NEWSPAPER GEORGETOWN

Widening of Wisconsin Avenue
Discussed by Citizens

Hope Expressed That Three-Fourths of the Land Needed Will Be Donated—Some Talk of Celebrating the Town's Sesqui-Centennial Next Year—A New Jury Commissioner.

The Citizens Northwest Suburban Association met last night at Tenleytown. The principal subject discussed was the plan for the widening of Wisconsin Avenue, including Thirty-second Street, extended, which merges into the first named. It was the hope of the speakers, as expressed, that the project would be accomplished largely through the donation of land by the property holders on either side of the highway. It is hoped to secure in donations at least 75 per cent of the ground needed. The plan, as outlined, calls for the condemnation of twenty-seven feet of land on either side of the present building line. This would provide an avenue 120 feet broad. A form of agreement was adopted at last night's meeting, copies of which will be distributed among the property holders who will be most benefited by the improvement. Congress will be petitioned to appropriate the necessary money to pay for the other 25 per cent of the land needed and to erect such legislation as is necessary.

Mr. Sam Ross, of the firm of Barber & Ross, is about to begin the erection of eighteen houses on the south side of U Street (Road), just west of Thirtieth Street and facing the Boyce tract, the houses will each contain two flats of four rooms each, fitted with modern conveniences. The contractors state that the buildings will be ready for occupancy by the early spring.

E. J. Stillwagon and Henry E. Davis, trustees, have sold to Thomas Eagan, 3, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

In conformity with the usual custom, the Sir Knights of the Potomac Commandery, No. 3, of this place, will assemble at their asylum on Christmas Day at 12 o'clock meridian, to partake of the following tokens, the sentiments having been pronounced by the Committee on Christmas Observance: "To our Most Eminent Grand Master, Reuben H. Lloyd: A merry Christmas, and may the coming century fulfill the golden promise of peace on earth and good will toward men." The Grand Master's response to this is as follows: "Templars, I wish you a happy and prosperous New Year. When I keep the commandment of our Redeemer, the golden promise will be fulfilled. You are obligated to labor unceasingly to bring to pass the perfection of man's moral and intellectual development, in the Gospel of St. John, chapter 34th verse, you will find the new commandment."

Georgetown has a new jury commissioner, Frederick L. Moore, who has succeeded to the office made vacant by the resignation of M. J. Adler. Mr. Adler has drawn jurors for this section for many years.

On May 15, 1901, Georgetown will be 150 years old. There is some talk among the leading spirits of celebrating the sesqui-centennial in a becoming manner. What now constitutes Georgetown was, when the first settlement was made, a part of Frederick county, Md. In due time formal notice will be taken by the citizens of the interest, historic and otherwise, in the history. Georgetown has not had a celebration exclusively her own since the opening of the Free Bridge, popularly known as the Aqueduct.

The following officers of the Christian Endeavor Society of the Methodist Protestant Church, were elected for the coming year: President, H. Clyde Grimes; vice president, B. F. Ballard; second vice president, Miss Victoria; and the following officers of the Executive Mansion during the last week.

THE BAILEY'S TRIAL DELAYED.

Unable to Secure Proper Coal for the Torpedo Boat.

NEWPORT, R. I., Dec. 22.—The official speed trial of the torpedo boat Bailey has again been postponed, this time on account of no fault with the boat or machinery, but because it was impossible to secure the proper coal supply. Capt. Robley D. Evans, who is the senior officer of the board, said that the Bailey was good for thirty knots. He is very much pleased with the boat, and says she is finely built, free from vibration, and could easily make twenty-eight knots in service.

What are Humors?

They are vitiated or morbid fluids coursing through the veins and affecting the tissues. They are commonly due to defective digestion but sometimes inherited.

How do they manifest themselves? In many forms of cutaneous eruption, salt rheum or eczema, pimples and itchy, and in weakness, languor and general debility.

How are they expelled? By Hood's Sarsaparilla, which also builds up the system that has suffered from them.

It is the best of all medicines for all humors.

THE APPALACHIAN PARK.

Prof. G. Pinchot Lectures on the Subject at Congressional Church.

The regular weekly meeting of the National Geographical Society which was held last night in the first Congregational Church, was well attended. Prof. Alexander Bell, the president of the society, called the meeting to order and requested all those members who desire to receive notices of the meetings of the society to so advise the secretary, so that proper arrangements can be made. Professor Bell announced that lectures of popular interest will be held every alternate Friday at the Congregational Church, and that the scientific meetings will be held on the intervening Fridays. Professor Bell stated that on January 4 a lecture will be given on the subject of "The States of North Carolina, Tennessee, Virginia, Kentucky, Alabama, Georgia, and Florida," and on January 11 the theme of the lecture will be "The Isthmian Canal."

After having given a general outline of the lectures to be given this season, Professor Bell introduced Prof. Gifford Pinchot, Forest Ranger in the Agricultural Department, who spoke on "The Proposed Appalachian Park."

The region of the proposed Appalachian Park, which is located in the Appalachian region, and runs through portions of the States of North Carolina, Tennessee, Virginia, Kentucky, Alabama, Georgia, and Florida, is one of the region's strongest claims to its selection as a National Park. It is a region of great natural beauty, and includes in all an area of about 7,600 square miles. It is called the "Land of the Sky" by the people of the region.
