is not offered as a cheap substitute for butter. It is absolutely, actually, positively, emphatically, fully better than butter. Those who use it know that its flavor is as delicious as that of the finest and most expensive of any grade of butter. Chemists have determined beyond a question that it is purer and more wholesome than butter. Economical housewives know that it costs less than butter that cannot taste as good.

Clover Creamery is the finest grade of butterine and sells for 25c per pound the year round. Alderney Creamery is just as wholesome—not so fine—and sells for 20c per pound. Extra Dairy for Cooking, 15c, at the

MID FLOWERS AND LIGHTS

Junior Bachelors Gave Their First German at Mrs. Flora Dyer's.

Mrs. Winthrop Solves the Problem of a Bicycle Suit for Ladies—Cards Out for Miss Enloe's Wedding.

The Junior Bachelors gave their first German of the season last evening at Mrs. Flora Dyer's handsome residence, No. 1517 B street northwest. The long ball room has recently been hung in white and gold, and the walls adorned with numerous gold-framed etchings. Pains and forms were grouped effectively in the corners and set in tall vases beside the piano in the music and drawing rooms.

Miss Denison, daughter of Mrs. Dyer, gowned in white satin and lace, with a diamond brooch, received the guests, and Mr. Louis Foster acted as floor manager.

Among the many present were the Misses Menden, Misses Davis, Hill, Hess, Brown, O'Neil, Bennett, Collman, Heister, Turner, Jones, Swingle, Maughlin, of Boyd's Station; Andrews, of Chicago; Palufer, Miller, Tibbitts, Denison, Stone, Garrett and Eyster, Messrs. Quater, Green, Fyale, Barton, Crase, White, Wingfield, Fynn, Hopkins, Berger, Berens, the Misses Ray, of Forest Glen; McDaniel and Jones.

The ballroom floor was perfection, such a surface as dancers dream of, but rarely find, and the young folks, in gay evening costumes, drifted about to the music of waltzes and two-steps until midnight.

The troublesome question of a biking suit for women, which has been agitating the smart intellect ever since wheeling became the rage, is settled at last and the problem has been solved by the wit of a bright society woman, with wonderful inventive genius. Mrs. Winthrop, wife of Col. William Winthrop, U. S. A., retired, has patented a suit of light weight cloth, which, by the clever manipulation of a loop here, a button there, can be quickly transformed into bloomers, a short bicycling skirt of either knee or ankle length, a riding skirt, or golf skirt. This is no weak attempt at a combination gown such as has frequently been made heretofore, but a perfection of the idea so unsuccessfully planned. Mrs. Winthrop is now in New York, where she will remain for some days, supervising the construction of her skirt by a Fifth avenue tailor.

Not until last spring did she become a convert to the use of the bicycle, but having once learned, she has proven to be one of the most ardent devotees at the Capital. Every night and morning she may be seen mounting her bicycle, in front of her handsome home, next the Army and Navy Club, and riding to the office of her husband, Col. Winthrop, who also rides excellently, swiftly vanishing along the avenue.

Not one whit deficient in her fashioning favor. Among the many charming women who spin along the roadways every fair afternoon, are Miss Martha Hickson, daughter of Naval Constructor Hickson, whose rosy cheeks and curly hair and whose bright eyes are brightest, when she is a wheel.

Miss Johnson, daughter of Admiral Johnson, U. S. N., in a dainty suit of tan cloth; Mrs. Chapin, wife of Lieutenant Chapin, U. S. N., who wears a gray costume; Mrs. Fenton, wife of the senator, who wears a black cloth skirt and colored skirt waist; Mrs. Nash, wife of Dr. Francis S. Nash, who wears a jaunty suit of dark blue cloth, and who is the most ardent devotee at the Capital; Mrs. McLean, wife of Lieutenant Walter McLean, U. S. N., also in dark blue; Miss Gilmore, daughter of Colonel Gilmore, U. S. N., in a dainty suit of tan cloth and skirt; pretty Mrs. Hall, who wears such a belle in Washington and the South as Theresa Blackburn, a daughter of the Kentucky senator, and in no way a reigning favorite; Mrs. McAuliffe, wife of the Assistant Secretary of the Navy; Mrs. John Blair, nee Albert; Miss Helen Rogers, daughter of Admiral John Rogers, who wears a black cloth skirt and colored skirt waist; Miss Parke, daughter of Gen. Parke, U. S. A., and last, but not least, Mrs. Carlisle, who, after a very few lessons, has fair to become an expert.

Cards have been received here for the marriage of Miss Stella Hutchinson to Mr. Lewis Merritt Dabney. The wedding will take place in New York the latter part of this month and Mrs. Dabney will make their home in Dallas, Texas.

Cards are out for the wedding of Miss Adelaide Enloe, daughter of Representative Mrs. Enloe, to Mr. George Laurence Wilkinson, of this city. The ceremony will occur at the First Methodist Church, Jackson, Tenn., Wednesday, October 27. Mr. and Mrs. Wilkinson on arriving in Washington will be the guest of Mr. Wilkinson, sr., at his home, No. 1526 K street northwest, but later will take apartments at the Woodmont for the season.

Miss Morton is again in the city, at her cozy home at the Portman. She will make one of the Presidential party to the Cotton States Exposition, leaving Monday.

Mrs. Cleveland, accompanied by her little daughters, is seen driving every five afternoon.

George W. Sares, a young attorney of Omaha, Neb., and a brother of Maj. Otto Sares, major of the Third Battalion, D. C. N. G., arrived in the city on Thursday and will remain with his brother for a month or two.

Mr. McKay, who has been visiting his cousin, Mrs. Marcus Byng, of Twenty-ninth street, left yesterday morning for New York.

Mrs. Col. Tidball, of New York, is visiting her father, Gen. Dana, U. S. A., at his home on Madison Place northwest. The young son of Mrs. Tidball has recently entered West Point.

Mrs. Harris Garner, who has been visiting Mr. J. B. Tucker, of F street northeast, has returned to her home in Cumberland, Md.

Mrs. Margaret N. Lee and her little daughter, Agnes, have returned from Mauch Chunk, Pa., where they have spent some months.

Miss Kate L. Jackson, of East Capitol street, returned from Atlanta Thursday night.

Miss Bessie Forbisher is the guest of her aunt, Mrs. B. Forbisher, of Cameron street, Alexandria.

Miss Etta Pierce Mathews will give a dancing party to-night at her home, on Capitol Hill.

Mr. Crosby Noyes and family are still at their beautiful country place, and will not come in to take possession of the house, 1707 Massachusetts avenue, which they have recently leased, until November.

Miss Francis Phillips, of New York, will be the guest of Mrs. MacArthur during the

Miss Phillips is a sister of Mrs. Edward Hillon, of Paris, who will be remembered as a belle here during President Cleveland's first term. A friend of Mrs. Hillon's in this city has just received a letter from her, where they honey who bear a marked resemblance to their handsome mother.

Mr. and Mrs. B. H. Warner are still at their country place at Kensington.

Judge MacArthur's many friends regret to learn that he is still in invalid, and has been but little benefited by his summer's outing.

One of the most beautiful women in town is Mrs. Horace Wylie, a bride of last spring who, with her husband, has just returned from abroad, where their honeymoon was spent. Her hair, a severe English shape, was extremely becoming. A black net veil, with white spots and border, completed this chic costume.

Mr. Harry Buckley has returned from his European jaunt.

Paymaster and Mrs. Sawyer are back in their winter home on the corner of New Hampshire avenue and L street. Mr. Philip and Mr. Ray Sawyer will spend the winter in New York.

The marriage of Miss Irene Langhorne and Mr. Charles Dana Gibson will take place November 8, at the home of the bride, Richmond. Miss Langhorne is one of the most beautiful girls in the South, a dainty blonde, with large blue eyes, fringed with long black lashes, above the medium height, with an exquisitely moulded figure, she is not unlike the type of American girl her fiancé has made so popular. After their marriage Mr. and Mrs. Gibson will reside in New York, and here in Mr. Gibson's studio his beautiful wife will doubtless often act as his model.

At different times during Miss Langhorne's betrothal she has been reported engaged. Mr. Joseph Leiter was her devoted suitor at Newport one summer, and it was rumored that a marriage had been arranged between the son of the millionaire and the beautiful Southern girl.

Mr. Nicholas Langworth, who is a connection of both Mrs. Anderson and Mrs. Bellamy Storer, and who, by the way, is one of the most desirable parties in America, was later on said to be the fortunate man. But without further delay, various reports Miss Langhorne retained heart whole and fancy free until her engagement to Mr. Gibson a year ago.

There will be a polo game at Fort Myer this afternoon between the Fort Myer Cavalry and the Cavalry. The Cavalry team consists of Mr. Andrew McLean, Mr. Brown, Mr. Lewis Earle, and Mr. Harry Earle. Lieut. Short, Lieut. Hyer, Lieut. Wood, and Mr. David Porter will play on the Fort Myer Cavalry team. The polo is very much in vogue in these games during the past month, for the arrangement of which Lieut. Short deserves much credit.

Mr. Thomas J. MacNamee has returned to Washington, after a pleasant visit to Germany, Switzerland, Italy, Gibraltar, and the Azores.

Mr. William Ryan, of Richmond, internal revenue collector of the eastern district of Virginia, is at the Metropolitan Hotel and will remain in the city for a few days.

The marriage of Miss Jeanette Payson, the daughter of Mr. and Mrs. C. E. Payson, of this city, to Mr. Raymond LeGhant, son of the Belgian minister and secretary of the legation, will be solemnized on the 25th of this month. The ceremony will take place at the residence of the bride, No. 1439 K street northwest. Cardinal Gibbons will officiate. The affair will be private, and only a few invited guests will be present. Mr. and Mrs. LeGhant will leave shortly after for a tour of several months in Europe. On their return they will make up their future residence in Washington.

ALEXANDRIA HAPPENINGS.

The building of the line of the Washington, Alexandria and Mt. Vernon Railway between New Market and Alexandria, remains of the road, in the St. Asaph driving park, has been begun, and already the road is graded as far as the Georgetown bridge at the Washington and Ohio junction. This is only about a quarter of a mile north of the bridge. The iron for the road has also been distributed, and the work of laying the track will be begun very soon. The property of Mr. James Galloway, who is building a new club house, at Four Mill Run, on the 15th of March last, and during a rain and some other articles, the property of Mr. James Galloway, was yesterday evening brought out of his house, and he was confined since his arrest, some weeks ago, in a preliminary hearing before Justice Applegate, on the 15th of October. Mr. Galloway held him for the grand jury in the sum of \$300. Mr. William F. Woods became his surety and he was released until the next jury session of Judge Chichester's court.

Gen. Corbin, the grand commander of the Knights of Pythias of Virginia, held this city a visit last night, and inspected Old Dominion Command, then held his Knights were in line, and an excellent inspection was made.

The Ann Lee Memorial Association of this city has gotten Dr. Bedford Brown to consent to deliver a public lecture for the benefit of the memorial fund. The lecture will take place in this city next month.

The State convention of the Daughters of the Confederacy will be held in this city on Tuesday next, at the Hotel Richmond, and A. M. Davis will represent the Alexandria chapter.

We ask this repeatedly, because serious diseases often follow trifling ailments.

It is your weakness and generally exhausted, nervous, have no appetite, and can't work, begin at once taking the most reliable medicine, which is Brown's Iron Bitters. Benefit comes from the very first dose.

SAVING THE SALOON MUST GO

Anti-Saloon League's Call for a National Convention. TO MEET HERE IN DECEMBER

All States and Territories and All Church, Temperance and Other Organizations Invited to Send Delegates—Call Signed Numerously by Representatives of the League.

The District Anti-Saloon League will hold a mass meeting to-morrow afternoon at 3:30 o'clock, in the Methodist Episcopal Church, Ninth and B streets north-west. Addresses will be delivered by Major George A. Hilton, the President of the National Gop Union, which has been interesting the city the present week; T. A. Mappin, grand counsel for the District of Columbia, of U. S. G. T.; and Mrs. H. A. Gillevater, recording secretary of the league.

There is to be a soprano solo by Miss Lizzie R. Brown, of Foundry Church, and other musical numbers arranged for by Grace Church, whose pastor, Rev. Weston Case, will also participate in the meeting. The arrangements are in charge of Mr. Blackford, acting chairman of the league's committee on mass meetings, and Mrs. Jones, of Grace Church.

The following call for a national anti-saloon convention, to be held here on December 17, 18 and 19, has been issued by the league.

CALL FOR THE CONVENTION. 1. All churches, temperance societies and kindred organizations of good citizens are practically agreed:

1. That "The Saloon," as an institution, must be and is to be suppressed; 2. That all legislation relating to the subject, whether municipal, State or national, should advance toward this end; 3. That all provisions of law restricting or prohibiting the sale of intoxicating drinks should be enforced to the letter.

It is heretofore we have agreed as to such matters in resolutions, rather than in resolute action; and the united energy, with the great power due to our unity, has consequently been able to exert the greater influence.

1. Believing that the time has now come when we should arrange for united aggressive work, in harmony with our convictions, in demonstration of the one spirit which, in fact, inspires us, and in assurance of the coming victory, which we can only hope to gain by united action, we hereby join in calling a national anti-saloon convention, to be held at Washington, District of Columbia, the 17th, 18th and 19th of December, 1895. Let the churches, the temperance societies, and all other organizations, which agree as above, send to the National Council of the D. A. R. as delegates, as below provided, for the purpose of effecting a national organization for aggressive work against the saloon.

It is further suggested that delegates be authorized to act as to name representatives of their respective bodies in such national organization inasmuch as a delegated action should be determined upon.

REPRESENTATION. 1. Committees on temperance or the prohibition of the liquor traffic appointed by the highest bodies of religious denominations should be invited to representation in the convention by five delegates.

2. Religious denominations not having such committees are invited to provide for the sending of delegates to the convention. 3. Each National Society League or Alliance opposed to the saloon shall be entitled to five delegates.

4. Each State, Territory, or Diocese National Society League or Alliance opposed to the saloon, together with the Anti-Saloon League of the District of Columbia and each Temperance Society or Alliance having less than national jurisdiction, shall be entitled to two delegates.

5. Each State or Territory having no State or Territory League or Alliance against the saloon shall be entitled to two delegates at large, to be named upon any five religious or temperance organizations, identifying themselves with this provision within such State or Territory.

PROGRAMME OF THE CONVENTION. The convention shall assemble at 10 o'clock a. m. Tuesday, December 17, 1895, at the Washington Hotel, and shall be opened by the Rev. J. W. Radcliffe, president of the Anti-Saloon League of the District of Columbia, who shall conduct brief opening exercises and shall appoint a temporary secretary, a temporary doorkeeper, and a temporary clerk.

Each State or Territory shall be represented by one member of each of the churches, the temperance societies, and other organizations represented by the signatures to the call.

A recess shall then be taken until an hour appointed for the report of the committee on credentials.

Upon reassembling, the delegates entitled to seats according to the report of the committee shall proceed with permanent organization and with the business of the convention.

The call is first signed on behalf of the Anti-Saloon League of the District of Columbia by its executive committee, consisting of the following: Wilson, D. D., president, presiding elder of the Washington District of the Methodist Episcopal Church; James M. Platt, first vice president; Mrs. Margaret C. Platt, second vice president; president of the W. C. T. U. of the District of Columbia; Abraham L. Swartz, third vice president; secretary of the National Gop Union; Mrs. H. A. Gillevater, recording secretary; Carou, O. E. Ehrler, corresponding secretary; C. S. Snow, doorkeeper; Col. Frank A. Hamlin, chairman of the Washington District of the National Gop Union; John F. Vinal, chairman committee on legislation; Mr. W. H. Pennell, chairman committee on mass meetings; Andrew Wilson, chairman committee on literature; Andrew N. Canfield, grand chief temple, I. O. G. T. of the District of Columbia; Mr. Clinton Smith, Andrew K. Bell, grand chief temple, I. O. G. T. of the District of Columbia; John R. Mahoney; Walter H. Brooks, pastor Nineteenth Street Baptist Church, colored; and Albert E. Shoemaker, the attorney of the league.

OTHER SIGNERS. Next follow twelve signatures of "representatives of churches," comprising those of Rev. Bishop John F. Hurst, D. D., LL. D., of the Methodist Episcopal Church; Rev. E. B. Keplard, D. D., LL. D., Bishop of the United Brethren in Christ; Rev. Rumney Smith, presiding elder of the Washington District of the M. E.
