Kellogg's Corn Flakes from imitations! They know the delicious Kellogg flavor and they know that Kellogg's are never tough or leathery, or hard to eat!

Kellogg's Corn Flakes are so superior in flavor and in crisp crunchiness that once you know Kellogg's you will always serve Kellogg's!

And, Kellogg's should be best because they are the original Corn Flakes—the most delightful cereal ever made! Insist upon Kellogg's—the kind in the RED and GREEN package, because none are genuine without the signature of W. K. Kellogg, originator of Corn Flakes!

formed, helping them in what ever work they would undertake. And she was never too busy to help those in need. Her greatest pleasure was in doing something for others. And her deeds of kindness cannot be numbered here, they are numbered in heaven. And to speak of her absence, of how much she will be missed, is more than we can tell, and God alone knows how great the sadness, how all will miss her. May God bless the bereaved ones!

The floral pieces from the family and friends were beautiful. There was a wreath from the W. C. T. U., a pillow from the M. E. Aid Society and other pieces from friends. The W. C. T. U. had charge of the funeral and marched behind the casket, all in white. The W. C. T. U. colors were used in the tabernacle, where the funeral was conducted, a large number of sorrowing friends being present.

Yes, dear mother, you have left us, and our loss we deeply feel. We know you were a kind, good mother and a faithful friend, and our hearts were filled with sorrow, as we stood and watched the end. But that knew that you were ready for that bright and shining shore, and you were so glad to meet the friends who had passed on before. And we hope that when life is over, and our work on earth is done, that in heaven you will meet your children, every one, yes, every one!

"Feeling Fine!"

"I was pale and thin, hardly able to go," says Mrs. Bessie Bearden, of Central, S. C. "I would suffer, when I stood on my feet, with bearing-down pains in my sides and the lower part of my body. I did not rest well and didn't want anything to eat. My color was bad and I felt miserable. A friend of mine told me of

CARDUI

The Woman's Tonic

and I then remembered my mother used to take it. After the first bottle I was better. I began to fleshen up and I regained my strength and good, healthy color. I am feeling fine. I took twelve bottles (of Cardui) and haven't had a bit of trouble since."

Thousands of other women have had similar experiences in the use of Cardui, which has brought relief where other medicines had failed.

If you suffer from female ailments, take Cardui. It is a woman's medicine. It may be just what you need.
