

THE U. W. U. ASKS FOR COURTESIES

Anxious to Be Here During Encampment of the G. A. R.

GENERAL APPEAL FOR FUNDS

All Members of Committees Who Have Not Contributed Urged to Do So. Plans for the Reunion of Shields' Division—Meetings Announced.

A formal request was received at encampment headquarters this morning that the courtesies of the citizens' committee be extended to the Union Veteran Union during the encampment next October. It was in the form of a letter from Gen. R. G. Dyrenforth, the commander-in-chief of the Union Veteran Union, who stated that the seventeenth annual encampment of the union had been transferred from Omaha, where it had been originally arranged to hold it, to this city. This action was taken for the reason that many of the members of the Union are also members of the Grand Army, and the holding of the encampments of the two organizations in distant cities at the same time would militate against both organizations.

Asked for Small Appropriation. General Dyrenforth said that all his Union desired was that halls for the meetings of the Union, and the Veteran Relief Union, which comes with the other body, be furnished them and a few badges provided. For this purpose he asked that the citizens committee appropriate \$1,000. The Union would require no decorations, nor any of the entertainments that will be provided for the G. A. R. The letter will be laid before the citizens' executive committee at the next meeting for its consideration.

Appeals for Funds. Appeals were sent out last night from encampment headquarters to all members of committees who have not yet contributed to the fund for the entertainment of the members of the Grand Army of the Republic during the encampment next October, requesting them to do so.

The expediency of raising the necessary guarantee fund at the earliest possible moment is urged upon the members of the committees, and they are asked to send in their contributions at the earliest possible date.

The stress of other business prevented Secretary Bulkley from calling upon the Government Printing Office officials yesterday and completing arrangements for the canvass of the offices for the purpose of raising funds for the encampment. It is his purpose, however, to complete the arrangements today.

Mr. Bulkley was one of the first to undertake the bringing of the encampment to this city, and, ever since his return from Chicago last December with the news of the success of his mission there he has labored unceasingly in the interest of the project.

In view of the reputation by the members of the Grand Army of the action of the few disgruntled persons in the Census Office, who petitioned the Director of the Census to prohibit the soliciting of funds in that bureau for encampment purposes, it is probable that the petition will be ignored and that the work of collecting donations in that office will be pushed vigorously.

It is thoroughly understood that in this office, as elsewhere, the giving of money is entirely optional with the individual, and is in no way compulsory.

Many Subscription Lists. As rapidly as arrangements are completed and the necessary subcommittees appointed and placed in charge of the work in the several departments the subscription lists will be opened in all the Government offices in the city, according to the present plans of the committee.

Up to the present time the Bureau of Engraving and Printing is the only one that has contributed to the cause, but many throughout the Government service have expressed a desire for the opportunity to do so through their respective departments, and it was for this reason that the present line of action was determined upon.

There will be a meeting this evening at encampment headquarters, 1405 New York Avenue northwest, of the committee on privileges and advertising, of which Mr. Frank H. Pierce is chairman. It is expected that on this occasion the bids for the privilege of publishing the official program of the encampment will be opened, and the privilege awarded.

Meeting of Shields' Division. Captain O'Dell is also desirous of emphasizing the meeting of the Shields' Division, to be held at the same time and place where the union committee of the Fifth Army Corps will also be in session. Tomorrow there will be a meeting of the committee on entertainment in the office of Dr. Franklin T. Howe in the "Star" Building, Thursday evening, at encampment headquarters, 1405 New York Avenue northwest. There will be a meeting of the fireworks committee. As matters of considerable importance will come up for consideration, Chairman M. Dyrenforth is desirous of having a large attendance present. The committee on literature for the encampment will meet at headquarters Friday afternoon at 4:15.

Boys Injured by Cartridge. While playing with a cartridge at the corner of Thirtieth and G Streets southeast shortly after 10 o'clock last night Richard Cole, a ten-year-old youth living at 909 Fourteenth Street southeast, and Frank Keeley, ten years of age, living at 1350 Pennsylvania Avenue southeast, were severely injured about their bodies by the exploding of the cartridge. The injured youths were removed to their homes by friends, where Dr. Bretts attended them.

Lieutenant McCathran Better. The condition of Lieut. Frank E. McCathran, of the Fifth precinct, who for some weeks past has been confined to his home suffering from a severe attack of rheumatism, was reported to be greatly improved this morning. The lieutenant is rapidly gaining health, and hopes to resume command of his precinct some time this week. During the absence of Lieutenant McCathran Sergeant Mulhall, a veteran of the force, has been acting lieutenant.

MATTERS OF INTEREST IN DISTRICT AFFAIRS

The Computing Engineer has forwarded to the Commissioners a recommendation to the effect that the balance of the appropriation for grading Joliet Street, between Tenleytown and Tunlaw Roads, be expended in filling said street with earth from abutting property by day labor.

At the instance of Mr. Andrew Parker, of the Washington Loan and Trust Company, and upon recommendation of the Superintendent of Police, the Commissioners have voted to appoint J. W. Solomon additional private of the police force for duty in and about the premises of the company at Ninth and F Streets northwest.

By vote of the Commissioners Messrs. E. P. Thomas & Sons, of 2016 Fourteenth Street northwest, will be informed that the regulations allow cellar doors to be open only long enough for receiving and shipping goods. This street is a business street, and the sidewalk is paved from the curb to the building line, and an inspector of the Engineer Department recommended that the request of the firm to keep the cellar doors open be denied.

The Commissioners have directed that Messrs. Heiskell and McLeran be informed that their request relative to the installation of a water meter in premises 211 G Street, when the building is improved, be granted. Mr. G. F. Green, of the Water Department, after an investigation, so recommended, provided the water rent for the next fiscal year be paid according to the schedule rates.

The Inspector of Buildings has recommended the acceptance of the proposal of Mr. W. E. Spier to deduct \$200 from the amount of his contract for the construction of the rear wing of the new workhouse for males, on account of omitting cement floor in certain rooms.

On the recommendation of the Superintendent of Parking, Mr. V. McNally will be informed that the mulberry tree in the rear yard of premises 1508 M Street northwest, which he requested removed, stands on private property, and does not interfere with public convenience in any way. Accordingly, the Commissioners decline to act in the matter.

The Superintendent of Repairs has forwarded to the Commissioners a request that the boilers in the Grant School building be inspected at the earliest possible date.

On the strength of a report by the Computing Engineer, the Commissioners will inform Mr. T. Edward Clark that when the work of improving the street at the corner of Delaware Avenue and H Street, northeast, was begun the advisability of removing a pole at that point was taken under consideration. On account of the heavy line of wires carried by the pole it was thought necessary to remove all the poles on the street or to erect a guy pole which would be quite as objectionable as to allow the pole to remain in its present position.

By order of the Commissioners, upon the recommendation of the Assessor, Mr. S. B. T. Kalbfus has been promoted to the position of Assistant Assessor, vice Mr. E. W. W. Griffin, promoted, and Mr. T. Frederick Alvey has been promoted to the position made vacant by Mr. Kalbfus, and Frank Cheek has been promoted to the position occupied by Mr. Alvey.

Mr. Thomas Hyde, vice president of the Riggs National Bank, recently requested the removal of the trees from in front of premises 1334 to 1338 New York Avenue northwest. The matter was referred to the Parking Commission, and Superintendent Lanham has submitted the following report:

"I have examined the premises and find four trees in front of the same about twenty feet apart. I think they are much too close for trees on the north side of moderately tall buildings, and especially in this case, there being a very fine elm about opposite the center building space, which overhangs a small Norway maple on the west side of it and a slender soft maple on the east.

"In my opinion, the small trees could well be spared. This would leave the spaces between the elm trees on each side about forty feet. In a couple of years the elm would shade all the space now covered by the smaller trees. I recommend that the Norway and soft maples be removed, but that the elm remain under no circumstances be interfered with."

Mr. J. W. Vanzant, of 129 Fourth Street southeast, recently requested permission to construct balconies on the B Street side of an addition being constructed at the premises named at the corner of Fourth and B Streets.

Capt. Chester Harding, assistant to the Engineer Commissioner, has recommended that, in view of the existence of a private alley in the rear of this property, and from the further fact that the porch is without appreciable effect on the ventilation of the building, the request be granted and a permit issued.

The George A. Fuller Company recently requested a decision as to the requirements of the specifications for the fire-proof floors for the Trumbull Street pump station regarding the brand of cement to be used.

Capt. Chester Harding, assistant to the Engineer Commissioner, has reported that all that is necessary is to submit the kind of cement to be used to the Inspector of Asphalts and Cements, and to be guided by his analysis.

Both Sides Only Waiting. It is now evident that the strike of the local journeymen plumbers will amount to a war of protracted waiting. Neither side shows any evidence of weakening, and the only thing possible for them to do seems to be to await developments and let time solve the problem as to whether there shall be an advance in the wages of journeymen plumbers in Washington.

No. 2 Poplar only 3 cents, and packing poplar, 2c, at 6th and N. Y. ave.

Washington and Alexandria ferry steamers leave Seventh Street wharf. See schedule under "Railroads and Steamboats" as to time.

A FEAST AND A FIGHT FEATURES OF A WEDDING

William Long, Colored, Declares He Will Never Again Act as Nuptial Witness.

William Long, colored, about thirty years of age, when charged in the Police Court today with being disorderly, declared most emphatically that he would never again be used as "evidence" to the tying of a nuptial knot.

A policeman testified that Long had engaged in a fight in a house in Willow Tree Alley the other night, and that he jumped out of a second-story window to escape arrest. Bessie Day, colored, corroborated the policeman's story.

Long explained that Bessie Day was married on the night in question and that he was called in as one of the witnesses to the ceremony. Then there was a feast, and finally a fight, and he tumbled out of a window and ran in order to get away from the police and save his job.

In default of a fine of \$5 Long will serve fifteen days on the farm.

STRIKE NOT SETTLED.

Last Night's Conference Proves Futile and Situation Unchanged.

The outlook in the strike of the local carpenters appears to be no brighter for either side at present. A meeting between representatives of the striking carpenters and of the Master Builders' Association was held last night, but nothing was accomplished tending toward the settlement of the strike. After an hour and a half of fruitless discussion the conference adjourned without arriving at any sort of a definite agreement.

A Business Anniversary.

This week William Hahn & Co.'s Reliable Shoe Houses, located at the corner of Seventh and K Streets; 1914 and 1916 Pennsylvania Avenue, and 223 Pennsylvania Avenue southeast, are celebrating the twenty-sixth anniversary of their starting in business. From the smallest of beginnings this firm has steadily prospered and expanded, until today it owns and operates three large buildings devoted exclusively to shoe retailing. Its annual sales are claimed to be the largest of any retail shoe house south of New York, and the largest, in proportion to local population, of any city in America.

This wonderful success proves what can be accomplished by a firm's complete, intelligent attention to one particular specialty. By well-directed efforts in buying and taking advantage of all legitimate methods of reducing the original cost of their shoes, and selling them at minimum profits, William Hahn & Co. claim to sell better shoes for the money than it is possible to obtain anywhere else in or out of Washington, and their continued business growth seems to verify this claim.

All this week William Hahn & Co. are conducting a mammoth anniversary sale, offering special souvenir prices in all departments, and, judging by the crowds filling their stores today, the public are fully taking advantage of the advertised reductions.

Wheelerwright's Oak, 4 Cents; Cabinet oak, 6c, finest. Libbey & Co.

NEWS AND GOSSIP FROM GEORGETOWN

Dr. Lodge Accepts Columbia Baptist Church Pastorate.

Georgetown University Hospital Physicians Relieved—Sale of Part of the Conroy Estate.

Rev. James L. Lodge, D. D., of Gaithersburg, Md., has accepted the call of the congregation of the Columbia Baptist Church of this place, to fill the pastorate for one year. The call was extended about one week ago. Dr. Lodge delivered his first sermon, as pastor, on Sunday. For the past year he has been officiating at the services at Columbia Church, every other Sunday, visiting clergymen conducting the services the other Sundays.

Since the resignation of Mr. John Mussen, about nine months ago, the church has practically been without a regular pastor. Mr. Mussen is studying higher theology at Chester, Pa. The Columbia Baptist Church is located at the northwest corner of Thirty-first and M Streets, and was organized but little over a year ago. The church is an offshoot of the West Washington Baptist Church, Thirty-first and N Streets, of which Rev. Cornelius C. Coleman is pastor.

Drs. Leon E. Story and Frank S. Machen, were relieved on Monday by Drs. Thomas F. Lowe and Frank H. McKee as resident physicians of the Georgetown University Hospital. The latter named have just graduated from the Georgetown Medical School.

Mr. John A. Heenan has sold to Mrs. C. M. Emmerick, the brick store and dwelling at the southeast corner of Potomac and Prospect Avenue, being a part of the Conroy estate.

About forty members of Silver Star Lodge, of Tenleytown, visited Mr. Vernon Lodge last night, at its lodge room in McCauley's Hall, on Pennsylvania Avenue. A social time was spent after the transaction of the regular routine business. During the evening Representatives Elakburn and Pearre made addresses.

A horse and buggy, driven by Louis Rosenbusch, of 1701 Thirty-fifth Street, collided with the delivery wagon belonging to Edwin Spaulding at the corner of Thirty-fourth and T Streets, about noon yesterday, causing the horse attached to the delivery wagon to run away. Leo Dove, a five-year-old white boy, who was in the wagon at the time of the collision, was thrown out, and quite painfully injured. He received an ugly cut over the right eye and a slight scalp wound. He was taken to the Georgetown University Hospital, and after his wounds were dressed was taken to his home, 3411 S Street northwest.

Next Sunday special services will be held at the Dumbarton Avenue Church, in observance of Children's Day, and the eighty-third anniversary of the Sunday school. In the morning Dr. H. R. Naylor will deliver a sermon, and a number of children will be baptized. In the evening the anniversary celebration will take place under the auspices of the Sunday school.

PHYSICIANS AS PALLBEARERS. Funeral of Dr. Stone to Be Held at 4:30 o'clock This Afternoon.

The funeral of the late Dr. Thomas Ritchie Stone will be conducted at 4:30 o'clock this afternoon from the Church of the Epiphany.

Rev. Dr. Randolph H. McKim, rector of the church, will officiate. The interment will be in Rock Creek Cemetery.

The following will act as pallbearers: Honorary, Dr. J. Ford Thompson, Dr. J. Baker Johnson, Dr. Henry D. Fry, Dr. A. R. Shands, Dr. Joseph H. Bryan, Dr. J. C. McGuire, Mr. C. C. Willard, Mr. Leigh Robinson, and Mr. Edward J. Stellwagen; active, Drs. R. W. Baker, William H. Wilmer, John Van Rensselaer, Arthur A. Snyder, Louis S. Greene, Charles W. Richardson, F. C. Walsh, and Mr. Benjamin S. Minor.

Popular Excursion, Via B. & O. R. R. 8 a. m. Sunday, June 9th, to Frederick, Hagerstown, Harper's Ferry, Martinsburg and Winchester, stopping at Metropolitan Branch points en route. Returning leave Winchester and Hagerstown at 6, Martinsburg 6:15 and Harper's Ferry and Frederick at 7 p. m. \$1

OFFICERS CHOSEN BY CHRISTIAN ENDEAVORERS

Local Union Elects Mr. Owen P. Keller Its President.

At the regular monthly meeting of the District Christian Endeavor Union, held last night at the First Congregational Church, the annual election of officers was held.

The meeting was a most interesting one and was largely attended. Forty-four of the eighty-five societies belonging to the union were represented. It was decided to discontinue the monthly meetings during July and August, and plans were discussed relative to the observance of Christian Endeavor day at Washington Grove, Md., Tuesday, July 23.

An interesting feature of the meeting was the address of Mr. A. L. Dietrich on "How Shall the Work of Our Societies be Kept Up During the Summer?"

Those elected to offices in the union for the year beginning September 1 were as follows: President, Owen P. Keller, Calvary Baptist Church; first vice president, J. M. Pickett, Vermont Avenue Christian Church; second vice president, J. W. Butcher, Jr., Berean Baptist Church; third vice president, Miss Estelle Foster, Faith Chapel, Presbyterian; recording secretary, Herman C. Metcalf, Gurley Memorial, Presbyterian; assistant secretary, Walter C. Frost, First Congregational; corresponding secretary, Bessie E. Taylor, First Methodist Episcopal; treasurer, Louis Dale Leeds, St. Paul's Lutheran; president of the junior union, Elsie Parkinson, Kellar Memorial Lutheran.

ELLEN J. CAMPBELL'S WILL FILED FOR PROBATE

Property in Le Droit Park and Elsewhere Disposed Of.

The will of Ellen J. Campbell, dated June 11, 1900, was filed today for probate. She left to her husband, Dr. T. B. Campbell, since dead, premises 1859 Third Street, Le Droit Park, and an undivided half interest in seven lots on Fourth Street, between F Street and Florida Avenue. To her brother, Charles W. Critchfield, an undivided fourth interest in the lots referred to, and to her brother, Wilson Critchfield, the remainder. Her personal estate is left to her executor for the purpose of settling all her indebtedness, with instructions to divide the balance, if any, between her brothers.

Accompanying the will is the petition of Mr. Charles W. Critchfield and Mr. Orlando W. Aldrich, named as executors of the estate, asking that letters testamentary be issued to the former.

FIELD EXERCISES BEFORE THE MILITARY SURGEONS

Interesting Drill Scheduled to Take Place at Washington Barracks.

Field exercises will be given by the company of instruction on the grounds of the United States Army General Hospital, at Washington Barracks, on Thursday at 4 p. m.

The exercises form part of the program of the eleventh annual meeting of the Association of Military Surgeons of the United States, and will consist of an exhibition of the hospital corps drill and the pitching, striking, and packing of a regimental field hospital.

"THE BUSY CORNER." Always the Best of Everything for the Least Money.

Our Semi-Annual Sale of Dress Makers' Findings, Notions and Small Wares.

Little things are what count. Neglect them and you will no doubt forget the important ones. In all our daily store doings we have never neglected the minor wares. They're not minor, there're only small things which require as much attention as any merchandise carried or sold in our stock. That's why our Notion Department is today the peer of all others—we give it the same undivided attention as we do any department in our establishment. This sale will be a matter of only a few days, therefore, we would advise those who use small quantities to take advantage, as well as those who use plenty.
